The Body Simon and Schuster

Four novellas from Stephen King bound together by the changing of seasons, each taking on the theme of a journey with strikingly different tones and characters. This gripping collection begins with "Rita Hayworth and the Shawshank Redemption," in which an unjustly imprisoned convict seeks a strange and startling revenge--the basis for the Best Picture Academy Award-nominee *The Shawshank Redemption*. Next is "Apt Pupil," the inspiration for the film of the same name about top high school student Todd Bowden and his obsession with the dark and deadly past of an older man in town. In "The Body," four rambunctious young boys plunge through the facade of a small town and come face-to-face with life, death, and intimations of their own mortality. This novella became the movie *Stand By Me*. Finally, a disgraced woman is determined to triumph over death in "The Breathing Method."--Provided by publisher.

This book features an in-depth analysis of the world's most popular movie, *The Shawshank Redemption*, delving into issues such as: the significance of race in the film, its cinematic debt to earlier genres, the gothic influences at work in the movie, and the representation of Andy's poster art as cross-gendered signifiers. In addition to exploring the film and novella from which it was adapted, this book also traces the history of the Ohio State Reformatory in Mansfield, Ohio, which served as the film's central location, and its relationship to the movie's fictional Shawshank Prison. The last chapter examines why this film has remained both a popular and critical success, inspiring diverse fan bases on the Internet and the evolution of the Shawshank Trail, fourteen of the film's actual site locations that have become a major tourist attraction in central Ohio.

She was asking for it. She should have known better. Bekezela (persevere), she was told. It's because I love you, he said. It's not that bad, she told herself. In sharing their experiences from girlhood to the boardroom, from Cape Town's suburbs to the hills of KwaZulu- Natal, women from different walks of life show how chillingly common male violence against women is. Together, their voices form a deafening chorus. Gender-based violence feeds on shame and silence but in this extraordinary collection, brave women reclaim their power and summon the courage in others to do the same. In speaking out, sharing what was once secret, shame's hold is broken. Heart-rending at times, it is the honesty and courage of the writing that truly inspires.

Shawshank Redemption Simon and Schuster

How did a low-key prison movie which was considered a box-office flop on its original release become one of the most popular movies of all time? Mark Kermode traces the history of this unexpected audience favourite from the pages of Stephen King's novella 'Rita Hayworth and Shawshank Redemption', through the icy corridors of Ohio's Mansfield Reformatory (whose imposing gothic architecture dominates the film), to the television and video screens on which 'The Shawshank Redemption' became a phenomenon. This study traces the history of 'The Shawshank Redemption' and draws on interviews with writer/director Frank Darabont and leading players Tim Robbins and Morgan Freeman. The book also explores the near-religious fervour that the film inspires in a huge number of devoted fans.

Fall from Innocence Simon and Schuster

The Films of Stephen King is the first collection of essays assembled on the cinematic adaptations of Stephen King. The individual chapters, written by cinema, television, and cultural studies scholars, examine the most important films from the King canon, from *Carrie* to *The Shining* to *The Shawshank Redemption*.

The Mist Simon and Schuster

Now in one stunning collection, four of Stephen King's most well-loved horror stories: *The Mist*, *Apt Pupil*, *The Body*, and *The Sun Dog*. Each standalone story is a riveting master class in short fiction from "the reigning King of American popular literature" (Los Angeles Daily News). In *The Mist*, terror descends in the wake of a summer storm. David Drayton, his son Billy, and their neighbor Brent

Norton join dozens of others and head to the local grocery store to replenish supplies and become trapped by a strange mist that has enveloped the town. As the confinement takes its toll on the group's nerves, staying in the store may prove fatal—so, the Draytons, Brent, and a handful of other survivors attempt their escape. But what's out there may be worse than what they left behind. Apt Pupil follows Todd Bowden, a top-performing student and all around "good kid" who learns his teacher, Mr. Dussander, is more than he seems. Turns out, Mr. Dussander is the target of a decades-old manhunt. He's never been caught, and Todd doesn't want to be the one to turn him in. Instead, Todd will face his fears and learn the real meaning of power—and the seductive lure of evil. In *The Body*, it's 1960 in the fictional town of Castle Rock, Maine, and a boy from a neighboring town has vanished. Twelve-year-old Gordie Lachance and his three friends set out on a quest to find his body along the railroad tracks. During the course of their journey, Gordie, Chris Chambers, Teddy Duchamp, and Vern Tessio come to terms with death and the harsh truths of growing up in this iconic, unforgettable, coming-of-age story that was also adapted in the 1986 film classic *Stand by Me*. In *The Sun Dog*, Kevin Delavan receives the perfect gift for his fifteenth birthday: a Polaroid Sun 660. But no matter where Kevin Delevan aims the camera, it produces a photograph of an enormous, vicious dog. In each successive picture, the menacing creature draws nearer to the flat surface of the Polaroid film. When old Pop Merrill, the town's sharpest trader, gets wind of this phenomenon, he envisions a way to profit from it. But the Sun Dog, a beast that shouldn't exist at all, is a dangerous investment... This beautiful boxed set makes the perfect gift for seasoned King fans and newcomers alike—and features impeccably crafted, page-turning stories you'll return to again and again.

Rita Hayworth and Shawshank Redemption Titan Books (US, CA)

Veteran script consultant Jill Chamberlain discovered in her work that an astounding 99 percent of first-time screenwriters don't know how to tell a story. These writers may know how to format a script, write snappy dialogue, and set a scene. They may have interesting characters and perhaps some clever plot devices. But, invariably, while they may have the kernel of a good idea for a screenplay, they fail to tell a story. What the 99 percent do instead is present a situation. In order to

explain the difference, Chamberlain created the Nutshell Technique, a method whereby writers identify eight dynamic, interconnected elements that are required to successfully tell a story. Now, for the first time, Chamberlain presents her unique method in book form with *The Nutshell Technique: Crack the Secret of Successful Screenwriting*. Using easy-to-follow diagrams ("nutshells"), she thoroughly explains how the Nutshell Technique can make or break a film script. Chamberlain takes readers step-by-step through thirty classic and contemporary movies, showing how such dissimilar screenplays as *Casablanca*, *Chinatown*, *Pulp Fiction*, *The Usual Suspects*, *Little Miss Sunshine*, *Juno*, *Silver Linings Playbook*, and *Argo* all have the same system working behind the scenes, and she teaches readers exactly how to apply these principles to their own screenwriting. Learn the Nutshell Technique, and you'll discover how to turn a mere situation into a truly compelling screenplay story.
