[Refusing to be a Man](#) Open Road Media  
An instant New York Times Bestseller! Longlisted for the 2019 National Book Award for Fiction, the Carnegie Medal in Fiction, the 2019 Aspen Words Literacy Prize, and the PEN/Hemingway Debut Novel Award Shortlisted for the 2019 Center for Fiction First Novel Prize Winner of the 2019 New England Book Award for Fiction! Named one of the most anticipated books of 2019 by Vulture, Entertainment Weekly, BuzzFeed, Los Angeles Times, Boston Globe, Oprah.com, Huffington Post, The A.V. Club, Nylon, The Week, The Rumpus, The Millions, The Guardian, Publishers Weekly, and more. “A lyrical work of self-discovery that’s

shockingly intimate and insistently universal...Not so much briefly gorgeous as permanently stunning.” —Ron Charles, The Washington Post Poet Ocean Vuong’s debut novel is a shattering portrait of a family, a first love, and the redemptive power of storytelling On Earth We’re Briefly Gorgeous is a letter from a son to a mother who cannot read. Written when the speaker, Little Dog, is in his late twenties, the letter unearths a family’s history that began before he was born — a history whose epicenter is rooted in Vietnam — and serves as a doorway into parts of his life his mother has never known, all of it leading to an unforgettable revelation. At once a witness to the fraught yet undeniable love between a single mother and her son, it is also a brutally honest exploration of race, class, and masculinity. Asking questions central to our American moment, immersed as we are in addiction, violence, and trauma, but undergirded by compassion

and tenderness, *On Earth We're Briefly Gorgeous* is as much about the power of telling one's own story as it is about the obliterating silence of not being heard. With stunning urgency and grace, Ocean Vuong writes of people caught between disparate worlds, and asks how we heal and rescue one another without forsaking who we are. The question of how to survive, and how to make of it a kind of joy, powers the most important debut novel of many years. Named a Best Book of the Year by: *GQ*, *Kirkus Reviews*, *Booklist*, *Library Journal*, *TIME*, *Esquire*, *The Washington Post*, *Apple*, *Good Housekeeping*, *The New Yorker*, *The New York Public Library*, *Elle.com*, *The Guardian*, *The A.V. Club*, *NPR*, *Lithub*, *Entertainment Weekly*, *Vogue.com*, *The San Francisco Chronicle*, *Mother Jones*, *Vanity Fair*, *The Wall Street Journal Magazine* and more!

**Discernment for times of transition and change** The Good Book Company

All humans have weaknesses. Even mythical warriors and superheroes have a weakness. For author Brian Ray Gross, that weakness is food. This creates an interesting paradox: food is intended to strengthen, nourish, and sustain—but when we consume too much, we become weakened by it. In this weakness, we cannot be the people God intends for us to be. In *Half the Man I Used to Be*, Gross shares his story about food, weight, and his weight loss journey. He tells how it all came to head in October of 2012, when he found out that he was diabetic and that his liver was failing. He was at his weakest point, and he had a choice to make: he could continue to let the weakness dictate the rest of his life, or he could seek the strength to overcome. He chose the latter, and the kind of strength he needed could only come from

God. This memoir discusses Gross's lifestyle changes and his weight loss success. His story serves to communicate there is hope for all who face the same challenges. It's not too late to regain the life you desire. You have a creator who made you in his image, and he wants the best for you. You can do this, and when you do, you'll be glad you did.

*Recovering Biblical Manhood and Womanhood (Revised Edition)*  
Duke University Press

Why Americans always elect men as presidents? It's no secret that there is a wide—and growing—gender gap in American presidential politics. Over the past thirty years, Democrats have made major gains with women, while Republicans have been doing far better with men—especially white working class men. The question is why? In *Leading Men*, Jackson Katz argues that racial politics and economic anxieties are not enough to explain the dramatic gender divide in American voting patterns. Cutting against the grain of typical analyses of the gender gap that have focused almost exclusively on women, Katz trains his focus the other way around: on the male side of the equation. He offers stunning evidence that American presidential campaigns have evolved into nothing less than quadrennial referenda on competing versions of American manhood. And in the process, he never takes his eye off what this development means for women—as both candidates and citizens. Written in an engaging style that will appeal to general readers, political experts, and activists alike, Katz explores some of the major political developments, news events and campaign strategies that have made the presidency the center of a cultural conversation about manhood over the past few decades. Ranging from the election

