Bonsai, the art of growing a tree in miniature, has fascinated and captured the imaginations of people worldwide for hundreds of years. This book will show you how to establish a collection, from first tree acquisitions to quickly creating your own bonsai from ordinary garden material. Step-by-step demonstrations, real examples and helpful advice then ensure you can develop and refine your trees in line with your aspirations. Key coverage includes: both indoor and outdoor bonsai; the best equipment and materials to use; the established bonsai styles and the different approaches required for various tree species; detailed advice on how to keep your tree strong and healthy; guidance on watering, positioning, feeding, pests and problems and an analysis of roots and the process of repotting. There are separate detailed chapters on trunks, branches and twigs with guidance on design considerations; practical styling

techniques; bonsai aesthetics, including sources of inspiration, tree styling and pot choice, and finally, detailed case studies, spanning many years, documenting the development of a range of trees.

Bonsai—the Japanese art of training plants to form elegant sculptures—is an age-old craft that appeals to gardeners and non-gardeners alike. Bountiful Bonsai presents a radical, new approach that applies bonsai techniques to everyday container gardening, instantly turning houseplants and herbs into beautiful and unusual bonsai sculptures! Bonsai expert Richard Bender not only expects his plants to look good but also expects to yield pleasant fragrances, fresh herbs and fruits for his table. He shows readers how to create "instant bonsai" by shaping a range of common house plants, including: Fragrant hibiscus and jasmine Kitchen herbs such as rosemary and thyme Luscious fruits like cherries and oranges Medicinals such as tea tree and camphor laurel This beautifully illustrated volume provides all the information you need to get started, from plant choice advice to care requirements and bonsai "carving" tips. Suitable for indoor gardening, or shaping exquisite bonsai fruit trees for outside gardens, Bender turns a finicky art into a hobby accessible to all. Bonsai have graced Japanese homes for centuries; now they can yield useful crops that will simultaneously satisfy your artistic sensibility and also provide some wonderful meals!
