Discussions are designed to expand the music cataloger's understanding of publishing practices peculiar to sheet music. While much of the content emphasizes the description of the music, there are also sections devoted to subject access to illustrations, first-line/chorus/refrain text, illustrators, engravers, and publishers, and extensive reproductions of title pages from the 18th through mid-20th centuries, accompanied by examples of the cataloging, are also included.

Who is more dangerous? An enemy? A friend? Or a lover? Bonnie Graham stands in the open door of her friend's apartment. She is alone, except for the dead body lying in a pool of blood on the floor. What happened? What will Bonnie do now? Whom can she turn to? And what role has she played in the murderous events? Bonnie is a music teacher who has spent a long, hot summer in London rehearsing with a band to play at a friend's wedding. It was supposed to be fun, but the band members find the complicated knots of

their friendships—some old, some new—unraveling as the days themselves unwind. What was meant to be a summer of happiness, love, and music turns deadly as lovers betray one another, passions turn murderous, and friendship itself becomes a crime. Everyone tells lies. But is anyone prepared to tell the truth to uncover a murderer? Nicci French, the author of eleven internationally bestselling novels including *Killing Me Softly*, *Catch Me When I Fall*, and *Losing You*, delivers a sexy, intricate thriller about the temptation of secrets, the weight of lies, and the price of betrayal and suspicion. *The Other Side of the Door* Grosset & Dunlap

Book Two is a continuation (from circa 1994) of an urban familys saga. Johnu Benin takes his mom to visit the Emerald Caribbean Isle of MONTSERRAT, where his family has deep roots. In spite of evil spiritual forces back in the States that

might thwart his progress, separate him from his beloved daughter, and even threaten his life, Johnu Benin battles those forces with the prayers and love of his guardian angels, as well as his own steel determination and musical creativity. Interspersed among the flashback-and-forth episodes in Book Two are Johnus lyrics, the music to which can be found at <http://www.cdbaby.com/Artist/BevinTurnbull>. In other words, the story can be heard and felt through its soundtrack as well as read.

**Cataloging Sheet Music** Alfred Music  
A Personal Walk with God—maybe for the first time explained in a way which

most if not all would agree—they two “were there-“ at one time or another. How decisions that were made affected the direction you either decided to or not to take that “road less traveled.” The way that seemed improbable or almost impossible. A way that you may not know its end. Something in the realm of unpredictability. Maybe that far-fetched that it could not include you—but maybe if you trust in God—just once—just this time it might work. This book is one man’s search for peace that led him through many a turmoil, yet he came out (not what the world) would call successful, but consumed by a love that was overwhelming yet sustaining, trusting and assuring that through this love, a person can and will be all that they were created for. Join him on his

journey in seeking, finding and reaching out to discover that there is Truth in and through the love of God for His people. Reach out and join this journey of a man wanting to seek eternal love.

Jim Braddock, a successful surgeon practicing in San Francisco is married to Gretchen whom he met in Germany. It is 1982 and everything seems to be going smoothly in his life. Their son, Steve, is in his senior year of high school and is aiming to follow in his fathers footsteps. His wife is interested in metaphysics, claims she believes in reincarnation, and studies theosophy. Jim looks askance on her preoccupation and dismisses it as a

fad. Unexpectedly, he suffers a serious heart attack, is rushed to the hospital and while his colleagues frantically work to save him, he is thrust into a near death experience. In it, he meets his long dead professor who shows him several episodes from two of Jims previous lives, one in 1715 France and the other in 1881 Russia. He meets the woman he loves in both incarnations and through a series of dramatic events learns that his behavior has caused inevitable consequences in each of his succeeding lives. He recovers a wiser and better man and takes his wife on a second honeymoon, humbly grateful for being given another chance at life. Tragedy strikes unexpectedly and leaves the family shattered. But after several years, his son, who is now a physician

himself, married, and is expecting a child, hears his fathers story and is stunned by what he learns. A strange event occurs, and the drama unfolds to a remarkable conclusion.
