RACHAEL BOND

100 Greatest American Plays Samuel French, Inc.
 The Routledge Guide to Broadway is the second title in our new student reference series. It will introduce the student to the Broadway theater, focusing on key performers, writers, directors, plays, and musicals, along with the theaters themselves, key awards, and the folklore of Broadway. Broadway is the center of American theater, where all the great plays and musicals make their mark. Students across the country in theater history, performance, and direction/production look to Broadway for their inspiration. While there are illustrated coffee table type books on Broadway, there are few that offer a comprehensive look at the key figures and productions of the last two centuries. The Routledge Guide to Broadway offers this information in an easy-to-use, inexpensive format that will appeal to students, professors, and theatrical professionals.

Ohio-Wyoming, other countries University Press of Kentucky (Applause Books). *Curtain Times* is a uniquely comprehensive,

uniquely detailed and uniquely contemporaneous history of the New York theater in the seasons from 1964-65 up to 1987. This is a collection of more than two decades of annual critical surveys (originally published in the Best Plays series of yearbooks) in a single volume. Each of these surveys is a report and criticism of a whole New York theater season: its hits and misses onstage and off, its esthetic innards. Each is a comprehensive overview which takes in every play, musical, specialty and revival, foreign and domestic, produced on and off Broadway during the theater season. Hardcover.

Catalog of Copyright Entries Oxford University Press, USA Full Length, Comic Drama / 3m, 4f / Comb. Ints/Ext. Here is part one of Neil Simon's autobiographical trilogy: a portrait of the writer as a young teen in 1937 living with his family in a crowded, lower middle-class Brooklyn walk-up. Eugene Jerome, standing in for the author, is the narrator and central character. Dreaming of baseball and girls, Eugene must cope with the mundane existence of his family life in Brooklyn: formidable mother, overworked father, and his worldly older brother Stanley. Throw into the mix his widowed Aunt Blanche, her two young (but rapidly aging) daughters and Grandpa the Socialist and you have

a recipe for hilarity, served up Simon-style. This bittersweet memoir evocatively captures the life of a struggling Jewish household where, as his father states "if you didn't have a problem, you wouldn't be living here." "Brings a fresh glow to Broadway...In many respects his funniest, richest and consequently the most affecting of his plays."-New York Daily News "Simultaneously poignant and funny. The characters are fully dimensional, believable... An outstanding show...the best seen on Broadway in too long a time."-Variety "Hilarious comedy...His finest play...A delightful and enriching experience."-CBS-TV

Curtain Times Hal Leonard Corporation

From *Double Indemnity* (1944) to *The Godfather* (1972), the stories behind some of the greatest films ever made pale beside the story of the studio that made them. In the golden age of Hollywood, Paramount was one of the Big Five studios. Gulf + Western's 1966 takeover of the studio signaled the end of one era and heralded the arrival of a new way of doing business in Hollywood. Bernard F. Dick reconstructs the battle that reduced the studio to a mere corporate commodity and traces Paramount's devolution from freestanding studio to subsidiary—first of Gulf + Western, then of Paramount Communications, and currently, of Viacom-CBS. Dick portrays the new Paramount as a paradigm of today's Hollywood, where the only real art is the art of the deal. In modern Hollywood, former merchandising executives find themselves in charge of production on the assumption that anyone who can sell a movie can make one. CEOs exit in disgrace from one studio, only to emerge in triumph at another. Corporate raiders vie for power and control, purchasing and selling film libraries, studio property, television stations, book publishers, and more. The history of Paramount is filled with larger-than-life people, including Billy Wilder, Adolph Zukor, Sumner Redstone, Shari Redstone, Sherry Lansing, Barry Diller, Michael Eisner, Jeffrey Katzenberg, and more.

The Reader's Adviser Concord Theatricals

Palmer clearly states that his purpose is to explain the ways of critics to theatre practitioners, the ways of theatre to inexperienced reviewers, and the dynamic convergence of theatre and critic to anyone interested in theatre.' . . . The work is a well-written 'primer' for writers and it will be useful primarily to performers who object to unfavorable 'criticism' without understanding the nature and purpose of reviewing. Accessible to general readers and undergraduates. Choice Palmer begins with an examination of the theatrical review as a medium for informing and entertaining theatregoers, documenting events of artistic of community importance, and supporting theatre through critical evaluation and publicity. He next comments on how journalistic pressures affect reviewers. Citing brief examples from hundreds of reviews, the author devotes a chapter to each of the elements that needs to be covered in a review, including performers, script, direction, music, and choreography, together with stage and lighting design and other physical aspects of the production. The final chapter develops criteria for assessing the strengths and weaknesses of a theatrical review, based on aesthetic standards, the cultural tastes of theatregoers, and the interests of the community. Palmer's experience as both a theatre professional and a journalist gives him an intimate understanding of the antagonism that often develops between reviewers and those who feel themselves to be the target of irresponsible criticism. His book provides a clear perspective on theatrical matters and guidelines that will help to improve standards of reviewing and create an appreciation of the essential relationship between the theatre and its critics.

Burns Mantle Yearbook McFarland

Bob Fosse (1927-1987), the director and choreographer of *Chicago* and *Sweet Charity*, has never been more popular than he is right now. Here is the less-publicized side of his story—his surprising ascent from the world of sleazy Chicago strip joints to the glitter of Broadway. A legend's memory is preserved in this eloquent biography.

