When twelve-year-old Izzy discovers a beat-up baseball marked with the words "Because magic" while unpacking in yet another new apartment, she is determined to figure out what it means. What secrets does this old ball have to tell? Her mom certainly isn't sharing anyespecially when it comes to Izzy's father, who died before Izzy was born. But when she spends the summer in her Nana's remote New Mexico village, Izzy discovers long-buried secrets that come alive in an enchanted landscape of watermelon mountains, whispering winds, and tortilla suns. Infused with the flavor of the southwest and sprinkled with just a pinch of magic, this heartfelt middle grade debut is as rich and satisfying as Nana's homemade enchiladas.

Heritage language (HL) education has as its primary aims to help learners regain, develop, or maintain their HL while gaining deeper understanding of their cultural heritage. The topic has gained traction in recent years, as the interest in bilingual education and the numbers of people speaking English as a second language have grown. Teachers play a vital role in advancing HL learning (HLL). This edited volume presents them with the knowledge and tools necessary to overcome common obstacles in HLL based on cutting-edge research. In twelve chapters, contributors address the various types of challenges faced in trying to transfer research findings into new teaching approaches and encourages teacher innovation. Part I reviews fundamental issues in curricular, teacher, and program development, while Part II addresses pedagogical strategies, techniques, and approaches. The book seeks to answer questions such as, What are the best ways to help HLL acquire language for use in professional settings? How should HL learners' skills be assessed? How should new HL programs be designed? How do we define HL learners? How do we prepare teachers to meet their needs? While many HLL books focus on Spanish, information on multiple languages is included in this book.

Writing for College, Writing for Your Self Realidades 1 Guided Practice Activities for Vocabulary and Grammar Realidades Level 1 Guided Practice Activities for Vocabulary And Grammar Perspectives on Transitions in Schooling and Instructional Practice examines student transitions between major levels of schooling, teacher transitions in instructional practice, and the intersection of these two significant themes in education research. Twenty-six leading international experts offer meaningful insights on current pedagogical practices, obstacles to effective transitions, and proven strategies for stakeholders involved in supporting students in transition.

The book is divided into four sections, representing the four main transitions in formal schooling: Early Years (Home, Pre-school, and Kindergarten) to Early Elementary (Grades 1-3); Early Elementary to Late Elementary (Grades 4-8); Late Elementary to Secondary (Grades 9-12); and Secondary to Post-Secondary (College and University). A coda draws together over-arching themes from throughout the text to provide recommendations and a visual model that captures their interactions. Combining theoretical approaches with practical examples of school-based initiatives, this book will appeal to those involved in supporting either the student experience (both academically and emotionally) or teacher professional learning and growth.
