"The Buddhist practice of mindfulness caught on in the west when

we began to understand the everyday, personal benefits it brought us. Now, in this extraordinary book, the highly acclaimed thought leader and longtime English translator of His Holiness the Dalai Lama shows us that compassion can bring us even more. Based on the landmark course in compassion training Jinpa helped create at Stanford Medical School, *A Fearless Heart* shows us that we actually fear compassion. We worry that if we are too compassionate with others we will be taken advantage of, and if we are too compassionate with ourselves we will turn into slackers. Using science, insights from both classical Buddhist and western psychology, and stories both from others and from his own extraordinary life, Jinpa shows us how to train our compassion muscle to relieve stress, fight depression, improve our health, achieve our goals, and change our world. Practical, spiritual, and immediately relevant, *A Fearless Heart* will speak to readers of *The Art of Happiness* and *Wherever You Go, There You Are*--Provided by publisher.

Taking the Leap Shambhala Publications

Many of us, without even realizing it, are dominated by fear. We might be aware of some of our fears—perhaps we are afraid of public speaking, of financial hardship, or of losing a loved one. Chögyam Trungpa shows us that most of us suffer from a far more pervasive fearfulness: fear of ourselves. We feel ashamed and embarrassed to look at our feelings or acknowledge our styles of thinking and acting; we don't want to face the reality of our moment-to-moment experience. It is this fear that keeps us trapped in cycles of suffering, despair, and distress. Chögyam Trungpa offers us a vision of moving beyond fear to discover the innate bravery, trust, and delight in life that lies at the core of our being. Drawing on the Shambhala Buddhist teachings, he explains how we can each become a spiritual warrior: a person who faces each moment of life with openness and fearlessness. "The ultimate definition of bravery is not being afraid of who you are," writes Chögyam Trungpa. In this book he offers the insights and strategies to claim victory over fear.

Peace Is Every Breath Shambhala Publications

Instant bestseller: Buddhist teacher Pema Chödrön shares life-changing practices for living with wisdom, confidence, and integrity amidst confusing situations and uncertain times We live in difficult times. Life so often seems like a turbulent river threatening to drown us and destroy our world. Why, then, shouldn't we cling to the certainty of the comfortable—to our deep-seated habits and familiar ways? Because, Pema Chödrön teaches, that kind of fear-based clinging keeps us from the infinitely more powerful experience of being fully alive. The Buddhist teachings she presents here—known as the “Three Commitments”—provide a treasure trove of wisdom for learning to step right into the unknown, to completely and fearlessly embrace the groundlessness of being human, for people of all faiths. When we do, we begin to see not only how much better it feels to live an openhearted life, but we find that we begin to naturally and more effectively reach out to help and heal all those around us.

Apolo Ohno shares his most valuable lessons for overcoming challenges with resilience, creativity, and purpose. In speed skating, a hard pivot is an aggressive shift of direction that requires courage, practice, and split-second timing. For Apolo Ohno, the most frightening hard pivot of his life didn’t happen on the ice—but rather, when he had to hang up his skates for good. “After my final Olympics, I felt confused, vulnerable, and adrift without purpose,” he says. “Yet that’s when I realized my experiences had given me something much more valuable than medals and memories. I had tools I could use to shift my life in a

new direction—and most importantly, these were tools anyone could benefit from.” With *Hard Pivot*, Apolo combines practical guidance, personal stories, and deep insights from the psychology of success into a resource to help you through challenging times. Here he shares his most valuable lessons and tools, condensed into the Five Golden Principles: • Gratitude: A daily practice to help you maintain perspective, cultivate empathy, and alleviate stress • Giving: How to elevate your life’s purpose by offering your time, attention, and resources to others • Grit: Exercises to build mental stamina, resilience, and toughness to persevere through hard times • Gearing Up: Ways to prepare yourself to meet the unknown with flexibility and grace • Go: Develop the courage to take risks, learn from success and failure, and come back stronger When life drastically changes—whether by choice or circumstance—the hardest part is often letting go of what was familiar and stable. Yet in *Hard Pivot*, Apolo provides the tools and inspiration to create a new life filled with greater purpose, wisdom, and joy. “You can trust yourself,” he writes. “You can lean into the curve, pick up momentum, and speed down the track to success. In that pivotal moment, you might even find that you’re having the most fun you’ve ever had. You’re in flow. You’re enjoying your precious life. And you’re winning.”

Fear, the most powerful force in our life, is the least understood. Every one of us experiences it. Many arrange their lives to avoid it. Yet nearly every one of us needs to find more fear. Most of us know fear as the unwanted force that drives phobias, anxieties, unhappiness, and inhibits self-actualization. Ironically, fear is the underlying phenomenon that heightens awareness and optimizes physical performance, and can drive ambition, courage, and success. Harnessing fear can heighten emotional intelligence and bring success to every aspect of your life. Neuroscience and current research on how the brain processes and uses fear have torn the lid off the possibilities of human performance; yet most people are not reaching their complete potential because of a psychological roadblock Sweeney calls the Fear Frontier. Identifying your Fear Frontier and addressing it, Sweeney illustrates in these pages, is the path to success, happiness and fulfillment in almost all aspects of your life. He also provides the most effective steps toward rewiring your mind for a healthier longer life based on courage. *Fear is Fuel* is a practical guide that

instructs everyday readers, business & military leaders, activists, humanitarians, and educators on a unique path toward translating fear into optimal living. By facing fears, and challenging new ones, readers can harness the power of unique motivations to achieve more, experience more, and enjoy more. The path to a fulfilling life is not to avoid fear but to recognize it, understand it, harness it, and unleash its power.

According to the Buddha, no one can attain basic sanity or enlightenment without practicing meditation. The teachings given here on the outlook and technique of meditation provide the foundation that every practitioner needs to awaken as the Buddha did. Trungpa teaches us to let go of the urge to make meditation serve our ambition; thus we can relax into openness. We are shown how the deliberate practice of mindfulness develops into contrived awareness, and we discover the world of insight that awareness reveals. We learn of a subtle psychological stage set that we carry with us everywhere and unwittingly use to structure all our experience—and we find that meditation gradually carries us beyond this and beyond ego altogether to the experience of unconditioned freedom.
