**The Security Supervisor Training Manual** Lulu.com

A substantial portion of this book was originally commissioned as a training manual for a local security firm. Very good, practical, solid information here that can benefit all entry level security officers, supervisors, and managers as well as clients considering hiring a uniformed guard patrol service. The manual is presented in its complete form with additional material. This book will describe the various types of domestic entry level security employment available, as well as different types of employer, posts, and duties. You will be given tips on ways to make your job safer and easier, as well as hard earned advice on what types of job to avoid and why. I have over 30 years of experience working with a number of security and investigations firms in three states. I have personally worked dozens of contracts under a variety of circumstances and have observed a lot. These observations, as well as advice for anyone considering choosing a security firm to work for, have been added.

Armed Security Guard Training Manual  
Security Training Center, LLC