Conversations with Neil Simon MacMillan Publishing Company

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

The New York Theatre, 1965-1987 Concord Theatricals

The American World War II film depicted a united America, a mythic America in which the average guy, the girl next door, the 4-F patriot, and the grieving mother were suddenly transformed into heroes and heroines, warriors and goddesses. The *Star-Spangled Screen* examines the historical accuracy -- or lack thereof -- of films about the Third Reich, the Resistance, and major military campaigns. Concerned primarily with the films of the war years, it also includes discussions of such postwar movies as *Battleground* (1949), *Attack!* (1956), *The Bridge on the River Kwai* (1957), and *Patton* (1970). This revised edition includes a new afterword that covers more recent films, such as *Sophie's Choice* (1982), *Biloxi Blues* (1986), and *Schindler's List* (1993). The *Star-Spangled Screen* makes a major contribution to popular culture by recreating an era that, for all its tragedy, was one of the most creative in the history of American film.

From a veteran actor, teacher, and author, here is a quick-reference guide aimed at working actors. Got a funny scene that doesn't seem very funny? Look up "comedy." Got a scene in which you're supposed to cry? Look up "cry." Each entry includes a brief introduction to the topic, followed by several pages of short, bulleted tips or "field notes" that offer quick solutions to any acting problem. In addition, there are brief essays throughout that expand on some of the trickier aspects of the actor's craft. Edgy, concise, and infinitely helpful, no working actor will want to be without this one-of-a-kind guide. There are 100,000 members in actors unions in the US, with a 50% turnover Unique quick reference guide for busy actors Advice on everything from rehearsals to auditioning and memorizing lines Author has trained thousands of actors, including Heather Locklear and Teri Hatcher Advertising in *Back Stage* magazine

(Theatre World). Applause Theatre & Cinema Books is pleased to

make this venerable continuing series complete by publishing Theatre World Volume 63. Theatre World remains the authoritative pictorial and statistical record of the season on Broadway, Off-Broadway, Off-Off-Broadway, and for regional theatre companies. Volume 63 features Duncan Sheik and Steven Sater's Tony Award-winning Best Musical *Spring Awakening*, which also earned a Theatre World Award for actor Jonathan Groff. Tom Stoppard's *The Coast of Utopia* captured the Best Play Tony Award, as well as Tonys for featured actors Billy Crudup and Jennifer Ehle. *Frasier* star David Hyde Pierce returned to his theatre roots to capture a Tony for *Kander and Ebb's Curtains*, and other highlights of the season include the Off-Broadway musical *In the Heights* as well as *Passing Strange*, which debuted at the Berkeley Repertory Theatre. Both have since transferred to Broadway and become critical and popular hits. As always, Theatre World's outstanding features include: * An expanded section of professional regional productions from across the U.S. * The longest running shows on and Off-Broadway * Full coverage of the Theatre World Awards for Broadway and Off-Broadway debuts * Expanded obituaries and a comprehensive index

The Star-spangled Girl Greenwood Publishing Group

A spooky mystery play about an old hotel, a missing check, and an eager young detective. Includes six copies of the script, a production guide, a poster, and twenty tickets.

Educational theatre journal The Star-spangled Girl
A New Comedy
Neil Simon (1927–2018) began as a writer for some of the leading comedians of the day—including Jackie Gleason, Red Buttons, Phil Silvers, and Jerry Lewis—and he wrote for fabled television programs alongside a group of writers that included Mel Brooks, Woody Allen, Larry Gelbart, Michael Stewart, and Sid Caesar. After television, Simon embarked on a playwriting career. In the next four decades he saw twenty-eight of his plays and five musicals produced on Broadway. Thirteen of those plays and three of the musicals ran for more than five hundred performances. He was even more widely known for his screenplays—some twenty-five in all. Yet, despite this success, it was not until his *BB Trilogy*—*Brighton Beach Memoirs*, *Biloxi Blues*, and *Broadway Bound*—that critics and scholars began to take Simon seriously as a literary figure. This change in perspective culminated in 1991 when his play *Lost in Yonkers* won the Pulitzer Prize for Drama. In the twenty-two interviews included in *Conversations with Neil Simon*, Simon talks candidly about what it was like to write commercially successful plays that were dismissed by critics and scholars. He also speaks at length about the differences between writing for television, for the

stage, and for film. He speaks openly and often revealingly about his relationships with, among many others, Mike Nichols, Walter Matthau, Sid Caesar, and Jack Lemmon. Above all, these interviews reveal Neil Simon as a writer who thought long and intelligently about creating for stage, film, and television, and about dealing with serious subjects in a comic mode. In so doing, *Conversations with Neil Simon* compels us to recognize Neil Simon's genius.

The Death of Paramount Pictures and the Birth of Corporate Hollywood Rowman & Littlefield

New York City's Broadway district is by far the most prestigious and lucrative venue for American performers, playwrights, entertainers and technicians. While there are many reference works and critical studies of selected Broadway plays or musicals and even more works about the highlights of the American theater, this is the first single-volume book to cover all of the activities on Broadway between 1919 and 2007. More than 14,000 productions are briefly described, including hundreds of plays, musicals, revivals, and specialty programs. Entries include famous and forgotten works, designed to give a complete picture of Broadway's history and development, its evolution since the early twentieth century, and its rise to unparalleled prominence in the world of American theater. The productions are identified in terms of plot, cast, personnel, critical reaction, and significance in the history of New York theater and culture. In addition to a chronological list of all Broadway productions between 1919 and 2007, the book also includes approximately 600 important productions performed on Broadway before 1919.
