HOWARD FINN

Kamusi Ya Kiingereza-Kiswahili Walter de Gruyter

The Pilgrims Progress is a famous story of man's progress through life in search of salvation and remains one of the most entertaining allegories of faith ever written. Set against realistic backdrops of town and country, the powerful drama of the pilgrim's trials and temptations follows him in his harrowing journey to the Celestial City. An enormously influential 17th-century classic, universally known for its simplicity, vigor, and beauty of language. Pilgrim's Progress is read with the greatest pleasure.- George Whitefield (1714-1770) I find this book so full of matter, that I can seldom go through more than a page or half a page at a time. - John Newton (1725-1807) Next to the Bible, the book that I value most is Pilgrim's Progress. I believe I have read it through at least a hundred times... Prick him anywhere, and you will find that his blood is "bibline," the very essence of the Bible flows from him. - Charles H. Spurgeon (1834-1892) That tenderest and most theological of books is pulsating with life in every word. - J. Gresham Machen (1881-1937) Often

disguised as something that would help him, evil accompanies Christian on his journey to the Celestial City. As you walk with him, you'll begin to identify today's many religious pitfalls. These are presented by men such as Pliable, who turns back at the Slough of Despond; and Ignorance, who believes he's a true follower of Christ when he's really only trusting in himself. Each character represented in this allegory is intentionally and profoundly accurate in its depiction of what we see all around us, and unfortunately, what we too often see in ourselves. But while Christian is injured and nearly killed, he eventually prevails to the end. So can you.

Dictionary of the Kanuri Language Institute of Kiswahili Research University of Dar Es Salaam
This dictionary provides listings of Amharic language with the English translation, and visa versa.
English - Kanuri Dictionary Star Publications (P) Limited
This massive authoritative Swahili dictionary, is the most definitive and comprehensive in existence. It has taken a team of lexicographers and academics fourteen years to prepare, with the support of the Institute of Kiswahili Research in Dar es Salaam. The last comparable edition was in 1939, and was primarily intended to help the user to comprehend English texts. The dictionary records new words and meanings of words which the language has acquired since 1939; and

provides lexicographical information needed by current dictionary users. There are more than 50,000 entries, with an attempt to give every English word an equivalent in Swahili, or otherwise a phrase; and the vocabulary covers both general and specialized language. Guidance is provided on use and connotation, word formation and syntax, and derivatives and compounds of a headword are explicitly shown in each entry. The full information and arrangement given for each entry is: headword, homographs, wordclass, alternative spelling of a headword, cross-reference, gloss, definition, subject label, usage label, regional label, senses separated by numbers, illustrative examples, compounds, derivatives, and adjectival complementation.
