Get swept back to Partholon in this fan-favourite series by No.1 New York Times bestselling fantasy author P.C. Cast. The most excitement Shannon Parker expected on vacation was a little shopping. But her latest purchase, an antique vase, flings her into Partholon...where she's treated like a goddess. Somehow Shannon has taken on another's role in another world. And while there's an upside - who doesn't love lots of pampering? - it also comes with a ritual marriage to a centaur and the threat of war against an army of pure evil. Oh, and everyone hates her

because they think she's her double. Shannon needs to figure out how to get back to Oklahoma without being killed, getting married to a horse or losing her mind...

Medieval Ireland Blackstone Publishing

The Deacons of the Order are all that stand between the wicked spirits of the Otherside and the innocent citizens of the Empire. They are sworn to protect humanity, even when they cannot protect themselves... After the Razing of the Order, Sorcha Faris, one of the most powerful Deacons, is struggling to regain control of the runes she once wielded. The Deacons are needed more desperately than ever. The barrier between the world of the living and the world of the dead is weakening, and the Emperor has abandoned his throne, seeking to destroy those he feels have betrayed him. Though she is haunted by the terrible truth of her

past, Sorcha must lead the charge against the gathering hordes of geists seeking to cross into the Empire. But to do so, she will need to manipulate powers beyond her understanding—powers that may prove to be her undoing...

An Essay in Deciphering Prehistory from Megalithic Monuments, Earthworks, Customs, Coins, Placenames, and Faeric Superstitions Luna

"My love, speak to me. Tell me everything." Neferet went to Kalona, kneeling before him, stroking the soft, dark wings that unfurled loosely around the immortal. "What would you have me say?" He didn't meet her eyes. "Zoey lives." Neferet's voice was flat, cold, lifeless. "She does." "Then you owe me the subservience of your immortal soul." She started to walk away from him. "Where are you going? What will happen next?" "It is quite simple. I will ensure Zoey is drawn back to Oklahoma. There, on my own terms, I will complete the task you failed." Exonerated by the Vampyre High Council and returned to her position of High Priestess at Tulsa's House of Night, Neferet has sworn vengeance on Zoey. Dominion over Kalona is only one of the weapons she plans to use against Z. But Zoey has found sanctuary on the Isle of Skye and is being groomed by Queen Sgiach to take over for her there. Being Queen would be cool, wouldn't it? Why should she return to Tulsa? After losing her human consort, Heath, she will never be the same - and her relationship with her super-hot-warrior, Stark, may never be the same either... And what about Stevie Rae and Rephaim? The Raven Mocker refuses to be used against Stevie Rae, but what choice does he have when no one in the entire world, including Zoey, would be okay with their relationship? Does he betray his

father or his heart? In the pulse-pounding 8th book in the bestselling House of Night series, how far will the bonds of friendship stretch and how strong are the ties that bind one girl's heart?

The final electrifying installment in the #1 New York Times bestselling vampyre series Zoey Redbird is in trouble. Having released the Seer Stone to Aphrodite, and surrendered herself to the Tulsa Police, she has isolated herself from her friends and mentors, determined to face the punishment she deserves—even if that means her body will reject the change, and begin to die. Only the love of those closest to her can save her from the Darkness in her spirit; but a terrible evil has emerged from the shadows, more powerful than ever... Neferet has finally made herself known to mortals. Crowning herself a Dark Goddess, she is evil unleashed and is enslaving the citizens of Tulsa. The vampyres of the House of Night have banded with the police, and are gathering every last resource they have, but they know that no single vampyre is strong enough to vanquish her—unless that vampyre has the power to summon the elements as well as the ability to wield Old Magick. Only Zoey is heir to such power...but because of the consequences of using Old Magick, she is unable to help. In the final novel in the House of Night series, an epic battle of Light versus Darkness will decide who is redeemed...and who is forever lost. The House of Night series by P.C. Cast and

Kristin Cast is an international phenomenon, reaching #1 on U.S., German, and UK bestseller lists, and remaining a fixture on The New York Times Children's Series bestseller list for nearly 160 weeks and counting, with more than 12 million copies in print and rights sold in thirty-eight countries to date.

All her life, Elphame never felt like she belonged. From birth she was always set apart, infinitely different from her family and the people of Partholon, because she had so obviously been touched by the great Goddess Epona. When she feels the call of the ancient and crumbling MacCallan Castle, deserted since the Formorian war over a century ago, Elphame knows that she belongs to its impressive walls, fated to be its keeper. With the help of many others seeking a new home and fresh start to life, Elphame and her newfound clan begin to rebuild the great halls of the castle. But after she is rescued in the surrounding forest by a mysterious, extraordinary, and uniquely handsome man whose painful origin threatens the safety of her people, she must choose between the life she fought to create—and the love for him that grows within.

