The Mother of the Ethiopian Nation Routledge
 Haile Selassie I, the last emperor of Ethiopia, was as brilliant as he was formidable. An early proponent of African unity and independence who claimed to be a descendant of King Solomon, he fought with the Allies against the Axis powers during World War II and was a messianic figure for the Jamaican Rastafarians. But the final years of his empire saw turmoil and revolution, and he was ultimately overthrown and assassinated in a communist coup. Written by Asfa-Wossen Asserate, Haile Selassie's grandnephew, this is the first major biography of this final "king of kings." Asserate, who spent his childhood and adolescence in Ethiopia before fleeing the revolution of 1974, knew Selassie personally and gained intimate insights into life at the imperial court. Introducing him as a reformer and an autocrat whose personal history—with all of its upheavals, promises, and horrors—reflects in many ways the history of the twentieth century itself, Asserate uses his own experiences and painstaking research in family and public archives to achieve a colorful and

even-handed portrait of the emperor.

On Men Unwittingly Turned Divine Temple University Press
 Traces the history of the Rastafarian movement, discussing the impact it has had on Jamaican society, its successful expansion to North America, the British Isles, and Africa, its role as a dominant cultural force in the world, and other related topics.

Haile Selassie HMH

This book is available as open access through the Bloomsbury Open Access programme and is available on www.bloomsburycollections.com. Why have the struggles of the African Diaspora so resonated with South Pacific people? How have Maori, Pasifika and Pakeha activists incorporated the ideologies of the African diaspora into their struggle against colonial rule and racism, and their pursuit of social justice? This book challenges predominant understandings of the historical linkages that make up the (post-)colonial world. The author goes beyond both the domination of the Atlantic viewpoint, and the correctives now being offered by South Pacific and Indian Ocean studies, to look at how the Atlantic ecumene is refracted in and has influenced the Pacific ecumene. The book is empirically rich, using extensive interviews, participation and archival work and focusing on the politics of Black Power and the Rastafari faith. It

is also theoretically sophisticated, offering an innovative hermeneutical critique of post-colonial and subaltern studies. The Black Pacific is essential reading for students and scholars of Politics, International Relations, History and Anthropology interested in anti-colonial struggles, anti-racism and the quests for equality, justice, freedom and self-determination.

Leonard P. Howell and Millenarian Visions in the Early Rastafarian Religion CreateSpace

Ethiopia accepted Christianity as her sovereign faith after being a Judaic nation for centuries before Christ. Her political seat being the Throne of David makes this event uniquely significant in that Judaism as a religion or as a nation had no existing empire. By this, we mean that after the destruction of Jerusalem in 588 BC and the dispersion of the Israelites, the Jews, as a nation, were unable to reconstruct an independent state anywhere in the world except for the empire established in Ethiopia. Therefore, Ethiopia represented the only nation to have made such a transition from Judaism to Christianity. When one makes a thorough study of the traditions of the biblical Jewish nation, one will understand that a Jewish nation could not be reestablished without the Throne and seed of King David. Therefore, Israel as a place remains to be the fragmented ruins of a past flourishing Jewish state. The Roman invasion and occupation of Jerusalem created an atmosphere of tension and political unrest that continued and subsequently led to the destruction of this once glorious city, which used to house the Ark of the Covenant. All this occurred before the birth of Christ, who was to be the major element in the events that were to lead to a New Way.

The Legacy of the Kebra Nagast and the Path to Peace and Understanding Cambridge Scholars Publishing

Emperor Haile Selassie was an iconic figure of the twentieth century, a progressive monarch who ruled Ethiopia from 1916 to 1974. This book, written by a former state official who served in a number of important positions in Selassie's government, tells both the story of the emperor's life and the story of modern Ethiopia. After a struggle for the throne in 1916, the young Selassie emerged first as regent and then as supreme leader of Ethiopia. Over the course of his nearly six-decade rule, the emperor abolished slavery, introduced constitutional reform, and expanded educational opportunity. The Italian invasion of Ethiopia in the 1930s led to a five-year exile in England, from which he returned in time to lead his country through World War II. Selassie was also instrumental in the founding of the Organization of African Unity in 1963, but he fell short of the ultimate goal of a promised democracy in Ethiopia. The corruption that grew under his absolute rule, as well as his seeming indifference to the famine that gripped Ethiopia in the 1970s, led finally to his overthrow by the armed forces that he had created. Haile Selassie was an enlightened monarch in many ways, but also a man with flaws like any other. This short biography is a sensitive portrayal of Selassie as both emperor and man, by one who knew him well.

