NEW YORK TIMES
BESTSELLER The
complete, uncensored
history of the award-

winning The Daily
Show with Jon Stewart,
as told by its
correspondents,
writers, and host. For
almost seventeen
years, The Daily Show
with Jon Stewart
brilliantly redefined the
borders between
television comedy,
political satire, and
opinionated news

coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from

its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal

moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Daily Readings from *Become a Better You Be Your Own Sunshine* is a collection of four works by James Allen that sum up the hows, whys and whats of taming the mind and its infinite energies, of channelizing the power of positive thinking, and striking a balance between the inner world of our thoughts as against the outer world of action. As *A Man Thinketh* maps out the way in which our thoughts can affect our physical, mental, emotional and social

health. It also discusses ways in which we can use our visions and ideas to lead us to peace of mind. From *Passion to Peace* is a step by step discussion on conquering the factors within us that hinder us from achieving success. *Man: King of Mind, Body and Circumstance* aims at freeing us from the slavery of our negative and binding thoughts, enabling us to conquer our inhibitions and set our spirit free.

Foundation Stones to Happiness and Success help us lay the foundation for a stronger self, with the right balance of thoughts, speech and its implementation in action.

NEW YORK TIMES
BESTSELLER • The author of The Happiness Project and “a force for real change” (Brené Brown) examines how changing our habits can change our lives.

“If anyone can help us stop procrastinating, start exercising, or get organized, it’s Gretchen Rubin. The happiness guru takes a sledgehammer to old-fashioned notions about change.”—Parade Most of us have a habit we’d like to change, and there’s no shortage of expert advice. But as we all know from tough experience, no magic, one-size-fits-all solution exists. It takes work to make a habit, but once that habit is set, we can harness the energy of habits to build happier, stronger, more productive lives. In *Better Than Before*, acclaimed writer Gretchen Rubin identifies every approach that actually works. She presents a practical, concrete framework to allow

readers to understand their habits—and to change them for good. Infused with Rubin’s compelling voice, rigorous research, and easy humor, and packed with vivid stories of lives transformed, *Better Than Before* explains the (sometimes counterintuitive) core principles of habit formation and answers the most perplexing questions about habits:

- Why do we find it tough to create a habit for something we love to do?
- How can we keep our healthy habits when we’re surrounded by temptations?
- How can we help someone else change a habit?

Rubin reveals the true secret to habit change: first, we must know ourselves. When we shape our habits to suit ourselves, we can find

success—even if we’ve failed before. Whether you want to eat more healthfully, stop checking devices, or finish a project, the invaluable ideas in *Better Than Before* will start you working on your own habits—even before you’ve finished the book.
