When hunky star basketball player Cory and gorgeous smart girl Alejandra are chosen to star in Miss Farkus' winter musical, their story seems suspiciously similar to a certain popular film...and one lawyer won't stand for it. But a potential lawsuit is the least of the cast's problems: money is running out, and the depressing script doesn't seem likely to generate sales. Luckily, an Ancient Mayan exchange student has written a blockbuster musical disaster -- and it's guaranteed to be the most volcanic, destructive, and lucrative musical any high school has ever seen.

In an age when the right wing manipulates the dialogue around women's issues to separate middle- and upper-class women from their poorer sisters this book's facts, figures, and analysis provide a much needed antidote.
