Books - The Worship Architect QUICK REVIEW: The Worship Architect: A Blueprint for Designing Culturally Relevant and Biblically Faithful Services. I've been teaching a Theology and Worship course for four years now and have struggled to find the right readings because, as Paul Westermeyer and Charlotte Kroeker both agree, the study of Church music is vastly interdisciplinary. While I delight in the theoretical questions that surround the church and its musical culture, when we get down to the rubber hitting the road ...
