### **Foundations of Finance**

Cengage Learning  
For undergraduate  
courses in Corporate  
Finance. The Five Key  
Principles for the  
Foundations of Finance  
Foundations of Finance  
retains its foundational

approach to the key  
concepts of finance,  
bolstered by real-world  
vignettes, cases, and  
problem exercises.

Utilizing five principles,  
which are presented at  
the beginning of the book  
and applied throughout,  
the authors introduce a  
multi-step approach to  
financial problem solving  
that appeals to readers' at  
all levels, math and

numerical skills. As in  
previous editions, the  
Ninth Edition focuses on  
valuation and opens every  
chapter with a vignette  
based on financial  
decisions faced by  
contemporary, real-world  
companies and firms.  
Other highly useful  
features include mini  
cases, cautionary tales,  
lists of key terms, and a  
discussion of ethics.

Revised and updated, the newest edition includes new lecture videos, financial thinking, user feedback, and lessons from the recent economic crisis. Also Available with MyFinanceLab™ MyFinanceLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps

them better absorb course material and understand difficult concepts. Note: You are purchasing a standalone product; MyFinanceLab does not come packaged with this content. Students, if interested in purchasing this title with MyFinanceLab, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information. If you would like to purchase both the physical text and MyFinanceLab, search for:

 Pearson

The Workbook for  
 Foundations of Financial  
 Literacy is organized to  
 follow the textbook on a  
 chapter-by-chapter basis,  
 providing questions to  
 help the student review  
 the material presented in  
 the chapter. This  
 supplement is a  
 consumable resource,  
 designed with perforated  
 pages so that a given  
 chapter can be removed  
 and turned in for grading  
 or checking.  
Foundations of Finance  
 Pearson College Division  
 This is the eBook of the  
 printed book and may not

include any media,  
 website access codes, or  
 print supplements that  
 may come packaged with  
 the bound book.  
 FOUNDATIONS IN  
 NURSING RESEARCH, 6/e,  
 an engaging, learner-  
 friendly text, illuminates  
 all steps of the nursing  
 research process, helping  
 students critique research  
 and determine whether  
 study findings are ready  
 to apply in practice. To  
 illustrate specific aspects  
 of the research process,  
 the author extensively  
 excerpts from published  
 studies, including

research performed outside the U.S. Pedagogical features include chapter outlines, objectives, definitions of key terms, summaries, class activities, and self-tests. This Sixth Edition has been revised with up-to-date information and references throughout; more coverage of both quantitative and qualitative research; greater focus on evidence-based practice; and an all-new chapter on nursing research and health care economics. *Foundations of Finance*

Prentice Hall Focus on the financial concepts, skills, and technological applications that are critical for you in today's workplace with Ehrhardt/Brigham's CORPORATE FINANCE: A FOCUSED APPROACH 6E. With its relevant and engaging presentation and numerous examples, you will learn the latest financial developments as you also learn how to maximize a firm's value in today's changing business environment. You will master the features and functions of spreadsheets

by using chapter Excel Tool Kits, Build a Model problems, and Mini Cases that encourage "what-if" analysis on a real-time basis. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. *Personal Finance* Prentice Hall Research Methods For Business, 8th Edition explains the principles and practices of using a systematic, organized method for solving problematic issues in

business organizations. Designed to help students view research from the perspective of management, this popular textbook guides students through the entire business research process. Organized into six main themes—Introduction, Defining the Management and the Research Problem, Theory, Collecting Information, Drawing Conclusions, and Writing and Presenting the Research Report—the text enables students to develop the skills and

knowledge required to successfully create, conduct, and analyze a research project. Now in its eighth edition, this popular textbook has been thoroughly updated to incorporate substantial new and expanded content, and reflect current research methods and practices. The text uses a unique blended learning approach, allowing instructors the flexibility to custom-tailor their courses to fit their specific needs. This innovative approach combines the face-to-face

classroom methods of the instructor with internet-based activities that enable students to study what they want, when they want, at their own pace.

*Turning Money Into Wealth* John Wiley & Sons  
Gain a focused understanding of today's corporate finance and financial management with the market-leading approach in Brigham/Houston's **FUNDAMENTALS OF FINANCIAL MANAGEMENT, CONCISE EDITION, 8E.** This book's unique

balance of clear concepts, contemporary theory, and practical applications helps readers better understand the concepts and reasons behind corporate budgeting, financing, and working capital decision making. Numerous practical examples, proven end-of-chapter applications, and Integrated Cases demonstrate theory in action, while Excel Spreadsheet Models help readers master this software tool. It's a book designed to put each reader first in finance.

Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

**Fundamentals of Financial Accounting with Annual Report + Connect Plus** Pearson

Higher Ed  
Gain a solid understanding of business today and what it takes to become a better employee, more informed consumer, and even a successful business owner with the best-selling FOUNDATIONS OF

BUSINESS, 5E. This up-to-date, comprehensive survey of business highlights forms of business ownership, management and organization, human resources management, marketing, social media and e-business, information systems, accounting, and finance. Core topics and special features examine ethics and social responsibility, small business and entrepreneurship, and global issues, while new coverage addresses cutting-edge topics, such

as the impact of social media in business, the economic recovery and remaining economic issues, international business, green and socially responsible business, and sustainability. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

**Personal Finance** MIT Press

This text is written directly to the student. It introduces the student to

the concepts, tools, and applications of personal finance and investments. In order to leave a lasting impression, this book concentrates on the fundamentals and underlying principles of personal finance, rather than focusing on equations and specific tools, which are more easily forgotten. Building on the 15 Axioms of Personal Finance, the text helps the students develop an intuitive understanding not only of the process of financial planning, but also the

logic that drives it. This text is designed for a one-semester introductory course in Personal Finance at the college and university level.

Foundations of Financial Management Harcourt

Brace College Publishers

Motivate your students to study finance by focusing

on its five underlying principles. Foundations of

Finance enables students

to see the big picture by

helping them understand

the logic that drives

finance rather than having

them memorize formulas.
