After forming a coalition of human resistance against the enemy invasion, Dalinar Kholin and his Knights Radiant have spent a year fighting a protracted, brutal war. Neither side has gained an advantage, and the threat of a betrayal by Dalinar's crafty ally Taravangian looms over every strategic move. Now, as new technological discoveries by Navani Kholin's scholars begin to change the face of the war, the enemy prepares a bold and dangerous operation. The arms race that follows will challenge the very core of the Radiant ideals, and potentially reveal the secrets of the ancient tower that was once the heart of

their strength. At the same time that Kaladin Stormblessed must come to grips with his changing role within the Knights Radiant, his Windrunners face their own problem: As more and more deadly enemy Fused awaken to wage war, no more honorspren are willing to bond with humans to increase the number of Radiants. Adolin and Shallan must lead the coalition's envoy to the honorspren stronghold of Lasting Integrity and either convince the spren to join the cause against the evil god Odium, or personally face the storm of failure. The story continues in Rhythm of War Part Two. A haunting, magical story of a cursed gem and the people who suffer in its wake, set in seventeenth-century London. Most men of stature wouldn't marry their betrothed after she'd been kidnapped and forced into sexual slavery in the harem of the Great Turk, but Paul Pindar, wealthy merchant and former ambassador to Constantinople, is not most men. When Paul and Celia, finally

reunited, return to London in 1611, his house at Bishopsgate has stood empty for nearly a decade. A phalanx of carpenters, upholsterers, and gardeners have been summoned to restore it to its former glory. But all is not as it seems. Celia is frail, and their marriage, despite her longing, is childless. Traumatized by her experiences, she is unprepared for English society and the duties of managing a house with a full staff. Paul arranges for Celia's old friend, Annetta, to join them in England as Celia's companion, but Annetta arrives to find that another woman, the widow Frances Sydenham, has insinuated herself into the Pindar household. Lady Sydenham seems to have a mysterious hold over Celia and, Annetta suspects, increasingly over Paul. Who is this woman, and what

are her motives? Like everyone else, including members of the royal family and Pindar's greedy brother Rafe, she is fascinated by the Sultan Blue, the legendary diamond Pindar has brought back from the Middle East. All of London wants to get their hands on the jewel, despite the dark magic properties that are said to surround it, but Paul Pindar might be the only merchant who doesn't have a price.

**Genesis and Aftermath** HarperCollins UK

A cheeky, sophisticated, and strikingly illustrated guide that leaves generic English reference books in the dust. When prominent Barcelona-based illustrator Luci Gutiérrez found herself tuning out in English class, she used her love of drawing to help retain what she'd learned. Ditching the kind of bland and useless phrases that fill most English textbooks, Gutiérrez uses whimsical characters, cheeky dialogue, and even insults to bring vocabulary, grammar, and usage topics to life. Nearly forty-seven million people in the United States

speak a language other than English at home, and even most native speakers struggle with subtle distinctions, such as when to use "whether" as opposed to "if." (For example: I wonder whether I should have added a little more poison to his tea.) Already published to wide acclaim abroad, *English Is Not Easy* is sure to delight grammar mavens and students of English in America.

#1 NEW YORK TIMES BESTSELLER A REESE WITHERSPOON x HELLO SUNSHINE BOOK CLUB PICK A PENGUIN BOOK CLUB PICK "Beautifully written and incredibly funny. . . I fell in love with

Eleanor; I think you will fall in love, too!" --Reese Witherspoon Smart, warm, uplifting, the story of an out-of-the-ordinary heroine whose deadpan weirdness and unconscious wit make for an irresistible journey as she realizes the only way to survive is to open her heart. No one's ever told Eleanor that life should be better than fine. Meet Eleanor Oliphant: She struggles with appropriate social skills and tends to say exactly what she's thinking. Nothing is missing in her carefully timetabled life of avoiding social interactions, where weekends are punctuated by frozen pizza, vodka, and phone chats with Mummy. But everything changes when Eleanor meets Raymond, the bumbling and deeply unhygienic IT guy from her office. When she and Raymond together

save Sammy, an elderly gentleman who has fallen on the sidewalk, the three become the kinds of friends who rescue one another from the lives of isolation they have each been living. And it is Raymond's big heart that will ultimately help Eleanor find the way to repair her own profoundly damaged one.
