JIMENEZ MIGUEL

Raw Simon and Schuster

Divinely guided, inspirational, and groundbreaking, The Ultimate Book of Wisdom is an immediate must read for those seeking personal salvation and the power to control one's own harmony. Full of universal laws and practical steps to create the life desired, The Ultimate Book of Wisdom will take you on a life-changing journey, which the author describes as the road to consciousness and the spirit within. As a bonus, the book also provides critical information to start or accelerate your path to financial independence and generational wealth.

The Man Who Walked the Dog: The D.J. Superior/DMX-Story Turtleback Books

The Grammy Award-winning recording artist and actor shares the story of his life, from his youth on Chicago's Southside and rise in the hip-hop industry to his movie appearances and the lessons he has learned as a son and a father.

Gone 'Til November Picador

He's a hip-hop icon credited with single-handedly creating gangsta rap. Television viewers know him as Detective Odafin "Fin" Tutuola on the top-rated drama Law & Order: SVU. But where the hype and the headlines end, the real story of Ice-T—the one few of his millions of fans have ever

heard—truly begins. Ice is Ice-T in his own words—raw, uncensored, and unafraid to speak his mind. About his orphan upbringing on the gang-infested streets of South Central, his four-year stint in the U.S. Army, his successful career as a hustler and thief, and his fateful decision to turn away from a life of crime and forge his own path to international stardom. Along the way, Ice shares never-before-told stories about friends such as Tupac, Dick Wolf, Chris Rock, and Flavor Flav, among others. And he offers up candid observations on marriage and monogamy, the current state of hip-hop, and his latest passion: mentoring at-risk youths around the country. With insights into the cutthroat world of the street—and the cutthroat world of Hollywood—Ice is the unforgettable story of a true American original.

E.a.r.l. Simon and Schuster

Raised in the ghetto, abandoned as a child, addicted to drugs and women all his life but still able to produce four consecutive #1 hip-hop albums in a row--this is the life and times of the darkest and most dangerously introspective hip-hop artist ever, written at the height of his career and completely uncensored.

My Infamous Life HarperCollins

A collection of verse by the late hip-hop star Tupac Shakur includes more than one hundred poems confronting such wide-ranging topics as poverty, motherhood, Van Gogh, and Mandela.

The Rose that Grew from Concrete Macmillan

The Wu-Tang Manual is The RZA's first written introduction to the philosophy and history of Hip-Hop's original Dynasty, the Wu-Tang Clan. Written in a style that is at once personal and philosophical, The Wu-Tang Manual unravels the intricate web of personalities (and alter egos), warrior codes, numerological systems, and Eastern spiritual ethics that define the Wu-Tang dynasty. Packed with information that reflects the breadth and depth of the RZA's — and rest of the Clan's — intellectual interests and passions, The Wu-Tang Manual is divided into four books of nine chambers each, for a total of 36 chambers. All together, the book provides the breakdown of essential Wu-Tang components, from basic information about each of the nine core members of Wu-Tang Clan to deeper explorations of the key themes of the Wu-Tang universe, a dictionary-like Wu-Slang lexicon, and an entire section of Wu-Tang lyrics with densely annotated explanations of what they mean. For the hardcore Wu-Tang disciple and the recent initiate alike, The Wu-Tang Manual is the definitive guide to the essence of Wu, one of the most innovative hip-hop groups of all time. The RZA's most recent book, The Tao of Wu, is also available from Riverhead Books.

The Hip-Hop Generation Guide to Success Penguin

A candid, behind-the-scenes glimpse into the emotional, dynamic and often entertaining life of Ramona Singer, the spunky, tell-it-like-it-is reality star whose unfiltered personality viewers have adored through seven seasons of *The Real Housewives of New York City*. In this alternately heart-wrenching and hilarious memoir, Ramona offers readers a look at her dysfunctional childhood, her parents' abusive relationship, her inspiring journey of renewal, and opens up for the first time about the events surrounding the tragic collapse of her twenty-year marriage. Never before have her fans seen her so raw, introspective and honest.

A Memoir Post Hill Press

Hip-hop star DMX relates his life from his past criminal career to his rise to success in the music world.

[Love Across the Color Line](#) Hachette UK

The life story of professional baseball and football player, Deion Sanders, reveals the triumphs and tragedies of his career, family, and spiritual life
I Make My Own Rules Penguin

The dark journey of a boy who became a man, the man who became an artist, and the artist who became an icon. A talent for rhyme saved his life, but the demons and sins of his past continue to haunt him. This is the story of Earl Simmons.

