This is the story about an investigation turned obsession, full of twists and turns and with an ending you'll never expect. Everyone in Fairview knows the story. Pretty and popular high school senior Andie Bell was murdered by her boyfriend, Sal Singh, who then killed himself. It was

all anyone could talk about. And five years later, Pip sees how the tragedy still haunts her town. But she can't shake the feeling that there was more to what happened that day. She knew Sal when she was a child, and he was always so kind to her. How could he possibly have been a killer? Now a senior herself, Pip decides to reexamine the closed case for her final project, at first just to cast doubt on the

original investigation. But soon she discovers a trail of dark secrets that might actually prove Sal innocent . . . and the line between past and present begins to blur. Someone in Fairview doesn't want Pip digging around for answers, and now her own life might be in danger. And don't miss the sequel, *Good Girl, Bad Blood!* "The perfect nail-biting mystery."

Times bestselling author *15th Affair* Little, Brown Detective Lindsay Boxer's investigation into the disappearance of three teachers escalates from missing persons to murder in this "shocking" Women's Murder Club thriller (Lisa Gardner, #1 NYT bestselling author). For a trio of colleagues, an innocent night out after class ends in a deadly torture session. They

vanish without a clue -- until a body turns up. With the safety of San Francisco's entire school system at stake, Lindsay has never been under more pressure. As the chief of police and the press clamor for an arrest in the "school night" case, Lindsay turns to her best friend, investigative journalist Cindy Thomas. Together, Lindsay and Cindy take a new approach to the case, and unexpected

facts about the victims leave them stunned. While Lindsay is engrossed in her investigation, her husband Joe meets an Eastern European woman who claims to have seen a notorious war criminal -- long presumed dead -- from her home country. Before Lindsay can verify the woman's statement, Joe's mystery informant joins the ranks of the missing women. Lindsay, Joe,

and the entire Women's Murder Club must pull together to protect their city and one another -- not from a ghost, but from a true monster. *Verity* Little, Brown The Women's Murder Club takes on two deranged killers, but Detective Lindsay Boxer begins to wonder if the mysterious case is also breaking apart her closest friendships. During an intimate dinner party, a cat burglar breaks into

<p>the home of A- list actor Marcus Dowling. When his wife walks in on the thief, the situation quickly teeters out of control, leaving an empty safe and a lifeless body. The same night, a woman and her infant child are ruthlessly gunned down in an abandoned garage. The killer hasn't left a shred of evidence, except for a foreboding and cryptic message: WCF, the letters written</p>	<p>in blood-red letters. With two deranged killers on the loose Detective Lindsay Boxer calls on the Women's Murder Club to help her stop the insane killers. But someone is leaking information to the press- details that only those on the inside could know. As allegations fly that Lindsay is the source, she has to wonder: how much she can trust her closest friends? <u>The 18th</u></p>	<p><u>Abduction</u> Little, Brown When an alluring blonde with ties to the CIA disappears from a murder scene, Detective Lindsay Boxer turns to the Women's Murder Club to help her track down an elusive suspect: her husband. As she settles into motherhood and a happy marriage, Lindsay Boxer thinks she has found domestic bliss. But when a beautiful, alluring blonde woman</p>

with links to the CIA disappears from the scene of a brutal murder at a downtown luxury hotel, Lindsay's life begins to unravel. Before she can track down the woman for questioning, a plane crash plunges San Francisco into chaos and Lindsay's husband Joe vanishes. The deeper she digs, the more Lindsay suspects that Joe shares a secret past with the mystery blonde.

Thrown into a tailspin and questioning everything she thought she knew, Lindsay turns to the Women's Murder Club for help as she tries to uncover the truth. Filled with the pulse-pounding intrigue that has made James Patterson the world's #1 bestselling writer, 15th Affair proves that all is fair in love, war, and espionage. *The Thursday Murder Club* Grand Central Publishing

In this #1 New York Times bestseller, the Women's Murder Club gets ready for a quiet Christmas—until a mysterious killer decides to terrorize the city. As the holidays approach, Detective Lindsay Boxer and her friends in the Women's Murder Club have much to celebrate. Crime is down. The medical examiner's office is quiet. Even the courts are showing some Christmas spirit. And the

news cycle is so slow that journalist Cindy Thomas is on assignment to tell a story about the true meaning of the season for San Francisco. Then a fearsome criminal known only as "Loman" seizes control of the headlines. Solving crimes never happens on schedule, but as this criminal mastermind unleashes credible threats by the hour, the month of December is

upended for the Women's Murder Club. Avoiding tragedy is the only holiday miracle they seek. The Silent Patient National Geographic Books Your best friend . . . or a vicious killer? weapon is linked to the deaths of four of San Francisco's most untouchable criminals. And it was taken from her own department's evidence locker. Anyone could be the killer—even her closest friends. Facing a series of vicious articles about her personal life and a brutal crime scene in a famous actor's garden, Lindsay realizes that the ground beneath her feet holds

hundreds of secrets. But this time she has no one to turn to- especially not her husband Joe. From one of the world's finest suspense writers, 11THour is the most shocking, most emotional, and most thrilling Women's Murder Club novel ever. 22 Seconds Random House Join the Women's Murder Club on an exhilarating thrill ride as love and

