In this spiritual warfare manual, Dr. Rebecca Brown writes from seven years' experience helping deliver many, many people out of hard-core satanism. A sequel to Dr. Brown's best seller *He Came to Set the Captives Free*, this book will show you how to: Stand victoriously against Satan Deal with the dangerous New

Age teachings Recognize and deal with satanic ritualistic abuse of children Minister in the area of deliverance Handle the rarely discussed problems people face after deliverance It's shocking! It's graphic! But this is war! Do you know how Satan can use "doorways," including yoga, role-playing games, and meditation, to bring demonic destruction into your home? Satan hates you and wants to destroy you. To be victorious, you must Prepare for War.

**The Story of the Christian Church** Studies in Evangelicalism Eyewitness to the Power of the Holy Spirit! Experience the power and revelation of one of history's greatest spiritual revivals as if you were there yourself. More than an observer or historian, author Frank Bartleman participated in the Azusa Street Revival and experienced the movement firsthand. His insight into the events leading up to Azusa, the revival itself, and the impact that resulted is perhaps the most detailed account of the falling of the Holy Spirit ever recorded. Your faith will explode as you read Bartleman's challenging insights into faith-filled living from his experiences at Azusa Street. You will more fully understand... The tribulations they faced The blessings they received The Pentecostal movement that followed What God will do when desperate souls cry out for more of Him Azusa Street is not a long-forgotten story from thousands of years ago. It was a twentieth-century manifestation of the Holy Spirit, and a movement that continues to endure today! "He who believes in Me, the works that I do he will do also; and greater works than these he will do, because I go to My Father." —John 14:12 Biblical Teachings on the Last Things Wipf and Stock Publishers Examines sixteen major Bible doctrines substantiated with

numerous Scripture references. Topics include the inspired Scriptures, one true God, deity of the Lord Jesus Christ, divine healing, salvation of man, fall of man, baptism in the Holy Ghost, and new heavens and new earth.

An Expository Commentary Baker Books

Clearly covers the Book of Acts verse by verse. Unrivalled scholarship, precision language, extensive footnotes, and provocative chapter-end study questions all make this commentary a welcome study resource.

The Great Doctrines of the Bible Bloomsbury Publishing

With a strong emphasis on the scriptural basis for each doctrine—what the whole Bible teaches us today about a particular topic; clear writing, with technical terms kept to a minimum; and a contemporary approach, emphasizing how each doctrine should be understood and applied by present-day Christians, Making Sense of the Bible is required reading for understanding the relevant passages of Scripture. Topics include Canon of Scripture: the list of all books that belong in the Bible; Authority of Scripture: all words in Scripture are God's words because that is what the Bible claims for itself; Clarity of Scripture: the Bible is written so that its teachings are able to be understood by all who read it; Necessity of Scripture: the Bible is necessary for knowledge of the gospel; and Sufficiency of Scripture: Scripture contains all the words of God he intended his people to have. Written in a friendly tone, appealing to the emotions and the spirit as well as the intellect, Making Sense of the Bible helps readers overcome wrong ideas, make better decisions on new questions, and grow as Christians.

Will God's Leadership Principles Work for Me Today? What is God's pattern for success? How can I develop my full potential? How can I motivate others? How do I set goals for myself and others? God has given believers in positions of leadership the answers to these and other vital questions. Through the example of one of history's greatest leaders, Nehemiah, God has given us principles of leadership which work as effectively in today's dynamic business world as they did centuries ago. Cyril Barber brings out these biblical principles in a clear and effective way, and he applies them to our contemporary world. By examining the challenges that Nehemiah faced, and looking at how he overcame them, the author shows how you can deal with the situations you face every day. This newly revised and expanded edition includes study questions which will help you apply the principles as you learn them. This is not another management book. It is a biblical leadership training course. The principles taught are essential for all in administrative positions: businesspeople, foremen, managers, supervisors, teachers, church leaders, and even parents.

