Do you feel overwhelmed right now with all the pressures and uncertainties of life? Does the thought of your past failures, failed relationships and negative labels drag you down? Have you ever wished that you could just leave everything behind and start fresh? Are you ready to finally let go, move on and live a happy

and joyful life? If you keep bringing negative baggage from yesterday, it will eventually poison your future. You may have had an unfair past, but the truth is, you don't need to have an unfair future. You may have had a rough start in your marriage, your business, your career – but it's not how you start that matters most, it's how you finish. Let us begin the exploration of your journey towards “surrendering” in this book. And may we all find the strength to let go, the capacity to forgive, and the faith to move on.

When was the last time we really poured our feelings out to Allah? **** We have been taught that the only time we can communicate with Allah is when we are making du'a to Him. Even then, it comes with a set of restrictive rules that puts a

'barrier' between Allah and us. The things we recite are verses that we were told to memorise, but rarely do we truly talk to Allah about the troubles that are weighing down our hearts. Because it feels awkward. Thus when we are down and sad, we seek other means for comforting ourselves, but often they offer only temporary respite. We forget that true comfort lies only with Allah. **** In this book, author Ayesha Syahira takes you on a journey of spiritual discovery; of reconnecting with Allah wholeheartedly. The author focuses on nurturing the lifestyle of talking to Allah; of finding comfort by making du'a to Him at any time of the day.

From the founder and superstar CEO of DailyWorth.com, the go-to financial site for women with more than one million subscribers, comes a fresh book that shows women how to view money as a source of personal power and freedom—and live life on their own terms. Millions of women want to create financial stability and abundance in their lives, but they don't know how. They are stuck in overwhelming confusion and guilt, driven by internalized "money stories" that have nothing to do with what is really possible.

As the founder of DailyWorth.com, a financial media and education platform, Amanda Steinberg encounters these smart, ambitious women every day. With this book, she helps them face their financial situations head on and wake up to the prosperity that awaits them. *Worth* It outlines the essential financial information women need—and everything the institutions and advisors don't spell out. Steinberg gets to the bottom of why women are stressed and anxious when it comes to their finances and teaches them to stay away from strict budgeting and other harsh austerity practices. Instead, she makes money relatable, while sharing strategies she uses herself to build confidence and ease in her own financial life. Through her first-hand experiences and the stories from other women who've woken up, Steinberg's powerful and encouraging advice can help women of any age and income view money as a source of freedom and independence—and create bright financial futures.

With over 7 million copies sold worldwide, *WHAT TO EXPECT THE 1st YEAR* is one of the world's bestselling books on infant care - and it has now been updated and revised throughout by Heidi Murkoff. This comprehensive and practical month-by-month guide clearly explains everything parents need to know - or might be worrying about - in the first year with a new baby. The book covers monthly

growth and development, feeding for every age and stage, and sleep strategies that really work. It is filled with the most practical tips (how to give a bath, decode your baby's crying, what to buy for baby, and when to return to work) and the most up-to-date medical advice (the latest on vaccines, vitamins, illnesses, SIDS, safety, and more). Featuring dozens of Q&A sections, as well as a first-aid guide and charts on monthly growth and development, feeding and sleeping habits, this is the only book on infant care to address both the physical and the emotional needs of the whole family. Covering the most up-to-date knowledge, both medical and developmental, **WHAT TO EXPECT THE 1st YEAR** is, above all, down-to-earth and reassuring - and an invaluable aid for all parents of new babies.

A comprehensive text revealing the terrible history of fluoride in the drinking water, Monosodium Glutamate and Aspartame in the food supply, and the many published scientific studies that show the physical ailments these

substances trigger. This is the first book ever published that reveals the connection between MSG and the epidemic of Autism. Also included are chapters on the benefit of a natural zero calorie sweetener and a natural hormone proven to reduce breast and prostate cancer. "This is some book. The thesis, as you might guess, is that we are being poisoned. What makes it potent is that every charge and detail is footnoted; this is a work of scholarship." - Piers Anthony "The problem with this book is that it is too true, and when something is too true, the public is not ready for it." - Dr. Wayne McDermott, MD, Virginia "This book is a Bible for all those who want to eat healthier and live longer lives." - Dr. Christer Johannessen, Director of Undergraduate Physics Laboratories (retired), KTH Royal Institute of Technology, Sweden(less)

This book by International Grand Master Yasser Seirawan provides a move-by-move account of the best chess games of the last 25 years, played by the world's foremost chess competitors. With an authoritative voice that is by turns poetic and analytical, Seirawan serves as host of a fascinating excursion of the most brilliant chess game, providing highlights

into and explanations of each and every move. Seirawan begins each game with a description of the historical atmosphere of the chess world --and sometimes the world at large--at the time the game was played. When he delves into the game itself, he starts with the reasoning behind the opening moves. From there he provides both a play-by-play description of the game and an analytical commentary, all the while examining the moves in terms of place development and possible tactical and strategic opportunities. Along the way, a handful of the players are profiled in biographies. In *Winning Chess Brilliances* readers will get a taste of the most dazzling chess combinations devious strategies, and downright cruel blows as world champions risk it all! This book is truly a celebration of the sport of chess. Nota hati seorang lelaki C. M. Sutter