The Real-Life Reggae Adventures of Doctor Dread Lexington Books

*Includes pictures *Includes online resources and a bibliography for further reading "By virtue of His Imperial Blood, as well as by anointing He has received, the person of the Emperor is sacred. His dignity is inviolable and His power indisputable." - Article 4 of the revised Constitution of Ethiopia (1955) The modern history of Africa was, until very recently, written on behalf of the indigenous races by the white man, who had forcefully entered the continent during a particularly hubristic and dynamic phase of European history. In 1884, Prince Otto von Bismarck, the German chancellor, brought the plenipotentiaries of all major powers of Europe together, to deal with Africa's colonization in such a

manner as to avoid provocation of war. This event-known as the Berlin Conference of 1884-1885-galvanized a phenomenon that came to be known as the Scramble for Africa. The conference established two fundamental rules for European seizure of Africa. The first of these was that no recognition of annexation would be granted without evidence of a practical occupation, and the second, that a practical occupation would be deemed unlawful without a formal appeal for protection made on behalf of a territory by its leader, a plea that must be committed to paper in the form of a legal treaty. Before World War II, few in the West had ever heard of Abyssinia, and fewer still could point to a map and tell precisely where it was. On the eve of that war, in the autumn of 1935, as the forces of imperial Italy prepared to invade the sovereign territory of Ethiopia, the leaders of the Allies brimmed with sympathy for the imperiled African kingdom but offered nothing in the way of practical assistance. Rallying his subjects against the invaders was Negus Negusti, the "King of Kings," Emperor Haile Selassie, the last ruler of the great Solomonic Dynasty of Ethiopia. The Italians, led by Benito Mussolini, were practically unassailable at that point, and while a bold resistance was mounted to hold back their invasion, the effort was ultimately futile. On May 2, 1936, as the Italian army bore down on the capital at Addis Ababa, Emperor Haile Selassie boarded a train and fled east to the French territory of Djibouti. From there, he was granted asylum in Britain. The Allies' conquest of Ethiopia formed a cornerstone of the early phases of the North Africa Campaign during World War II, and the dramatic advance of Allied forces on Addis Ababa in the spring of 1941 placed Ethiopia very much at the forefront of Western affairs. In May of that year, Emperor Haile Selassie returned in triumph to the capital of his kingdom, the fanfare and hubris of which tended to project his personality to the forefront of the global political stage. Haile Selassie, a god-like figure among his devotees and followers, was recognized then as one of the great political personalities of the 20th century, and his influence over world affairs was disproportionate, bearing in mind the minor international significance of Ethiopia itself, a feudal society steeped in medieval traditions. His "Appeal to the League of Nations," an address delivered to the world body in 1936 that admonished it for betraying its own principles, still ranks today as one of the greatest moments of political oratory ever recorded. In the West, of course, the focus on Ethiopia commonly comes from the Italian standpoint, which overlooks just how important a figure the Ethiopian emperor was in the 20th century. Far from merely being the ruler of a land being carved up by imperialists, Haile Selassie's story is one of a remarkable rise, and his impact on the Rastafari movement and Ethiopia's global standing remain strong today. Haile Selassie: The Life and Legacy of the Ethiopian Emperor Revered as the Messiah by Rastafarians looks at one of the most famous rulers of the 20th century.

The Rastafari Reader Trafford Publishing

Lost for centuries, the Kebra Nagast (The Glory of Kings) is a truly majestic unveiling of ancient secrets. These pages were excised by royal decree from the authorized 1611 King James version of the Bible. Originally recorded in the ancient Ethiopian language (Ge'ez) by anonymous scribes, The Red Sea Press, Inc. and Kingston Publishers now bring you a complete, accurate modern English translation of this long suppressed account. Here is the most startling and fascinating revelation of hidden truths; not only revealing the present location of the Ark of the Covenant, but also explaining fully many of the puzzling questions on Biblical topics which have remained unanswered up to today.

