SHANIYA DANIELA

Homeland: Series 3 Crown
Francis Ford Coppola's career has spanned five decades, from low budget films he produced in the early 1960s to more personal films of recent years. Because of the tremendous popular success of *The Godfather* and the tremendous critical success of its sequel, Coppola is considered to be one of the best directors

of all time. The entries in this encyclopedia focus on all aspects of Coppola's work—from his early days with producer Roger Corman to his films as the director of the 1970s. This extensive reference contains material on all of the films Coppola has played a role in, from screenwriter to producer to director, including such classics as *Patton*, *The Godfather*, *The Conversation*, *The Godfather Part II*, and *Apocalypse Now*. Each entry is followed by a bibliography of published sources, both in print and

online, making *The Francis Ford Coppola Encyclopedia* the most comprehensive reference on this director's body of work. **A Novel** Hal Leonard Corporation
When her father finally sets a wedding date, eighteen-year-old Veronica convinces her best friends to head for Los Angeles to try to make their dreams come true, but her weight and inexperience make it hard for the aspiring actress even to get auditions. **A Novel** Dramatists Play Service, Inc.
The same week his private equity firm

forced massive layoffs at a national grocery chain, Rick Hannel threw himself an extravagant engagement party, setting off a publicity nightmare. Fortunately, Seth, one of Rick's partners, has a dream of a deal to invest in an American-made luggage company for a song that will rescue his boss from the PR disaster. But Jenny, Rick's other partner, has an entirely different plan: to maximize returns, no matter the consequences. The game is on in this gripping, razor-sharp play about the price of success and the real cost of getting the deal done.

Understanding Romeo and Juliet

Greenwood Publishing Group

A darkly luminous new novel from the Pulitzer Prize-winning author of *The Hours* Michael Cunningham's luminous novel begins with a vision. It's November 2004. Barrett Meeks, having lost love yet again, is walking through Central Park when he is inspired to look up at the sky; there he sees a pale, translucent light that seems to regard him in a distinctly godlike way. Barrett doesn't believe in visions—or in God—but he can't deny what he's seen. At the same time, in the not-quite-gentrified Bushwick neighborhood of Brooklyn, Tyler,

Barrett's older brother, a struggling musician, is trying—and failing—to write a wedding song for Beth, his wife-to-be, who is seriously ill. Tyler is determined to write a song that will be not merely a sentimental ballad but an enduring expression of love. Barrett, haunted by the light, turns unexpectedly to religion. Tyler grows increasingly convinced that only drugs can release his creative powers. Beth tries to face mortality with as much courage as she can summon. Cunningham follows the Meeks brothers as each travels down a different path in his search for transcendence. In subtle, lucid prose, he demonstrates a profound empathy for his conflicted characters and a singular understanding of what lies at the core of the human soul. *The Snow Queen*, beautiful and heartbreaking, comic and tragic, proves again that Cunningham is one of the great novelists of his generation.

Everyone should know about her, what she did, what she went through. her fingernails forcibly removed her fingernails forcibly removed Mariele's medals were given to her because she almost died for her beliefs, almost died to help others. To help future generations, to help me, a complete stranger. So that I could have a future, so that I could swim fast. And where are her medals? Not out on display. If that had been me, if I'd been in her place, would I have survived? Once a competitive swimmer and sister of Eilidh Child, who won a silver medal for Scotland in the Commonwealth Games, Catriona Child understands the amazing highs and

devastating lows of professional sport. In Swim Until You Can't See Land, 20-year-old Hannah is forced to give up her professional swimming career. Facing an empty future, she meets Mariele and is astonished to learn of her courage as a WW2 agent in occupied France. her fingernails forcibly removed her fingernails forcibly removed

Dry Powder Cambridge University Press While his parents are in Geneva, sixteen-year-old Dan spends his last year of high school living with his twenty-two-year-old bass-playing aunt, Jacq, and her beautiful friend Naomi, whose active lovelife is audible through the wall between their bedrooms. The Screen Adaptations series provides an in-depth look at how classic pieces of literature have been adapted for screen. It assesses the ways in which alternative screen interpretations offer up different readings of the original text as well as the methodologies and approaches of filmmakers. Each title in the series collects

together a vast array of study material, critical insight and thought-provoking comparisons - from literary context to the afterlife of the screen versions.

Shakespeare on Film is a huge area of study and Romeo and Juliet is one of his most popular plays with many teachers using film versions as a way of approaching the text. Focussing in the main on West Side Story and Baz Luhrmann's Shakespeare's Romeo & Juliet, this is a unique and comprehensive insight into the adaptation process providing a vital study aid for students.

An Encyclopedia ECW Press

A smart, engaging investigation of the show that brought real teens to TV My So-Called Life lasted only 19 episodes from 1994 to 1995, but in that time it earned many devoted viewers, including the showrunners who would usher in the teen TV boom of the late 1990s and the new millennium. With its focus on 15-year-old Angela Chase's search for her identity, MSCL's realistic representation of adolescence on TV was groundbreaking; without her there would be no Buffy or Felicity, Rory Gilmore or Veronica Mars. The series' broadcast coincided with the arrival of third-wave feminism, the first feminist movement to make teen voices a priority, and Angela became their small-screen spokesperson. From her perspective, MSCL explored gender, identity, sexuality, race, class, body image, and other issues vital to the third wave (and the world). To this day, passionate fans dissect everything from what Rickie Vasquez did for gay representation to what Jordan Catalano did for leaning, and Soraya Roberts makes an

invaluable contribution to that conversation with *In My Humble Opinion*.

