LYONS LAWRENCE

Assembly Journal Harper Paperbacks

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Contemporary Black Biography Penguin

EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American-focused magazine.

My Life with Whitney Houston Legislative Reference Bureau
Presents archaeological evidence of a significant flood around 5600 B.C.E. that raised water surfaces some three hundred feet, noting discoveries beneath the Black Sea that indicated that it used to be a freshwater lake and that houses once stood there. Reprint.

Third series World Book

How could the peace and quiet of Ashe County, North Carolina (in the mountains, at the Virginia-Tennessee corner), turn into a nightmare of crime and drugs, and the old copper mine itself become a dumping ground for the dead? In 1982, two bodies had been chipped from an icy grave and brought up from the 250-foot mine shaft where they had been thrown while still alive. Now, there were rumors of 21 bodies still down there. If the mine was ever re-opened, what would they find--copper or bodies? Murder, drugs, prostitution and gangs come together in the history of the Ore Knob Mine. A small Appalachian community became the heart of a vicious drug ring ruled by the Outlaws motorcycle gang from

Chicago. Ashe County made national headlines when a police informant came forward confessing that he had pushed a man alive into the Ore Knob Mine shaft. This book is the full story.

"You can't beat this story for drama. . . . An omnibus of everything ever known, spoken, or written about Doc Holliday." -Publishers Weekly
"An engagingly written, persuasively argued, solidly documented work of scholarship that will surely take its place in the literature of the Old West." -Booklist
In *Doc Holliday: The Life and Legend*, the historian Gary Roberts takes aim at the most complex, perplexing, and paradoxical gunfighter of the Old West, drawing on more than twenty years of research-including new primary sources-in his quest to separate the life from the legend. *Doc Holliday* was a study in contrasts: the legendary gunslinger who made his living as a dentist; the emaciated consumptive whose very name struck fear in the hearts of his enemies; the degenerate gambler and alcoholic whose fierce loyalty to his friends compelled him, more than once, to risk his own life; and the sidekick whose near-mythic status rivals that of the West's greatest heroes. With lively details of Holliday's spirited exploits, his relationships with such Western icons as Wyatt Earp and Bat Masterson, and the gunfight at the O.K. Corral, this book sheds new light on one of the most mysterious figures of frontier history.

University Telephone Directory Liveright Publishing

This biographical reference covers prominent black individuals from around the world. Profiles include: civil rights activists; political, legal and government figures; individuals in the worlds of science, technology and medicine; and authors, entertainers and other notable professionals.

CMJ New Music Report Gale / Cengage Learning

In the early days of television, many of its actors, writers, producers and directors came from radio. This crossover endowed the American Radio Archives with a treasure trove of television documents. The collected scripts span more than 40 years of American television history, from live broadcasts of the 1940s to the late 1980s. They also cover the entire spectrum of television entertainment programming, including comedies, soap operas, dramas, westerns, and crime series. The archives cover nearly 1,200 programs represented by more than 6,000 individual scripts. Includes an index of personal names, program and episode titles and production companies, as well as a glossary of industry terms.

Gale / Cengage Learning

The 21st edition of this popular guide includes virtually every football card ever produced. Highlights prices and listings of cards featuring players and teams, both college and professional, from 1894 to present. Also includes coverage of autographs, collectible programs, starting lineups and more.

 Some say Christianity is white man's religion. . . . And it is true that there is a long and ugly history of abuse of African-Americans at the hands of Anglo Christians. Afrocentric interpretations of history often point to slavery, lynchings and the like as proof that Christianity is inherently antiblack. But Craig Keener and Glen Usry contend that Christianity can be Afrocentric. In this massively researched book, they show that racism is not unique to Christianity. More important, they show how "world history is also our history and the Bible is also our book." *Black Man's Religion* is one of the first of its kind, a pro-Christian reading of religion and history from a black perspective. Fascinating and compelling, it is must reading for all concerned for African-American culture and issues of faith.

The Ore Knob Mine Murders Between the Lines
 Jason Bourne returns to Georgetown University and the mild world of his alter ego, David Webb, hoping for normalcy. But after so many adrenaline-soaked years of risking his life, Bourne finds himself chafing under the quiet life of a linguistics professor. Aware of his frustrations, his academic mentor, Professor Specter, asks for help investigating the murder of a former student by a previously unknown Muslim extremist sect. The young man died carrying information about the group's terrorist activities, including an immediate plan to attack the United States. The

organization, the Black Legion, and its lethal plot have also popped up on the radar of Central Intelligence, where new director Veronica Hart is struggling to assert her authority. Sensing an opportunity to take control of CI by showing Hart's incompetence, National Security Agency operatives plan to accomplish what CI never could-hunt down and kill Bourne. In Europe, Bourne's investigation into the Black Legion turns into one of the deadliest and most tangled operations of his double life-the pursuit of the leader of a murderous terrorist group with roots in the darkest days of World War II-all while an assassin as brilliant and damaged as himself is getting closer by the minute . . .