The Emergence of a New Linguistic Scenario in Shashamane Lulu.com

A provocative history of men who were worshipped as gods that illuminates the connection between power and religion and the role of divinity in a secular age Ever since 1492, when Christopher Columbus made landfall in the New World and was hailed as a heavenly being, the accidental god has haunted the modern age. From Haile Selassie, acclaimed as the Living God in Jamaica, to Britain's Prince Philip, who became the unlikely center of a new religion on a South Pacific island, men made divine—always men—have appeared on every continent. And because these deifications always emerge at moments of turbulence—civil wars, imperial conquest, revolutions—they have much to teach us. In a revelatory history spanning five centuries, a cast of surprising deities helps to shed light on the thorny questions of how our modern concept of "religion" was invented; why religion and politics are perpetually entangled in our supposedly secular age; and how the power to call someone divine has been used and abused by both oppressors and the oppressed. From nationalist uprisings in India to Nigerien spirit possession cults, Anna Della Subin explores how deification has been a means of defiance for colonized peoples. Conversely, we see how Columbus, Cortés, and other white explorers amplified stories of their godhood to justify their dominion over native peoples, setting into motion the currents of racism and exclusion that have plagued the New World ever since they touched its shores. At once deeply learned and delightfully antic, *Accidental Gods* offers an unusual keyhole through which to observe the creation of our modern world. It is that rare thing: a lyrical, entertaining work of ideas, one that marks the debut of a remarkable literary career.

The Holy Bible is the most important book in Rastafari. This special edition Bible includes the Old and New Testament with corrections made to the King James Version. The books of Enoch, Jubilees, and the Kebra Nagast are also included, all sacred books in the Ethiopian Biblical Canon. It restores the name Jah throughout the scriptures. The King Selassie Version Bible tells the unique history like no other Bible does of Israelites pilgrimage from their beginnings in East Africa (Garden of Eden) to journey into West Africa and eventually into the bondage of the Trans-Atlantic Slave trade (the Caribbean and Americas). The lineage of Kings is given from King Solomon and Queen of Sheba's son, all the way to H.I.M. Haile Selassie I. It also includes Rasta prophets, Ital diet, and Jah's High Holy days. There is no other Bible 'pon the earth like the King Selassie Version. H.I.M. Haile Selassie I, the King of Kings and Lord of Lords said "Today man sees all his hopes and aspirations crumbling before him. He is perplexed and knows not whither he is drifting. But he must realize that the Bible is his refuge, and the rallying point for all humanity. In it man will find the solution of his present difficulties and guidance for his future action, and unless he accepts with clear conscience the Bible and its great Message, he cannot hope for salvation. For my part I glory in the Bible."

Preceded by three introductory essays and a chronology of major events in black religious history from 1618 to 1991, this A-Z encyclopedia includes three types of entries: * Biographical sketches of 773 African American religious leaders * 341 entries on African American denominations and religious organizations (including white churches with significant black memberships and educational institutions) * Topical articles on important aspects of African American religious life (e.g., African American Christians during the Colonial Era, Music in the African American Church)
[Jah Rastafari Prayers \(Rasta Prayers book\)](#) Haus Publishing
Rastafari Reasoning and the RastaWoman: Gender Constructions in the Shaping of Rastafari Livity examines the complex ways that gender and race shaped a liberation movement propelled by the Caribbean evolution of an African spiritual ethos. Jeanne Christensen proposes that Rastafari represents the most recent reworking of this spiritual ethos, referred to as African religiosity. The book contributes a new perspective to the literature on Rastafari, and through a historical lens, corrects the predominant static view of Rastafari women. In certain Rastafari manifestations, a growing livity developed by RastaMen eventually excluded women from an important ritual called "Reasoning"—a conscious search for existential and ontological

truth through self-understanding performed in a group setting. Restoring agency to the RastaWoman, Christensen argues that RastaWomen, intimately in touch with this spiritual ethos, challenged oppressive structures within the movement itself. They skirted official restrictions, speaking out in public and written forums whenever such avenues presented themselves, and searched for their own truth through conscious intentional self-examination characteristic of the Reasoning ritual. With its powerful, theoretically informed narrative, Rastafari Reasoning and the RastaWoman: Gender Constructions in the Shaping of Rastafari Livivity will appeal to students and scholars interested in religious transformation, resistance movements, gender issues, critical race studies, and the history and culture of the English-speaking Caribbean.