[How Success Almost Ruined My Life](#) Simon and Schuster

Ja Rule, actor, singer, songwriter, and one of the most multi-dimensional rap artists of his time, tells his compelling story—from his youth to his rise to international fame to his transformative two years in Federal prison—and reveals the man beneath the legend. Unruly is two stories that offer one complete picture of a man and his world: the angry, fatherless rapper, Ja Rule who was “raised by the streets”; and Jeffrey Atkins, the insightful, reflective father and loyal husband who learned the hard way how to be a good man. Filled with never-before-revealed anecdotes and sixteen pages of black-and-white photos, Unruly shows the determination that it takes to become a man in today's society. Ja Rule considers the lack of role models for many young black men today—a void that leads to bad choices and the wrong paths. Recalling his youth, he illuminates the seductive pull of the streets and the drug dealers who were his earliest role models. Jeffrey Atkins offers practical wisdom—reflection, growth and hope learned first-hand as an inmate, father, husband, and community role model. He speaks fondly of men who inspired Unruly—the inmates he met in prison whose misguided ideas of masculinity landed them behind bars—and Louis Farrakhan who mediated the televised encounter with Ja Rule's adversary, 50 Cent. Unruly is a compelling, personal look at the duality and conflicts that arise in the African-American male psyche from a man who has enjoyed breathtaking fame and suffered heartbreaking misfortune.

Resurrection, 1971-1996 Basic Books

*** With a foreword by James Naughtie Within the pages of this book lie musical prescriptions that offer comfort, solace and strength in the face of dark times. Whether you suffer from loneliness or laziness, from bereavement or betrayal, a heartbreak or a mere hangover, here you'll find the perfect piece of classical music to heal the heart, soothe the soul and cure the maladies of the modern world. Musician and writer Oliver Condy takes the role of musical physician, using his years of experience to prescribe remedies for all manner of ailments in the form of classical music. A beautifully-packaged gift book with more than 100 recommendations, *Symphonies for the Soul* is filled with fascinating stories behind the pieces and composers selected, and how in their own unique ways they can nourish the spirit in times of need.

Unbelievable Penguin

The instant #1 New York Times bestseller! “It's the best memoir I've ever read.” —Oprah Winfrey “Will Smith isn't holding back in his bravely inspiring new memoir . . . An ultimately heartwarming read, Will provides a humane glimpse of the man behind the actor, producer and musician, as he bares all his insecurities and trauma.” —USA Today Winner of the NAACP Image Award for Outstanding Literary Achievement One of the most dynamic and globally recognized entertainment forces of our time opens up fully about his life, in a brave and inspiring book that traces his learning curve to a place where outer success, inner happiness, and human connection are aligned. Along the way, Will tells the story in full of one of the most amazing rides through the worlds of music and film that anyone has ever had. Will Smith's transformation from a West Philadelphia kid to one of the biggest rap stars of his era, and then one of the biggest movie stars in Hollywood history, is an epic tale—but it's only half the story. Will Smith thought, with good reason, that he had won at life: not only was his own success unparalleled, his whole family was at the pinnacle of the entertainment world. Only they didn't see it that way: they felt more like star performers in his circus, a seven-days-a-week job they hadn't signed up for. It turned out Will Smith's education wasn't nearly over. This memoir is the product of a profound journey of self-knowledge, a reckoning with all that your will can get you and all that it can leave behind. Written with the help of Mark Manson, author of the multi-million-copy bestseller *The Subtle Art of Not Giving a F*ck*, Will is the story of how one person mastered his own emotions, written in a way that can help everyone else do the same. Few of us will know the pressure of performing on the world's biggest stages for the highest of stakes, but we can all understand that the fuel that works for one stage of our journey might have to be changed if we want to make it all the way home. The combination of genuine wisdom of universal value and a life story that is preposterously entertaining, even astonishing, puts Will the book, like its author, in a category by itself.

A Memoir of Gangster Life and Redemption-from South Central to Hollywood Harlequin

This book examines a remarkable collection of twenty-seven letters written by a white working-class woman to her African American lover in 1907 and 1908. Stuffed inside a black lace stocking, the letters were hidden under the floorboards of a house in Northampton, Massachusetts, until their recent discovery. Reflecting the passions and anxieties of the moment, the letters were written by Alice Hanley, the daughter of Irish Catholic immigrants, to Channing Lewis, a cook in Springfield. Since the thoughts and feelings of women like Hanley have usually been filtered through middle-class reformers, her words provide a rare window into a realm of American social life seldom explored by historians. The letters are accompanied by essays that skillfully probe their larger meanings. Helen Lefkowitz Horowitz introduces the letters, placing them in the context of their time, while journalist Phoebe Rolin Mitchell recounts the story of their discovery. Kathy Peiss explores Hanley's life, her negotiation of illicit love, and her desire for respectability, re-creating a dense and textured world of home, church, and town. Historian Louis Wilson unearths the trail left by Lewis and members of his extended family in Springfield. Reviewing the experiences of African Americans in that city, Wilson clarifies the economic, social, and political position of a black, middle-aged breadwinner during the difficult years of the early twentieth century.