of the former Hollywood actor Ronald Reagan in 1980, through the election of Barack Obama in 2008, and into the 2012 campaign season, Katz zeroes in on how the very notion of what it means to be “presidential” has in many ways become synonymous with traditional definitions of manhood. Whether he is examining right-wing talk radio’s relentless attacks on the masculinity of Democratic candidates, or how fears of appearing weak and vulnerable end up shaping candidates’ actual policy positions, Katz offers a new way to understand the power of image in presidential politics. In the end, *Leading Men* offers nothing less than a paradigm-shifting way to understand the dynamics of presidential elections, and the very nature of the American presidency.

*Becoming Elisabeth Elliot* New Perspectives on the Histor

Don Heck was the co-creator of Marvel's Iron Man and the long time Avengers artist. In the 1950s Heck did a score of artistically brilliant and extremely beyond-the-pale, extremely gruesome, Pre-Code Horror comic book covers and comics. The Chilling Archives of Horror Comics now gives it's loving attention to this unsung horror master! This beautiful hardcover book sports the usual Yoe Books detailed history, rare images reproduced from original art and more mind-blowing ephemera to give a fascinating look at the dark side of Dapper Don Heck.

*Become the Man Women Want* Doubleday Books

It was a completely different experience with women, eunuchs, and men! It was a huge and complicated place. It was a place where the six countries competed for hegemony and the martial arts world surged with commotion! Does Top Four Beauties want it? No, no, no! Do you want the Five Great God Artifact? Who

would want it for free! To become a man, one needed to be such a top quality man, the fate of the world. How could Ling Tianfeng, an outsider, change such a thing? Ps1: God said, the collection of this book will be a happy life! Ps2: God also said that the man who subscribes to this book will have endless wealth and beauties.

*My Yearlong Journey to Stronger Faith and Better Health* Open Road Media

While the Church of England provides practical resources for clergy as they make changes in their ‘careers’, very little theological reflection has been done around this subject. Not all change is welcome and driving factors differ from those in secular employment. This important volume explores key questions to consider at points of transition.

**Horror By Heck** iUniverse

\*Shortlisted for the Baillie Gifford Prize for Nonfiction \*Shortlisted for the Lambda Literary Award in Transgender Memoir/Biography \*Shortlisted for the Wellcome Book Prize One of The Times UK’s Best Memoirs of 2018, BuzzFeed’s Best Nonfiction of 2018, Autostraddle’s Best LGBT Books of 2018, Book Riot’s Best Queer Books of 2018, and 52 Insight’s Favorite Nonfiction Books of 2018 From an award-winning writer whose work bristles with “hard-won strength, insight, agility, and love” (Maggie Nelson), an exquisite and troubling narrative of masculinity, violence, and society. In this groundbreaking new book, the author, a trans man, trains to fight in a charity match at Madison Square Garden while struggling to untangle the vexed relationship between masculinity and violence. Through his experience boxing—learning to get hit, and to hit back; wrestling with the

camaraderie of the gym; confronting the betrayals and strength of his own body—McBee examines the weight of male violence, the pervasiveness of gender stereotypes, and the limitations of conventional masculinity. A wide-ranging exploration of gender in our society, *Amateur* is ultimately a story of hope, as McBee traces a new way forward, a new kind of masculinity, inside the ring and outside of it. In this graceful, stunning, and uncompromising exploration of living, fighting, and healing, we gain insight into the stereotypes and shifting realities of masculinity today through the eyes of a new man.

### **Fraternity** *Becoming a ManHalf a Life Story*

Elisabeth Elliot was a young missionary in Ecuador when members of a violent Amazonian tribe savagely speared her husband Jim and his four colleagues. Incredibly, prayerfully, Elisabeth took her toddler daughter, snakebite kit, Bible, and journal . . . and lived in the jungle with the Stone-Age people who killed her husband. Compelled by her friendship and forgiveness, many came to faith in Jesus. This courageous, no-nonsense Christian went on to write dozens of books, host a long-running radio show, and speak at conferences all over the world. She was a pillar of coherent, committed faith; a beloved and sometimes controversial icon. In this authorized biography, *Becoming Elisabeth Elliot*, bestselling author Ellen Vaughn uses Elisabeth's private, unpublished journals, and candid interviews with her family and friends, to paint the adventures and misadventures God used to shape one of the most influential women in modern church history. It's the story of a hilarious, sensual, brilliant, witty, self-deprecating, sensitive, radical, and surprisingly relatable person utterly submitted to doing God's will, no matter how high the cost. For Elisabeth, the central question was not, "How does this make me feel?" but, simply, "is this true?" If so, then the next question was, "what do I need to do about it to obey God?" "My life is on Thy Altar, Lord—for Thee to consume.