Simon and Schuster

In this concise analysis of the Ras Tafari movement's most foundational beliefs, Clinton Chisholm provides shocking perspectives on the origins of the movement, the misconceptions concerning Emperor Haile Selassie's names and titles and alleged connections with King Solomon and the Queen of Sheba. He highlights the mistaken belief that modern Ethiopia is mentioned in the Bible and points out some weaknesses in the Kebra Nagast. Drawing on his training in the biblical languages, the former Baptist Pastor chides Rastas on their pronunciation of Jesus' and Jah'. Chisholm will no doubt lose friends and irritate people' for his radical views on black consciousness in the chapter dealing with whether Jesus Christ was Black and Dreadlocked. In the latter chapters of the book the self-styled Christian Apologist tackles those who see the Rastafari faith as superior to Christianity and he pits Emperor Haile Selassie's views on religion, Christianity and the Bible against the views of Rastas. The book closes with appendices in which Chisholm tackles the views of Professor Rex Nettleford and the late Barbadian Dread', Dr. Ikael Tafari.

Holy Bible Beacon Press

Over the years little has been written about the remarkable life of Empress Menen Asfaw (April 3, 1891-February 15, 1962), who was the wife of the last reigning Emperor of Ethiopia, Haile Sellassie I. With this first time translation and publication of her biography, readers can become reacquainted with the life of Empress Menen and the great contribution she made to her faith, her nation and her family. The foundation for this biography is a rare book entitled, "Her Imperial Majesty Menen Asfaw" which was written shortly after her passing in 1962. The original book has been translated from the ancient Ge'ez language of Ethiopia to Amharic and then to English. To make this a true reflection of Menen's life, much has been added to the original manuscript including information about the history, culture and geography of Ethiopia, highlights of Emperor Haile Sellassie's reign, and periods in her life that were not well documented before have been expanded upon. There is also a brief description of the legendary story of the Queen of Sheba and King Solomon, as well as the Rastafari faith as many women across the globe view

Empress Menen as an exemplary role model. There are sixty-two photographs, many not widely seen before, of the Empress and her family. The citizens of her nation knew Empress Menen for her kindness and humanitarian outreach. She established childcare centers and handicraft schools, as well as the Empress Menen School for Girls, the first of its kind to offer education to young women of Ethiopia. During the Italian Invasion of 1936-1941, she assumed the administrative responsibility of Ethiopia while the Emperor was on the battlefield. A woman of great faith, she was a member of the Ethiopian Orthodox Christian Church and constructed and upgraded many churches throughout her country. She visited the Holy Land four times and built a church and monastery on the banks of the Jordan River. During her life she also experienced a great deal of sorrow and hardship, enduring the loss of seven of her ten children, five years as a refugee of war in exile, plus the everyday struggle of on-going health problems. Empress Menen Asfaw, the Mother of the Ethiopian Nation, was a far-sighted woman well ahead of her time.

Rastafari Notes & H.I.M. Haile Selassie Amharic Bible

Research Associates School Times

ETHIOPIC APOCRYPHA/ Amharic Literature FIKARE IYESUS [in Amharic]; interpreted as, "The Explication of Jesus [The Christ]"; here in is a raw English translation & basic interpretation by Mr. Ras Iadonis Tafari/ Wendim Yadon of the Lion of Judah Society of His Imperial Majesty; containing and revealing the Prophesied little book of H.I.M. HAILE SELASSIE I published in the 43rd year of His Imperial Reign on The Throne of David, in Ethiopia, the African "Zion" prior to the Illuminati's "Godless and cruel dragon" so-called 'creeping coup' against CHRIST IN HIS KINGLY CHARACTER and the End of the World. God's Word said that there would be "last days" like these; one only needs to read The Revelation of St. John, chapter 10, verse 10: "And I took the little book out of the angel's hand, and ate it up; and it was in my mouth sweet as honey: and as soon as I had eaten it, my belly was bitter."

The Rastafari Movement Frontline International

The Rastafari Movement: A North American and Caribbean Perspective provides a historical and ideological overview of the Rastafari movement in the context of its early beginnings in the island of Jamaica and its eventual establishment in other geographic locations. Building on previous scholarship and the author's own fieldwork, the text goes on to provide a rich comparative analysis of the Rastafari movement with other Black theological movements, specifically the Nation of Islam and the Black Hebrew Israelites in the context of the United States. The text explores the following topics: • Pan-Africanism, Black nationalism and Rastafari; • gender dynamics; • globalization; • concepts and symbols; • other Black theological movements. This text is ideal for students of religious studies, sociology, anthropology, African Diaspora studies, African American studies, and Black studies who wish to gain an understanding of the history and beliefs of the Rastafari Movement.
