Pitch Anything: An Innovative Method for Presenting ... Summary of Pitch Anything by Oren Klaff Making a great and winning pitch in business is not easy. Be it selling your idea to the investors, or to your clients conveying your thoughts in the best possible way seems complicated. Oren Klaff's Complete Pitch Anything Summary in 12 minutes Oren Klaff tells us that the "frame control" approach to pitching he describes in Pitch Anything was motivated by his distaste for the earlier approaches that focused on putting maximum pressure on the person you're pitching to. But throughout Pitch Anything he uses violent and combative metaphors, like "crushing your target's frame". Pitch Anything: An Innovative Method for Presenting ... "One thing that happened when I joined Pitch Mastery that I didn't expect was for Oren to help me turn the tables and understand that money is a commodity. That changed everything for me. I knew what to do approaching these big companies. It changed my entire approach." Seven HUGE Lessons on B2B Sales from Pitch Anything's Oren ... Review: Pitch Anything by Oren Klaff Pitch Anything is a fascinating book. It's about how to pitch, but much of it is about everything around the pitch - prospects who keep you waiting, decision makers who leave early, or even executives who sit drawing pictures while you are talking to them. Review: Pitch Anything by Oren Klaff | BrightCarbon When it comes to delivering a pitch, Oren Klaff has unparalleled credentials. Over the past 13 years, he has used his one-of-a-kind method to raise more than \$400 million - and now, for the first time, he describes his formula to help you deliver a winning pitch in any business situation. Pitch Anything (Audiobook) by Oren Klaff | Audible.com Oren Klaff is a veteran investment banker, and illustrates these principles with vivid stories of high-stakes deals. Some pitches go well, and some of them are disasters. Klaff doesn't sugarcoat his mistakes, which serve as excellent examples of what not to do. Pitch Anything has fundamentally changed how I think about the sales process. Parts of the book are disconcerting, but in the best way possible: the human brain undeniably works in particular ways, regardless of how we might prefer it ...