*Run, Don't Walk* Hachette UK  
 M\*A\*S\*H meets *Scrubs* in a sharply observant, darkly funny, and totally unique debut memoir from physical therapist Adele Levine. In her six years at Walter Reed

Army Medical Center, Adele Levine rehabilitated soldiers admitted in worse and worse shape. As body armor and advanced trauma care helped save the lives—if not the limbs—of American soldiers fighting in Afghanistan and Iraq, Walter Reed quickly became the world leader in amputee rehabilitation. But no matter the injury, physical therapy began the moment the soldiers

emerged from surgery. Days at Walter Reed were intense, chaotic, consuming, and heartbreaking, but they were also filled with camaraderie and humor. Working in a glassed-in fishbowl gymnasium, Levine, her colleagues, and their combat-injured patients were on display at every moment to tour groups, politicians, and celebrities. Some would shudder

openly at the sight—but inside the glass and out of earshot, the PTs and the patients cracked jokes, played pranks, and compared stumps. With dazzling storytelling, *Run, Don't Walk* introduces a motley array of oddball characters including: Jim, a retired lieutenant-colonel who stays up late at night baking cake after cake, and the militant dietitian who is always after him; a

surgeon who only speaks in farm analogies; a therapy dog gone rogue; —and Levine's toughest patient, the wild, defiant Cosmo, who comes in with one leg amputated and his other leg shattered. Entertaining, engrossing, and ultimately inspiring, *Run, Don't Walk* is a fascinating look into a hidden world. *The Black Book* Little, Brown A series of shootings exposes San Francisco to a methodical

yet unpredictable killer, and a reluctant woman decides to put her trust in Sergeant Lindsay Boxer. The confidential informant's tip leads Lindsay to disturbing conclusions, including that something has gone horribly wrong inside the police department itself. The hunt for the killer lures Lindsay out of her jurisdiction, and gets inside Lindsay in dangerous ways. She suffers

unsettling medical symptoms, and her friends and confidantes in the Women's Murder Club warn Lindsay against taking the crimes too much to heart. With lives at stake, the detective can't help but follow the case into ever more terrifying terrain. A decorated officer, loving wife, devoted mother, and loyal friend, Lindsay's unwavering integrity has never failed her. But now she is

confronting a killer who is determined to undermine it all.

The 19th Christmas  
HarperCollins  
The "thrilling" #1 New York Times and USA Today bestseller (Karin Slaughter): when three bodies are found in a Chicago bedroom, a black book goes missing . . . and the city has never been more dangerous. Billy Harney was born to be a cop. As the son of Chicago's chief of

detectives with a twin sister on the force, Billy plays it by the book. Teaming up with his adrenaline-junkie partner, Detective Kate Fenton, there's nothing he wouldn't sacrifice for his job. Enter Amy Lentini, a hard-charging assistant attorney hell-bent on making a name for herself who suspects Billy isn't the cop he claims to be. They're about to be linked by more than their careers.

A horrifying murder leads investigators to an unexpected address-an exclusive brothel that caters to Chicago's most powerful citizens. There's plenty of incriminating evidence on the scene, but what matters most is what's missing: the madam's black book. Now with shock waves rippling through the city's elite, everyone's desperate to find it. As Chicago's elite scramble to

get their hands on the elusive black book, no one's motives can be trusted. An ingenious, inventive thriller about power, corruption, and the secrets that can destroy a city, *The Black Book* is James Patterson at his page-turning best. 2nd Chance Little, Brown The world's bestselling detective series has never been more suspenseful. Trapped in deadly showdowns, courtroom

trials, and dangerous secrets, the Women's Murder Club must fight for their lives. In a deadly late-night showdown, San Francisco police lieutenant Lindsay Boxer fires her weapon and sets off a dramatic chain of events that leaves a police force disgraced, a family destroyed, and Lindsay herself at the mercy of twelve jurors. During a break in the trial, she

retreats to a picturesque town that is reeling from a string of grisly murders-crimes that bear a link to a haunting, unsolved case from her rookie years. Now, with her friends in the Women's Murder Club, Lindsay must battle for her life on two fronts: in a trial rushing to a climax, and against an unknown adversary willing to do anything to hide the truth about the homicides-including kill again?
