The #1 New York Times bestselling Wings of Fire series soars to new heights in the fourth graphic novel adaptation! In the shadows, trouble is brewing . . . When Starflight is stolen by his own tribe, he hopes to at least discover some of the long-held NightWing secrets -- what magical powers they really have, who they're allied with in the war, and where they've been living all this time. But the truth about Starflight's tribe is more terrible than he ever imagined: Not only do the NightWings live in a dark, miserable place, but they've imprisoned several innocent RainWings there, too. Stranded and alone, Starflight only wants to get back to his friends. But the fate of two kingdoms now rests in his talons, and with no one to save him, Starflight will have to find a way to be brave . . . before it's too late.

Qibli knows Darkstalker must be stopped. And he knows he could stop him -- if he had magic. With even a sliver

of the ancient dragon's all-powerful scroll, Qibli could rewrite history the right way: end war forever; make every dragon happy; perhaps even cast a very small spell so that everyone would like him . . . Instead, as Darkstalker's dangerous influence spreads across Pyrrhia, entrancing or killing every dragon in the seven tribes, Qibli can only grasp the small animus objects he's borrowed from Turtle. With some clever thinking, Qibli's talons finally hold the power to make a difference. But prophecies are not easy to rewrite. Can Qibli be the magical force Pyrrhia needs, or will he be the one to bring Jade Mountain -- and his family, his friends, his whole world -- crashing down?
