Aim higher with BBC Bitesize revision BBC Bitesize revision resources help you to break your revision up into manageable "bite-sized" chunks, aiding planning and time management. They also act as a structured pathway to the BBC Bitesize website, with links on the pages to videos, learner guides, worked examples and quizzes, BBC Bitesize gives you a richer, fuller, more varied and effective revision experience. Kick-start your revision with quick quizzes. Make every minute count with timed, bite-sized chunks of exam-style practice. Find your way through tricky questions with signposted support, hints and tips. Refresh your knowledge with direct links to the BBC Bitesize website. Matched to the AQA GCSE (9-1) Combined Science Trilogy Higher specification.

AQA GCSE (9-1) Combined Science Trilogy Student Book

Revise AQA GCSE Science 16

Exam Board: AQA Level & Subject: GCSE Combined Science:

Trilogy First teaching: September 2016 First exams: June 2018

This Workbook will support and motivate students to reach their full potential with targeted questions and support. * Provides plenty of practice opportunities for short- and long-answer questions on every topic* Builds confidence with worked examples demonstrating how to answer different types of questions* Further support from hints and tips explaining command words, advising how to approach questions and more The questions begin with confidence-building, lower demand questions and they are ramped throughout each topic. The workbook provides coverage of maths and practical skills as well as offering synoptic questions. The range of questions available encourages students to develop their skills in applying and analysing as well as recall. Frequent support notes provide hints and tips on strategies for decoding questions (for example by identifying key words in the question), key terminology, and how to write explanations and give the right amount of detail.

For the 9-1 Exams Hodder Education

This workbook: targets key misconceptions and barriers to help students get back on track addresses areas of underperformance in a systematic way, with a unique approach that builds, develops and extends students' skills gets students ready for the GCSE (9-1) assessments with exercises focused around exam-style questions provides ready-to-use examples and activities addresses an area of difficulty in each unit with a unique approach, to develop and extend students' skills.
