Bunnacula in a Box Simon and Schuster

Dear Reader, The guy who usually writes these letters asked me to do it instead. Maybe he was having a bad writing day. Maybe he wanted me to play the sap for him. Or maybe he ran into Trouble with a capital T. Well, Trouble's in my business. I'm a dog. I'm a detective. The name's Bud Barkin. And this book is about the case I had involving a dame named Delilah Gorbish, whom I would call Trouble with a capital T except I've used that metaphor already, and the clown named Crusty Carmady whose calling card is a teakettle that he heaves through windows. Nice pair of birds. The mystery deepens with another character called the Big Fish, who isn't really a fish and

who's addicted to the Home Shopping Network. Hey, I don't write 'em—I just solve 'em. Yours truly, Bud Barkin, P.E.

Kids who get called the worst names oftentimes find each other. That's how it was with us. Skeezie Tookis and Addie Carle and Joe Bunch and me. We call ourselves the Gang of Five, but there are only four of us. We do it to keep people on their toes. Make 'em wonder. Or maybe we do it because we figure that there's one more kid out there who's going to need a gang to be a part of. A misfit, like us. Skeezie, Addie, Joe, and Bobby -- they've been friends forever. They laugh together, have lunch together, and get together once a week at the Candy Kitchen to eat ice cream and talk about important issues. Life isn't always fair, but at least they have each other -- and all they really want to do is survive the seventh grade. That turns out to be more of a challenge than any of them had anticipated. Starting with Addie's refusal to say the Pledge of Allegiance and her insistence on creating a new political party to run for student council, the Gang of Five is in for the ride of their lives. Along the way they will learn about politics and popularity,

love and loss, and what it means to be a misfit. After years of getting by, they are given the chance to stand up and be seen -- not as the one-word jokes their classmates have tried to reduce them to, but as the full, complicated human beings they are just beginning to discover they truly are.

The Celery Stalks At Midnight Simon and Schuster

Houndsley and Catina run into trouble when they decide to prove that they are the best at cooking and writing, respectively.

Hot Fudge Bunnacula

Harold and Chester could hardly believe it. The Monroe family was going on vacation without them. Bunnacula, the family rabbit, would be boarded with a neighbor. But they, the family's loyal dog and cat, were to be sent away with strangers; they were to spend a week at Chateau Bow-Wow. Chateau Bow-Wow, observed Chester, soon after they arrived, could more properly be called Howliday Inn. Though what was howling, neither of them knew. Chester had his suspicions however; only a werewolf could make that chilling sound.

Bunnacula Escapes! Atheneum

"Let's just say the matter is under control," Chester slyly tells his pals Harold and Howie. But what on earth does he mean? It seems that Bunnacula, the vampire rabbit, is back to his old ways -- or so Chester thinks, having found pale vegetables drained of their juices scattered about the Monroe family kitchen. And now, once and for all, Chester is determined to save the world from this threat. But why has Bunnacula -- so frisky just a short time ago -- been so listless and tired of late? Is this part of Chester's scheme? Can Harold let Chester get away with hurting an innocent bunny, no matter what his harebrained suspicions are? It is not long before the Monroes notice Bunnacula's condition and rush him to the vet, and then the chase is on, ending up with a dramatic confrontation in a most unusual (and dangerous!) location.

The Vampire Bunny Simon and Schuster

Dear possible reader of this book, I want to be a writer, just like my uncle Harold, who wrote a bunch of books about our friend Bunnacula. So I wrote this story. And boy! Did I ever get into trouble! My friend Delilah stopped speaking to me because I put her in my book. Uncle Harold

stopped speaking to me because I didn't put him in my book. A writer's life isn't easy! But back to my story: It's about how a talented and lovable (not to mention smart) wirehaired dachshund puppy named Howie saves the world from a disgusting, evil menace named...oops, that would give away the story. But trust me, this menace is disgusting and evil, all right!!! Your friend, Howie [Bunnacula](#) Simon and Schuster

Dear possible reader of this book, After I wrote my first book, It Came from Beneath the Bed!, my editor asked me to write another one. (Another one! This is hard work! I'd like to see him write another one!) So anyway...in this book the lovable and smart (not to mention talented) wirehaired dachshund puppy named Howie and his friend, the beautiful and brilliant Delilah, face their biggest challenge yet: the Mind Swappers from Asteroid 6!™ Along the way Delilah gets turned into a squirrel and has to beg for acorns. (Hey, don't ask me! Read the book!) Your friend, Howie [Bunnacula-in-a-Box](#) Scholastic UK

"Move over, Dracula!"* Could the bunny really be a vampire? The Monroes found him in a movie theater while Dracula was playing. Now all their vegetables are turning white! Chester, the Monroes' cat, sets out to save the world from the vampire bunny. Harold the dog tries to stop Chester before it's too late! And the rest, as they say, is history. In the more than twenty-five years

since the publication of Deborah and James Howe's Bunnacula, the book and its six sequels have sold close to nine million copies, won several kid-voted state awards, and become contemporary classics. Now the first three books are available in this handsome boxed set with stunning art by C. F. Payne. **New York Times*"

Joe Bunch breaks down his life—and his secrets—for a school assignment in this second book of the funny, heartfelt, and beloved Misfits series by Bunnacula author James Howe. What can I say? I'm a total original. Joe may only be twelve-going-on-thirteen, but he's known who he is from the time he was a little kid tottering around in his mother's high heels. Now in the seventh grade, he wears green high tops with pink trim, has a (secret) boyfriend, and tells it all from A to Z in the alphabiography assigned by his favorite teacher. The thing is, some of it is seriously private. It's one thing for Mr. Daly to read it, but what if it falls into the wrong hands? Will he be teased forever about those high heels...and even worse, what will happen if his secret boyfriend is no longer a secret?

A SMALL BEAR WITH BIG ADVENTURES It's a boring, rainy afternoon -- the perfect time for Teddy Bear to share his scrapbook of memories with the little girls who owns him. And what memories Teddy Bear has! He's ridden a bucking bronco in the rodeo, been an ace crime reporter -- he's even starred in a movie! No wonder he's a bit worn and shabby. For an ordinary little girl with flat brown hair, it's hard to imagine being important to someone with Teddy's glamorous past. But there's always room in Teddy's life -- and his scrapbook -- for someone who loves him just the way he is.