Set the fire, Father! Bind me with cords of love to the Altar. Hold me there. Let me remember the Cross." -Elisabeth Elliot, age 21

*Moving On in Ministry* iUniverse

Gay. Straight. Or lying. It's as simple and straightforward as black or white, right? Or is there a gray area, where the definitions of sex and gender become blurred or entirely refocused with the deft and practiced use of a surgeon's knife? For some, the concept of gender is the very idea we have of ourselves as either male or female beings is neither simple nor straightforward. Written by cutting-edge researcher and sex expert J. Michael Bailey, *The Man Who Would Be Queen* is a frankly controversial, intensely poignant, and boldly forthright book about sex and gender. Based on his original research, Bailey's book is grounded firmly in science. But as he demonstrates, science doesn't always deliver predictable or even comfortable answers. Indeed, much of what he has to say will be sure to generate as many questions as it does answers. Are gay men genuinely more feminine than other men? And do they really prefer to be hairdressers rather than lumberjacks? Are all male transsexuals women trapped in men's bodies or are some of them men who are just plain turned on by the idea of becoming a woman? And how much of a role do biology and genetics play in sexual orientation? But while Bailey's science is provocative, it is the portraits of the boys and men who struggle with these questions and often with anger, fear, and hurt feelings that will move you. You will meet Danny, an eight-year old boy whose favorite game is playing house and who yearns to dress up as a princess for Halloween. And Martin, an expert makeup artist who was plagued by inner turmoil as a

youth but is now openly homosexual and has had many men as sex partners. And Kim, a strikingly sexy transsexual who still has a penis and works as a dancer and a call girl for men who like she-males while she awaits sex reassignment surgery. These and other stories make it clear that there are men who want only to understand themselves and the society that makes them feel like outsiders. That there are parents, friends, and families that seek answers to confusing and complicated questions. And that there are researchers who hope one day to grasp the very nature of human sexuality. As the striking cover image of a distinctly muscular and obviously male pair of legs posed in a pair of low-heeled pumps makes clear, the concept of gender, the very idea we have of ourselves as either male or female beings, is neither simple nor straightforward for some.

**Sylvia Wynter** Open Road Media

Because of a moment of curiosity, she secretly ran over to open the coffin to take a look at Zombie King's "Fang" appearance. However, she accidentally brought the coffin over to Zombie King's side, and became Zombie King's tool to remove the curse. However, Yun Ruo Xi had never thought that the only way to remove the curse was actually to escape from this damned zombie man. Just as Yun Ruo Xi was thinking of a way to escape, he suddenly pulled her into his embrace, only to discover that the person in front of him ... It's not that ugly zombie at all. He ... Who was it?

#### Becoming Dad Yale University Press

Since its original publication in 1989, *Refusing to be a Man* has been acclaimed as a classic and widely cited in gender studies literature. In 13 eloquent essays, Stoltenberg articulates the first fully argued liberation theory for men that will also liberate women. He argues that male sexual identity is entirely a political and ethical construction whose advantages grow out of injustice. His thesis is, however, ultimately one of hope - that precisely because masculinity is so constructed, it is possible to refuse it, to act against it and to change. A new introduction by the author discusses the roots of his work in the American civil rights and radical feminist movements and distinguishes it from the anti-feminist philosophies underlying the recent tide of reactionary mens movements.