Natural theology, in the view of many, is in crisis. In this long-awaited book, Alister McGrath sets out a new vision for natural theology, re-establishing its legitimacy and utility. A timely and innovative resource on natural theology: the exploration of knowledge of God as it is observed through nature Written by internationally regarded theologian and author of numerous bestselling books, Alister McGrath Develops an intellectually rigorous vision of natural theology as a point of convergence between the Christian faith, the arts and literature, and the

natural sciences, opening up important possibilities for dialogue and cross-fertilization Treats natural theology as a cultural phenomenon, broader than Christianity itself yet always possessing a distinctively Christian embodiment Explores topics including beauty, goodness, truth, and the theological imagination; how investigating nature gives rise to both theological and scientific theories; the idea of a distinctively Christian approach to nature; and how natural theology can function as a bridge between Christianity and other faiths

Despite the fact that the Christian tradition is prevalent, if not dominant, throughout much of the Western world, there remains a considerable amount of confusion and debate over the actual doctrines that feature in this belief system. In this volume, *The Great Doctrines of the Bible*, author William Evans identifies and explains some of the most important doctrinal and dogmatic tenets of the Christian faith.

"Phoebe Palmer's *Promise of the Father* (1859) is a massive defense of women's right to preach. She attributes the long-standing prohibitions against women taking an active role in the leadership of the church to two things: bad exegesis and a distorted and un-Christian view most men had of the opposite sex. She concludes that women, acting in their legitimate sphere, were more likely than men to exhibit true piety. Based on the promise of Joel 2:28, restated by Peter at Pentecost in Acts 2:17-18, Phoebe takes God at his Word. In the 'latter days' the Holy Spirit will be given to women as well as to men, and both will be expected to pray, prophesy, and preach. No one can study the holiness movement in the middle of the last century without dealing with this important book, so long out of print " --Kenneth E. Rowe, Drew University, Madison, NJ Phoebe Palmer (1807-74) was an evangelist and writer who promoted the doctrine of Christian perfection. She is considered one of the founders of the Holiness movement in the United States and the Higher Life movement in the United Kingdom.

Winner of the Pneuma Book Award 2018, from The Society for Pentecostal Studies. Pentecostalism is the most rapidly growing branch of Christianity since the 20th century, yet it does not lend itself well to a singular doctrine and there is, therefore, no single comprehensive account of Pentecostal theology worldwide. In this volume, Wolfgang Vondey suggests an account of Pentecostal theology that is genuine to Pentecostals worldwide while allowing for different adaptation and explication among the various Pentecostal groups. He argues that Pentecostal theology is fundamentally concerned with the renewal of the Christian life identified by the transforming work of the Holy Spirit and directed toward the kingdom of God. The book unfolds in two main parts illustrating the full gospel story and theology. Eleven chapters identify the spiritual underpinnings and motivations for Pentecostal theology, formulate a Pentecostal theology of action, translate, apply, and exemplify Pentecostal practices and experiences, and integrate Pentecostal theology in the wider Christian tradition.

**MARTYRS OF THE COLISEUM** Zondervan Academic

This new printing of Louis Berkhof's classic Systematic Theology represents a publishing landmark. For the first time in its long and acclaimed history, Berkhof's monumental treatment of the

doctrines of the Reformed faith is now available together in one volume with Introduction to the Study of Systematic Theology, Berkhof's formal prolegomenon to his theology. Meant to be read together with Systematic Theology, the Introduction includes Berkhof's discussions of the nature and character of dogmatics, the methods and history of theological system, and the principia, or foundations, of theology - Scripture and God. This edition also includes a new preface by Richard A. Muller that explains both the publishing history and the relation and importance of the Introduction to the rest of Berkhof's text. Written in a concise and compact style and organized in a manner ideal for detailed study, Systematic Theology covers the full range of theology in traditional systematic fashion - examining, in order, the doctrines of God, anthropology, Christology, soteriology, ecclesiology, and eschatology. The work also includes an extensive bibliography and full indexes to the authors, subjects, and Scriptures referenced in the text. Revised and enlarged throughout his lifetime until it reached its present final form, Systematic Theology not only stands as Berkhof's magnum opus but also is widely considered to be the most important twentieth-century compendium of Reformed theology.
