 Anuroop Sebastian explores the theme of "e;true"e; vs. counterfeit, or "e;fake,"e; love and explains how the reader can identify the real thing by following the example of Jesus. In John 2:24, Jesus rejects the praises of a certain group of people. Their praises appear to be genuine but Jesus knows that they are simply flattering Him. Yet when Mary pours expensive perfume on His feet, he accepts her love (John 12:1-8). Jesus had the ability to discern the true nature of others by listening to their hearts instead of listening to their words or following their actions! The author will show how the Bible gives readers the wisdom to recognize their true friends and safeguard themselves from toxic relationships.

*Blind with Love* Beachfront Press  
 Excited and full of the confidence of youth, totally blind Ruth arrived in London, England, to study Physiotherapy. She spoke the same language, was domestically independent, and had good mobility skills: how hard could this be? As it turns out, far more difficult than she could have ever imagined, but Ruth was determined to succeed. People who are blind face many challenges, but perhaps the biggest obstacle is the low expectations of others. You can let those who don't understand you define who you are, or you can ignore them and follow your dreams—as Ruth did. "Love is Blind" is the memoir of Ruth Vallis. Blind before the age of 3, Ruth was the youngest pioneer of integration in the public school system in Canada, blazing

a trail for many to follow. At every stage of her extraordinary life, Ruth defied the low expectations of others, and took on such challenges as biking from Ottawa to Toronto, completing a Master's of Science degree online before technology accessibility was legislated, and more. Through it all there was her tender, tough-loving mother, Peach, offering encouragement, support and humour to overcome enormous challenges. Discover the power of women working together for good. See how obstacles can become stepping stones. Laugh, cry and be inspired!

 Amy Bloom was nominated for a National Book Award for her first collection, *Come to Me*, and her fiction has appeared in *The New Yorker*, *Story*, *Antaeus*, and other magazines, and in *The Best American Short Stories* and *Prize Stories: The O. Henry Awards*. In her new collection, she enhances her reputation as a true artist of the form. Here are characters confronted with tragedy, perplexed by emotions, and challenged to endure whatever modern life may have in store. A loving mother accompanies her daughter in her journey to become a man, and discovers a new, hopeful love. A stepmother and stepson meet again after fifteen years and a devastating mistake, and rediscover their familial affection for each other. And in "The Story," a widow bent on seducing another woman's husband constructs and deconstructs her story until she has "made the best and happiest ending" possible "in this world."

Michael Hawkins is mature, rich, and drop-dead sexy. He is also gay. And, for some strange reason, he wants me to be his pretend girlfriend in exchange for a big sum of money. He has one condition, though: I cannot get close to a man, or be seen with one during the one year I'm contracted with him. I thought it'd be a piece of cake, until I meet his two grown-up, gloriously handsome sons, who won't take no for an answer, including from me. I'll not fall for their cheap tricks even if it means I have to close my eyes each time I see them. And each time I close my eyes, I imagine their naked bodies doing sinful acts on mine. God help me before my physical urges get the best of me, and the contract blows up in my face.

The issues that make monogamous dating daunting for people of color—shaming and exclusion by white

partners, being fetishized, having realities of everyday racism ignored—occur in polyamorous relationships too, and trying "not to see race" only makes it worse. To make polyamorous communities inclusive, we must all acknowledge our part in perpetuating racism and listen to people of color. Love's Not Color Blind puts forward the framework—through research, anecdotal testimony, and analogy—for understanding, identifying, and confronting racism within polyamorous communities.

Shy high schooler Kyle Jamieson and Hailey Bosler, a musician with degenerative blindness, team up to tackle a bucket list of greatest fears in this compelling novel that explores what it means to take risks. It starts with a list of fears. Stupid things really. Things that Hailey shouldn't worry about, wouldn't worry about if she didn't wake up every morning with the world a little more blurry. Unable to see her two moms clearly. Unable to read the music for her guitar. One step closer to losing the

things she cares about the most. For a while, the only thing that keeps Hailey moving forward is the feeling she gets when she crosses something off the list. Then she meets Kyle. He mumbles—when he talks at all—and listens to music to drown out his thoughts. He’s loaded down with fears, too. So Hailey talks him into making his own list. Together, they stumble into an odd friendship, helping each other tackle one after another of their biggest fears. But fate and timing can change everything. And sometimes facing your worst fear makes you realize you had nothing to lose after all.

**Blind Love Still Cant See Me** Becca Jameson Publishing

So many of us miss out on love because we fear what others may think about what we should do or whom we should love. When we find love, we should close our eyes because it's not to be seen. It's to be felt. Love is a human emotion set apart from race, creed or color. It's not what or who we were. It's who we have become. Love changes the way we think and what we believe. It's an emotion that comes briefly for some, but for others, it lasts a lifetime. This book was written for those who treat love as though it were clothing, something we try on and discard if it doesn't fit. For those who believe love can be put on hold until we decide it's time and for those who look for love only after looking at race, know this. Love has no time limit. It has no color. It's blind-blind to the outer body. It only sees what's

inside. It reacts on feelings, something the eyes can never see. That, my friend, is Blind Love.

Brodie Moncur is a piano tuner, as brilliant in his own way as John Kilbarron, the pianist Brodie accompanies on all of

his tours. It is a luxurious life, and a level of success Brodie could hardly have dreamed of growing up in a remote Scottish village, in a household ruled by a tyrannical father. But Brodie would gladly give it all up for the love of the Russian soprano Lika Blum: beautiful, worldly, seductive-- and consort to Kilbarron. Brodie's passion for Lika only grows as their lives become increasingly more intertwined, more secretive, and, finally, more dangerous. What Brodie doesn't know about Lika, and about her connection to Kilbarron and his sinister brother, Malachi, eventually tests Brodie's ability, and will, to survive. -- adapted from publisher info.

The moment I heard Ryder's voice I was a goner. As a photographer, I was used to working with beautiful people, but Ryder Williams was the most perfect male specimen that had ever stood before me. I knew without a doubt it would take no time at all for him to be the next big thing... or for him to steal my heart. Model and photographer, we shouldn't cross that line, but there was no stopping the passion we felt. Nothing else mattered. Not the age difference. Not that he was a client. Not even our pasts. After my assistant caught us together, he was gone. I tried to put him out of my head, until fate threw him back into my life and my bed. Time and time again we're brought together,

should I keep fighting or finally accept what my heart wants? The Model is a stand-alone in the Love is Blind series. The series has crossover characters from each novel. It is not required to read the books in order, but it is recommended to enhance the reading experience.
