Mattias Långström. Astral projection, or as the English call it OBE (Out-of-Body-Experience), has millions of followers around the world. These followers believe that the soul is really separate from the body and that it is possible to detach oneself to a 4th dimension. The 4th dimension is a fantastic world where you can fly around and explore the earth or create whatever you want to create from the imagination. To enable Astral travel, the chakras must be balanced and active. Ajna chakra, which is physically connected to the pineal gland, must be activated and cleansed so that you can become aware of the impressions and experiences you get to experience during the journey.

This book, 'Time Traveling is about Astral Projection into the past, present and future. Witnessing the truth about event, while traveling through time and space. The soul or consciousness extending far beyond the physical realm like a light beaming through the cracks, while being propelled by God into unknown adventures. Causing the soul to gather truth concerning certain events, as in the case of the holy Prophet Enoch (AS), who learned Astronomy from the Angels. During the course of Time Traveling, the soul becomes a witness to many strange things and events, unknown to the

average person. The soul learns of many true facts, such as Heaven and Hell, and the questioning in the grave. Facts which are not yet proven by humans, but yet exist. These true facts are taught by Angels and those who have already pass on to the after life. Astral Projection or astral travel is an out-of-body experience called OBE. The soul or consciousness has the ability to assume the existence of an Astral or Etheric body, with only a silver cord or rope connecting it to the physical body. Thus, the soul or consciousness can travel outside the physical realm into the Astral and Celestial realms of time and space. The idea of time travel is rooted in all religions concerning the after life in which the soul is rewarded or punished for the deeds of the physical body and

mind. It take a great deal of self-control, pure foods and a lot of meditation (prayer) to reach the stage of the energy frequency of light, in order for one to do such space and time travel. Often, Almighty God gifts the pure soul with a special glad tidings for their spiritual growth. God then helps the pure soul to draw closer to Him, i.e. His obedience. The successful time traveler finds much rest and peace of mind after learning these true facts, and while drawing close to the Divine Love of God (Qur'an 89:27-30). It at this point that God sends Angels to bring that soul of peace the Glad-Tidings that God is pleased with it. That is truly something to aspire for.

This amazing book will show you how, with the help of certain Spiritual

Travelers you can leave your physical body and venture into various worlds of Heaven and even reach true Self and God Realization like some Saints and Mystics have done for thousands of years! Here three Ancient VARDAN (Spirit) Masters: Rebazar Tarzs, Yaubl Sacabi and Kata Daki give us their timeless wisdom and message of hope for mankind in the form of the advanced methods of Out-of-Body Tuza (Soul) Travel that goes beyond so-called Astral Projection, Prayer, Meditation, the reading of books, Reincarnation and the endless practice of religious rituals, into the very experience of the various levels of Heaven culminating in the experience of Total Awareness also known as God Realization! Nothing can stop those who are Bold, Adventurous, Cunning and

Resourceful and desire truth above all else! It is only the individual who in the end can hold himself or herself back from God. The Author, Allen Feldman has been practicing Out-of-Body Tuza Travel for over thirty-three years and is a VARDAN Master himself. Most of the book contains dialogue from the Ancient VARDAN Masters as given to the Author in the course of three weeks. In this amazing book we learn the difference between the lower worlds that are mixtures of Matter, Energy, Time and Space and the Higher Worlds of pure Divine Spirit (VARDAN). The Ancient VARDAN Masters, explain the vast heavenly worlds from the Astral Plane and its various sub-planes moving upwards through the Causal Plane, (area of Memory), Mental Plane (area of Mind)

and Etheric Plane (area of Unconscious) describing each one and how to reach it. These Ancient Masters who still maintain their physical bodies, some for thousands of years, then cover how to cross the Great Void into the Atma Lok or Soul Plane, the first of the true Pure Positive God Worlds where one reaches true Self-Realization and Spiritual Liberation! From there we learn what exists above even this and finally discuss the very Ocean of Love and Mercy where dwells God or what is known as the HURAY ITSELF! There is little or nothing that really can be said about the HURAY (God) other than that IT must be experienced through the act of Out-of-Body Projection also known as Tuza (Soul) Travel! The Masters give instructions and guidance pointing out

the pitfalls and methods that can be practiced in as little as forty minutes per day. We learn that Metaphysics, Religion, the Occult, Meditation, Science, Philosophy, the so-called New Age Movement and the like, have it all wrong! They are worshipping some form of the negative power which is also known as the Universal Mind Power, the Brahm, Kal, Jehovah, Lord God. It has countless names but it is a dichotomy or mixture that contains opposites of Good and Evil, Light and Dark, Mountains and Valleys, Love and Hate. It is not pure Spirit but a mixture of Spirit, Matter and Mind. In order to know truth, Soul must go beyond its mental body, in fact Soul must go beyond all of its five lower embodiments in order to find truth! We find we are Soul and know through direct

perception, SEEING, KNOWING and BEING and are destined to become conscious co-workers with God. In this book we learn how to link up to the Audible Life Stream or VARDAN that, with the help of the true Spiritual Travelers, bring us consciously into the various levels of heaven culminating in true God Realization so that we too may eventually become a true Spiritual Traveler ourselves! It does not demand physical, emotional or mental perfection but only a great desire for Truth as a drowning man desires air! Truth is experienced and not just thought about, emotionalized about, philosophized about or theorized about. This book will set one on the very path of Experiencing truth at a level most dare not go! The very heart of our eternal self and of God

ITSELF!