Completely revised and updated, this new edition provides a readable, beautifully illustrated journey through world cultures and the vibrant array of sky mythology, creation stories, models of the universe, temples and skyscrapers that each culture has created to celebrate and respond to the power of the night sky. Sections on the archaeoastronomy of South Asia and South East

Asia have been expanded, with original photography and new research on temple alignments in Southern India, and new material describing the astronomical practices of Indonesia, Malaysia and other Southeast Asian countries. Beautiful photographs of temples in India and Asia have been added, as well as new diagrams explaining the alignment of these structures and the astronomical underpinnings of temples within the Pallava and Chola cultures. From new fieldwork in the Four Corners region of North America, Dr. Penprase has included accounts of Pueblo skywatching and photographs of ceremonial kivas that help elucidate the rich astronomical knowledge of the Pueblo people. The popular "Archaeoastronomy of Skyscrapers" section of the book has been updated as well, with new interpretations of skyscrapers in Indonesia, Taiwan and China. With the rapid pace of discovery in astronomy and astrophysics, entirely new perspectives are emerging about dark matter, inflation and the future of the universe. The Power of Stars puts these discoveries in context and describes how they fit into the modern perspective of cosmology, which has arisen from the universal human response to the sky that has inspired both ancient and modern cultures.

The Fairy-Faith in Celtic Countries is a study by W. Y. Evans-Wentz, American anthropologist who studied Celtic mythology and folklore. He performed ethnographic fieldwork collecting fairy folklore in Wales, Scotland, Ireland, Cornwall, Brittany, and the Isle of Man, and in this book he published his degree thesis. His goal was to elucidate the phenomenon of the Celtic belief in fairies. Some of the theories he came across are that the fairies were a cloistered race of dwarfs, that they are a product of our imagination, or that they are incorporeal spirits.

A group of women, the jin-shei sisterhood, form a uniquely powerful circle that transcends class and social custom. They are bound together by a declaration of loyalty that transcends all other vows, even those with the gods, by their own secret language, passed from mother to daughter, by the knowledge that some of them will have to pay the ultimate sacrifice to enable others to fulfill their destiny. The sisterhood we meet run from the Emperor's sister to the street-beggar, from the trainee warrior in the Emperor's Guard to the apprentice healer, from the artist to the traveller-girl, herself an illegitimate daughter of an emperor and seen as a threat to the throne. And as one of them becomes Dragon Empress, her determination to hold power

against the sages of the temple, against the marauding forces from other kingdoms, drags the sisterhood into a dangerous world of court intrigue, plot and counterplot, and brings them into conflict with each other from which only the one who remains true to all the vows she made at the very beginning to the dying Princess Empress can rescue them. An amazing and unusual book, based on some historical fact, full of drama, adventure and conflict like a Shakespearean history play, it's a novel about kinship and a society of women, of mysticism, jealousy, fate, destiny, all set in the wonderful, swirling background of Syai, a fantasy kingdom inspired by Imperial China.

A House of Night Novel HarperCollins Australia

Something wicked this way comes... Twin sisters, Mercy and Hunter are witches, direct descendants of the Goode family, the founders of their town. After the murder of their mother at the hands of a foul demon, they have become the protectors of the Gates to different underworlds--ancient portals between their world and realms where mythology rules and the darkest of creatures exist. Grief has taken a terrible toll on the twins. Rather than bringing them together, their sadness has torn them apart, driving Mercy to attempt to save the crumbling Gates without her twin and Hunter into the arms of a dangerous goddess. While Mercy looks for aid from Khenti, Guardian of the Egyptian Underworld, Hunter begins to realize the goddess she's allied with is more monster than deity. She needs her sister's help, but Mercy is beyond her reach on an adventure that could cost them everything, including their world.

International bestselling author P.C. Cast brings us the magical, sensual Goddess Summoning series, which retells ancient myths with a sexy, modern twist - original, enthralling and utterly unputdownable . . . It's not green fingers that have kept the Empousai family's roses blooming for centuries - it's the drops of blood that their women secretly sacrifice for their gardens. But Mikki would rather forget this family quirk and lead a normal life. Until the day she unwittingly performs a ritual and ends up in the strangely familiar Realm of the Rose. As its goddess, Hecate, reveals to her, Mikki has the blood of a high priestess running through her veins. And the realm has been waiting for her . . . In a long ago flash of temper, Hecate cursed her Guardian beast with a slumber that only her priestess can undo - and Hecate is counting on Mikki to set things right. At first the beast terrifies Mikki - but soon he intrigues her more than any man ever has. But the only way he and the realm can be saved is for Mikki to sacrifice her life-giving blood - and herself . . .

Finally settled into her new world and role as the Goddess Epona’s Chosen, Shannon finds herself loving her life of luxury and service more and more each day. Her handsome husband is due to return from his travels soon, and the temple and its people have recovered from the terrible war months before. Even though the evil has been banished from the land and all is calm, Shannon can’t seem to shake the cloud of uneasiness (and nausea) she’s been feeling, even after she receives the wonderful news of her forthcoming bundle of joy. But when a routine ride through the countryside turns dangerous, Shannon is once again pulled across the divide—back to the rolling green of Oklahoma. Sensing the darkness growing in her former world and driven by Epona’s steady hand, she must rely on the tempting and sexy Clint Freeman to help her defeat the all-too-familiar evil that lurks in the shadows before she can return to her real home—Partholon.
