Narwhal's School of Awesomeness (A Narwhal and Jelly Book #6) Random House Books for Young Readers

"Hilarious and charming. The most lovable duo since Frog and Toad." --NYT-bestselling creator of the Dog Man and Captain Underpants series, Dav Pilkey Narwhal's obsession with his new favorite food leads him into hijinks and hilarity in the third book of this all-star early graphic novel series! Narwhal and Jelly are back and Narwhal has a new obsession . . . peanut butter! He's so obsessed he even wants to change his name to . . . that's right . . . Peanut Butter! Ever-sensible Jelly isn't so sure that's the best idea, but is all for Narwhal trying new things (instead of just eating waffles all the time, no matter how delicious waffles are). In this third book, Narwhal and Jelly star in three new stories about trying new things, favorite foods and accepting who we are. Always funny and never didactic, this underwater duo charms again through their powerful combination of positive thinking, imagination and joyfulness.

"Kids will love this tiny little protagonist who dares to dream big." —Booklist "The little narwhal from *Strictly No Elephants* gets her own story...Equally good as a stand-alone or for fans of the first book." —School Library Journal In this charming companion to the award-winning picture book *Strictly No Elephants*, a tiny narwhal discovers that sometimes the difference between staying home and a big adventure is a group of loving friends. Red front door. Potted plant. Umbrella stand. Piano. Red front door. Potted plant. Umbrella stand. Piano. That's what the world looks like from inside Tiny Narwhal's fishbowl. It's not very exciting. She dreams of the world beyond: endless blue sky, tall buildings, a bridge. But Tiny Narwhal hasn't any feet and doesn't know the street names. And what if it's cold outside? What this little narwhal does have, though, are good friends. With the help of her boy and his friends, plus a penguin, bat, and giraffe, Tiny Narwhal finally feels brave enough to go on an adventure. Someday, Narwhal features the same adorable cast of pets and sweet, lyrical language as Lisa Mantchev's beloved *Strictly No Elephants*.