The Life and Legacy of Donald Goines VIBE Lifestyyle Books

“Transfixing...[Wayne's] prison diary is, above all, a testament to the irrepressibility of his charisma—his is a force that can never go dormant, even when it's not plainly on display.” —The New Yorker From rap superstar Lil Wayne comes *Gone 'Til November*, a deeply personal and revealing account of his time spent incarcerated on Rikers Island for eight months in 2010. In 2010, recording artist Lil Wayne was at the height of his career. A fixture in the rap game for more than a decade, Lil Wayne (aka Weezy) had established himself as both a prolific musician and a savvy businessman, smashing long-held industry records, winning multiple Grammy Awards, and signing up-and-coming talent like Drake and Nicki Minaj to his Young Money label. All of this momentum came to a halt when he was convicted of possession of a firearm and sentenced to a yearlong stay at Rikers Island. Suddenly, the artist at the top of his game was now an inmate at the mercy of the American penal system. At long last, *Gone 'Til November* reveals the true story of what really happened while Wayne was behind bars, exploring everything from his daily rituals to his interactions with other inmates to how he was able to keep himself motivated and grateful. Taken directly from Wayne's own journal, this intimate, personal account of his incarceration is an utterly humane look at the man behind the artist.

Diary of a Madman One World

Kevin Liles rose from intern to president of Def Jam Records in only nine years. Today, at age thirty-seven, he is executive vice president of the Warner Music Group and has helped discover and direct the careers of stars such as Jay-Z and Ludacris. Liles' meteoric climb from urban street kid with hip-hop aspirations to one of the most successful and influential executives in the music industry is far more than a rags-to-riches story. It is a tribute to Liles' incredible work ethic, wisdom and confidence in doing his thing his way -- the hip-hop way. "Every real success story in hip hop comes down to the same thing: someone who finds the will, focus and drive to achieve," Liles writes in *Make It Happen: The Hip-Hop Generation Guide to Success*. "It doesn't matter if you are male or female. It doesn't matter what race or religion you are. It doesn't matter what hustle you choose." What does matter, Liles says, is that you fight against the odds to realize a dream and be the best that you can be. You empower yourself and make it happen. Kevin Liles presents ten rules of business success, which range from "Find Your Will" and "The Blueprint" to "Don't Let Cash Rule" and "Play Your Position." As he outlines his philosophy, Liles shares how he put his principles to work, chronicling his journey to the top and the stories of others -- executives, artists, mentors and friends -- he has worked with along the way. *Make It Happen* is both an American success story and a guidebook for the road to having a career and a life you love.

[Once Upon a Time in Southside, Queens](#) Harper Collins

Rapper Gucci Mane takes us to his roots in Alabama, the streets of East Atlanta, the trap house, and the studio where he found his voice as a peerless rapper. He reflects on his inimitable career and in the process confronts his dark past -- the murder charge, years behind bars, addiction, career highs and lows -- the making of the Trap God. It is one of the greatest comeback stories in the history of music. -- Adapted from book jacket.

The Wu-Tang Manual Currency

Photographs, essays and tributes by friends and colleagues, and interviews with the late rap artist highlight a portrait of the turbulent life, successful career, and tragic murder of Tupac Shakur

The Autobiography of Gucci Mane One World

Academic essays reflect on the 1994 album *Illmatic* by Nasir "Nas" Jones, covering topics ranging from jazz history to gender.

[The Life, Death, and Afterlife of the Notorious B.I.G.](#) Simon and Schuster

Selected as a Best Book of the Year by Esquire "Couldn't put it down." - Charlamagne Tha God "Mesmerizing." - Raekwon da Chef "Insightful, moving, necessary." - Shea Serrano "Cathartic." -The New Yorker "A classic." -The Washington Post The explosive, never-before-told story behind the historicrise of the Wu-Tang Clan, as told by one of its founding members, Lamont "U-God" Hawkins. “It’s time to write down not only my legacy, but the story of nine dirt-bomb street thugs who took our everyday life—scrappin’ and hustlin’and tryin’ to survive in the urban jungle of New York City—and turned that into something bigger than we could possibly imagine, something that took us out of the projects for good, which was the only thing we all wanted in the first place.” —Lamont "U-God" Hawkins The Wu-Tang Clan are considered hip-hop royalty. Remarkably, none of the founding members have told their story—until now. Here, for the first time, the quiet one speaks. Lamont “U-God” Hawkins was born in Brownsville, New York, in 1970. Raised by a single mother and forced to reckon with the hostile conditions of project life, U-God learned from an early age how to survive. And surviving in New York City in the 1970s and 1980s was no easy task—especially as a young black boy living in some of the city's most ignored and destitute districts. But, along the way, he met and befriended those who would eventually form the Clan's core: RZA, GZA, Method Man, Raekwon, Ol' Dirty Bastard, Inspectah Deck, Ghostface Killah, and Masta Killa. Brought up by the streets, and bonding over their love of hip-hop, they sought to pursue the impossible: music as their ticket out of the ghetto. U-God's unforgettable first-person account of his journey,from the streets of Brooklyn to some of the biggest stages around the world, is not only thoroughly affecting, unfiltered, and explosive but also captures, in vivid detail, the making of one of the greatest acts in American music history.
