CAMILLE DASHAWN

Chilton's Food Engineering Soyinfo Center
The world's most comprehensive, well
documented, and well illustrated book on
this subject. With extensive index. 28 cm.
Global Cosmetic Industry Soyinfo Center
This is the first in-depth presentation in
book form of both modified atmosphere
and sous vide food preservation and
packaging technologies and applications.

The use of these technologies with all
applicable food product categories is
examined. The authors are specialists in
these preservation/packaging methods
from North America and Europe. All
significant aspects are examined including
processes and materials, applications,
microbiological control, and regulations
and guidelines. Topics of special interest
include use of hurdles, HACCP, gas
absorbents and generators, and time-
temperature indicators. Extensive
practical reference data is economically

presented in tables.

Refrigerated & Frozen Foods Soyinfo
Center

The world's most comprehensive, well
documented, and well illustrated book on
this subject. With extensive subject and
geographic index. 245 photographs and
illustrations - mostly color. Free of charge
in digital format on Google Books

Good Packaging Soyinfo Center

The world's most comprehensive, well
documented, and well illustrated book on
this subject. With extensive subject and

geographic index. 221 photographs and illustrations - mostly color. Free of charge in digital PDF format.