#### *World of Stunning Beauties* Funstory

The Jamaican writer and cultural theorist Sylvia Wynter is best known for her diverse writings that pull together insights from theories in history, literature, science, and black studies, to explore race, the legacy of colonialism, and representations of humanness. Sylvia Wynter: *On Being Human as Praxis* is a critical genealogy of Wynter's work, highlighting her insights on how race, location, and time together inform what it means to be human. The contributors explore Wynter's stunning reconceptualization of the human in relation to concepts of blackness, modernity, urban space, the Caribbean, science studies, migratory politics, and the interconnectedness of creative and theoretical resistances. The collection includes an extensive conversation between Sylvia Wynter and Katherine McKittrick that delineates Wynter's engagement with writers such as Frantz Fanon, W. E. B. DuBois, and Aimé Césaire, among others; the interview also reveals the ever-extending range and power of Wynter's intellectual project, and elucidates her attempts to rehistoricize humanness as praxis.

A study of the interaction of plants and man also provides insight into the origins and development of contemporary wild and cultivated plants

#### *The Beach Boys* Hal Leonard Corporation

Gender roles are nowhere more prominent than in war. Yet contentious debates, and the scattering of scholarship across academic disciplines, have obscured understanding of how gender affects war and vice versa. In this authoritative and lively review of our state of knowledge, Joshua Goldstein assesses the

possible explanations for the near-total exclusion of women from combat forces, through history and across cultures. Topics covered include the history of women who did fight and fought well, the complex role of testosterone in men's social behaviours, and the construction of masculinity and femininity in the shadow of war. Goldstein concludes that killing in war does not come naturally for either gender, and that gender norms often shape men, women, and children to the needs of the war system. Illustrated with photographs, drawings, and graphics, and drawing from scholarship spanning six academic disciplines, this book provides a unique study of a fascinating issue.

*My Stunning Corpse King Husband* Interlink Publishing  
 NEW YORK TIMES BESTSELLER - The knockdown, drag-out, untold story of the other scandal that rocked Nixon's White House, and reset the rules for crooked presidents to come--with new reporting that expands on Rachel Maddow's Peabody Award-nominated podcast "Rachel Maddow and Michael Yarvitz expand on their riveting podcast to create a work both scholarly and disturbing in its parallels to current events."--Preet Bharara, New York Times bestselling author of *Doing Justice* and host of the podcast *Stay Tuned with Preet* Is it possible for a sitting vice president to direct a vast criminal enterprise within the halls of the White House? To have one of the most brazen corruption scandals in American history play out while nobody's paying attention? And for that scandal to be all but forgotten decades later? The year was 1973, and Spiro T. Agnew, the former governor of Maryland, was Richard Nixon's second-in-command. Long on firebrand rhetoric and short on political experience, Agnew had carried out a bribery and extortion ring in office for

years, when--at the height of Watergate--three young federal prosecutors discovered his crimes and launched a mission to take him down before it was too late, before Nixon's impending downfall elevated Agnew to the presidency. The self-described "counterpuncher" vice president did everything he could to bury their investigation: dismissing it as a "witch hunt," riling up his partisan base, making the press the enemy, and, with a crumbling circle of loyalists, scheming to obstruct justice in order to survive. In this blockbuster account, Rachel Maddow and Michael Yarvitz detail the investigation that exposed Agnew's crimes, the attempts at a cover-up--which involved future president George H. W. Bush--and the backroom bargain that forced Agnew's resignation but also spared him years in federal prison. Based on the award-winning hit podcast, *Bag Man* expands and deepens the story of Spiro Agnew's scandal and its lasting influence on our politics, our media, and our understanding of what it takes to confront a criminal in the White House.

**Half a Life Story** Univ of California Press

Four alternate selves from radically different realities come together in this "dazzling" and "trailblazing work" (The Washington Post). Widely acknowledged as Joanna Russ's masterpiece, *The Female Man* is the suspenseful, surprising, darkly witty, and boldly subversive chronicle of what happens when Jeannine, Janet, Joanna, and Jael—all living in parallel worlds—meet. Librarian Jeannine is waiting for marriage in a past where the Depression never ended, Janet lives on a utopian Earth with an all-female population, Joanna is a feminist in the 1970s, and Jael is a warrior with claws and teeth on an Earth where male

and female societies are at war with each other. When the four women begin traveling to one another's worlds, their preconceptions on gender and identity are forever challenged. With "palpable anger . . . leavened by wit and humor" (The New York Times), Russ both employs and upends genre conventions to

deliver a wickedly satiric and exhilarating version of when worlds collide and women get woke. This ebook includes the Nebula Award-winning bonus short story "When It Changed," set in the world of The Female Man.
