You have studied English for years, yet you still don't speak English well. You've tried many methods and you still make grammar mistakes, you still can't speak English fluently, and you still can't pronounce English words correctly. You can read English, but you feel too nervous or too

shy to speak English. The good news is, this is very normal. You have simply used ineffective methods to learn to speak English. Ken has been in your situation before, but now he can speak English like a native, and he accomplished that in six months. In this book, Ken is going to teach you how to completely get rid of your accent and develop an American or British accent to speak English just

like a native speaker, and he'll teach you how to accomplish that in just six months. In this book, you'll: *learn to speak like a native in six months or less *learn to do that on a busy schedule *learn to speak English without translating it first *learn grammar without memorizing grammar rules *learn to build a vocabulary that lasts *learn to pronounce English words

like native American or native British*learn to speak English fluently, correctly, naturally, effectively, effortlessly*and more... to speak English like a native speaker.You have studied English for years, yet you still can't speak English well. The reason is simply: The methods you used were ineffective.Change your approach now. Learn from the success who has walked in your

shoes before and is getting the result you want. Effortlessly follow the step-by-step instructions in the book to achieve the highest level of fluency to help you speak English like a native speaker.Add to Cart

 Make an Impact with your Written English deals with the English business

writing you need to take you a step further in your executive career. The book also helps organizations stand apart by getting noticed for the right reasons, whatever the target audience. It focuses on writing English as a key business tool and how clear, concise messages are a must in international business today. Yet the fewer words you use, the more important it is to get them

right. So the book focuses on word power: to promote and sell your messages - as well as 'brand you' and your organizational brand. An essential read, full of invaluable advice and checklists for native and non-native English writers who need to brush up their skills in writing English for sales, PR, presentations, reports, minutes, manuals and the web etc.

The Complete Three-week

Vocabulary Builder Manik Joshi
Learning to talk is probably the greatest milestone in a child's development: a deeply moving and often hilarious experience for all parents. In this charming and informative book, Britain's leading expert on the English language talks you through every stage in your child's language development. Over thirty years after its original publication, this new and

updated edition of Listen to your Child shows us that while the world our children are growing up in may have changed, one thing has not: parents still need to listen. Gathering decades of research from psychologists and linguists, Professor Crystal shows how the more we know about language acquisition - from 'cooking' and 'babbling' to melodic 'scribble talk' and simple words and then to

incessant chatter - the more there is to delight in. From birth to the early school years, Listen to your Child provides a painless introduction to the study of child language acquisition as well as invaluable advice for parents.

The Exclusive Method You Can Use to Learn—Not Just Memorize—Essential Words
A powerful vocabulary

expands your world of opportunity. Building your word power will help you write more effectively, communicate clearly, score higher on standardized tests like the SAT, ACT, or GRE, and be more confident and persuasive in everything you do. Using the exclusive Fiske method, you will not just memorize words, but truly learn their meanings and how to use them correctly. This knowledge will

stay with you longer and be easier to recall—and it doesn't take any longer than less-effective memorization. How does it work? This book uses a simple three-part system: 1. Patterns: Words aren't arranged randomly or alphabetically, but in similar groups based on meaning and origin that make words easier to remember over time. 2. Deeper Meanings, More Examples: Full explanations—

not just brief definitions—of what the words mean, plus multiple examples of the words in sentences. 3. Quick Activities: Frequent short quizzes help you test how much you've learned, while helping your brain internalize their meanings. *English: Learning with Root Words* Geddes & Grosset, Limited The book will enable you to build excellent vocabulary. You'll never have a dull

moment as each chapter offers you some exciting and tantalizing trivia to make you want to reach the next chapter and then the next and the next... Study the chapters, take the progress tests and you will soon find that words really can work wonders for you. *The New Cambridge English Course 4 Teacher's Book* Goodwill Trading Co., Inc. Are you learning English as a

second language? If so, that's great! We would like to help you on your journey to learn English to fluency. With our book *English Short Stories for Beginners and Intermediate Learners*, you can practice reading English while working on your English vocabulary and grammar skills as an ESL learner. Penguin UK Improve your spoken English from home with 101 real-world conversations

in simple, everyday English. Real English people don't speak like your textbook... so it's no wonder you feel unprepared when it's your turn to speak! This book fixes that. For the first time, you'll learn to speak English in the REAL world, with 101 authentic conversations in simple, spoken English, so you can become confident in the words, phrases and expressions you need to communicate like a local. You'll be transported into a real-world story that unfolds between six characters, told by the people themselves in 101 authentic conversations. Over 15,000 words of real English, you'll immerse yourself in a gripping drama and get an education in natural English in the process. Here's what you'll get: 101 conversations in simple English, so you can learn real English as spoken in the street, understand spoken language with ease, and have English roll off your tongue more fluently. With over 15,000 words of dialogue, you'll have an exciting resource that will immerse you in English, at a level you can understand, so you can learn real spoken English without getting lost or overwhelmed. Real, daily spoken English throughout - it's as if we

held up a microphone and recorded the exact words coming out of people's mouths - so you can learn the expressions that real people use on the street (not in textbooks). You'll sound more authentic when you speak and make English-speaking friends more easily. Situational dialogues from typical daily circumstances, so you'll prepare yourself to survive

realistic English encounters, in shops and cafés, and make meeting people and making arrangements second nature. Conversations that are carefully written to be accessible for beginners (A2-B1 on the CEFR), so you can start to learn from real, spoken conversations, even as a beginner, without having to go through the rollercoaster of difficult conversations with strangers. Each

conversation is limited to around 15 lines of dialogue (150 words), so you can get that crucial sense of achievement and motivation when you finish each conversation, and say "I actually understood all of that!" Summaries of each conversation which contextualise each dialogue, so you can easily follow the plot and enjoy the story without getting lost. The story is

set in London, England and includes some expressions that are typical in British English. However, the conversations use mostly "neutral" English that will help you if you're learning American English, or any	other variety of English too! Created by Olly Richards, internationally -renowned language teacher and author, 101 Conversations in Real Spoken English gives you an education in real English that you won't find anywhere	else. You'll be better prepared for using English in the real world, speak with more confidence, and take a giant leap towards fluency in English! SCROLL UP AND GRAB YOUR COPY NOW
