SAT Prep Plus 2021 Barron's Educational Series

Updated with more memory tips, expanded review exercises, and an alphabetical word index, the new edition of this popular vocabulary-building book presents and defines more than 365 words that frequently appear on SAT exams. The book is divided into 35 lessons, each lesson consisting of a word cluster. Each cluster contains words that have similar meanings or apply to similar circumstances. For instance, students encounter the words conciliate, mediate, and mitigate, and learn how they have different meanings that can sometimes be confused. A review exercise follows every five lessons with questions that closely reflect those found on the actual SAT.