Remembering My So-called Life

Edinburgh University Press

A rich collection of commentary and primary documents that will enhance the reader's understanding of Shakespeare's *Romeo and Juliet*.

Light Years Hal Leonard Corporation

All 12 episodes from the third season of the critically acclaimed US drama centred around the lives of former US Marine Nicholas Brody (Damian Lewis) and CIA agent Carrie Mathison (Claire Danes). After the bombing of the CIA headquarters of Langley, Brody is declared missing and deemed the prime suspect for the attack. As Carrie is suspected of helping Brody carry out the attack she is placed in a psych ward where mental health professionals can keep an eye on her. The plot thickens as Brody is rescued by a Venezuelan drug gang who take him in and make him one of their own. The episodes are: 'Tin Man Is Down', 'Uh ... Oh ... Ah ...', 'Tower of David', 'Game On', 'The Yoga Play', 'Still Positive', 'Gerontion', 'A Red Wheelbarrow', 'One Last Thing', 'Good Night', 'Big Man in Tehran' and 'The

Star'.

Celebrates the life and work of Danes who first became well-known from her role in "My So-Called Life" and has since starred in over ten major motion pictures.

All about Vee Tebbo

Explores the place of Shakespeare in relation to artistic practices and activities, past and present. This substantial reference work explores the place of Shakespeare in relation to cultural processes that take in publishing, exhibiting, performing, reconstructing and disseminating. The 30 newly commissioned chapters are divided into 6 sections: * Shakespeare and the Book* Shakespeare and Music* Shakespeare on Stage and in Performance* Shakespeare and Youth Culture* Shakespeare, Visual and Material Culture* Shakespeare, Media and Culture. Each chapter provides both a synthesis and a discussion of a topic, informed by current thinking and theoretical reflection.

Mother Jones Magazine Random House
The New York Times Bestseller Recently

retired WWE superstar AJ Mendez Brooks is a powerhouse—strong, quirky, and totally confident. But that wasn't always the case. With humor and tremendous heart, she opens up for the first time about her harrowing struggle to understand her demons and the diagnosis that helped her gain control over her life. Everything I was told should be my greatest insecurities and weaknesses, everything that I've been labeled—SHORT, NERDY, SKINNY, WEAK, IMPULSIVE, UGLY, TOMBOY, POOR, REBEL, LOUD, FREAK, CRAZY—turned out to be my greatest strengths. I didn't become successful in spite of them. I became successful because of them. Growing up AJ was a quiet girl trying to act "normal" when she felt anything but. As her family struggled with drug addiction, poverty, and mental illness, she found escape through comic books and video games, and was inspired by the tough and unconventional female characters. It wasn't until she discovered pro wrestling that she learned superheroes could be real. Determined to become the superhero she'd always admired, AJ trained and sacrificed for years to achieve her dream of wrestling professionally. Yet

she quickly faced industry pressure to play the role of the damsel in distress and to dress more provocatively to cater to male fans. But she fought back and created an ass-kicking alter ego that was a genuine representation of herself: nerdy, enthusiastic, and a little bit crazy. With humor and tremendous heart, AJ opens up for the first time about her harrowing struggle to understand her demons and the mental illness diagnosis that helped her gain control over her life. What most people view as a hardship, AJ embraced as inspiration for her superhero persona, shattering the stigma attached to mental illness. Charting her journey from a scrappy girl in an unstable home to an empowered wrestling champion, *Crazy Is My Superpower* is an unflinchingly honest story and brave confessional about her long road to self-acceptance.

Princess Mononoke (1997) is one of anime's most important films. Hayao Miyazaki's epic fantasy broke domestic box office records when it came out in Japan, keeping pace with the success of Hollywood films like *Titanic* (1997). *Princess Mononoke* was also the first of Studio Ghibli's films to be distributed outside Japan as part of a new deal with Disney subsidiary Buena Vista International. Coinciding with the 20th anniversary of the release of the film, Rayna Denison curates this new collection to critically reflect on *Princess Mononoke*'s significance within and beyond Japanese culture. The collection investigates the production, and re-production, processes involved in the making of *Princess Mononoke* into a global phenomenon and reevaluates the film's significance within a range of global markets, animation techniques, and cultures. In revisiting this undeniably important film, the collection

sheds light on the tensions within anime and the cultural and social issues that *Princess Mononoke* explores, from environmental protection to globalization to the representation of marginalized groups. In this remarkable new collection, *Princess Mononoke* is examined as a key player during a major turning point in Japanese animation history.

Claire Danes Andrews McMeel Publishing
This book "renders the singular arc of a woman's life through letters Mary-Louise Parker composes to the men, real and hypothetical, who have informed the person she is today. Beginning with the grandfather she never knew, the letters range from a missive to the beloved priest from her childhood to remembrances of former lovers to an homage to a firefighter she encountered to a heartfelt communication with the uncle of the infant daughter she adopted"--
