The popular sequel to his award-winning *Lost in the Barrens*, this is Farley Mowat's suspense-filled story of how Awasin, Jamie and Peetryuk, three adventure-prone boys, stumble upon a cache of Viking relics in an ancient tomb somewhere in the north of Canada. Packed with excitement and with little-known information about the customs of Viking explorers, this story of survival portrays the bond of youthful friendship and the wonders of a virtually unexplored land.

[Two Novellas](#) Markham, Ont. : Scholastic Canada

Through this fascinating story we experience the adventure, the painstaking work, the magic, the excitement and the awe through the eyes of the "tomb raider" himself, archaeologist Howard Carter. This book tells the story of one of the greatest

archeological discoveries ever, the discovery of the intact tomb of the 18th Dynasty Pharaoh, Tutankhamun (colloquially known as "King Tut" and "the boy king"), in November 1922.

Strange but True Stories of the World's Most Infamous Items Quirk Books

An extraordinary exploration of the ancestry of Britain through seven burial sites. By using new advances in genetics and taking us through important archaeological discoveries, Professor Alice Roberts helps us better understand life today. 'This is a terrific, timely and transporting book - taking us heart, body and mind beyond history, to the fascinating truth of the prehistoric past and the present' Bettany Hughes We often think of Britain springing from nowhere with the arrival of the Romans. But in *Ancestors*, pre-eminent archaeologist, broadcaster and academic Professor Alice Roberts explores what we can learn about the very earliest Britons, from burial sites and by using new technology to analyse ancient DNA. Told through seven fascinating burial sites, this groundbreaking prehistory of Britain teaches us more about ourselves and our history: how people came and went and how we came to be on this island. It explores forgotten journeys and memories of migrations long ago, written into genes and preserved in the ground for thousands of years.

This is a book about belonging: about walking in ancient places, in the footsteps of the ancestors. It explores our interconnected global ancestry, and the human experience that binds us all together. It's about reaching back in time, to find ourselves, and our place in the world.

Owls in the Family Orion

In this sequel to *Lost in the Barrens*, Jamie, Awasin (a Cree), and Peetyuk (an Inuit) return to a Viking grave in search of relics to sell for money for their families. Set in the Arctic Barrens west to Hudson Bay, Northwest Territories, this mystery adventure survival story reveals much about the differences in the Cree and Chippewyan Indian, the Inuit, and white ways of life.

The Ghost's Grave Tundra Books

Only nineteen years old, Nameh is already one of the best Guardians in the Academy. No one at the Academy, not even her best friend, knows about her dark past. Unsatisfied with her challenges as a Guardian, she finds herself searching for ancient magic, forbidden to her. Struggling to control the magic she now possesses, time is running short as the dark forces of the Guild are gaining in power and there are those who say that open war between the Guild and the Vine is just a matter of time. Knowing that something must be done to protect her world, Nameh and her newfound friends set out on a journey to find the Vine to gain whatever knowledge and protection from the Guild they may offer. The further they go, Nameh finds herself not only in near constant battle, but also questioning her heart - perhaps she will find more than friendship, but does she dare to confess that, even to herself? Approx. 21000 words

Awasin, a Cree Indian boy, and Jamie, a Canadian orphan living with his uncle, the trapper Angus Macnair, are enchanted by the magic of the great Arctic wastes. They set out on an adventure that proves longer and more dangerous than they could have imagined. Drawing on his knowledge of the ways of the wilderness and the implacable northern elements, Farley Mowat has created a memorable tale of daring and adventure. When first published in 1956, *Lost in the Barrens* won the Governor-General's Award for Juvenile Literature, the Book-of-the-Year Medal of the Canadian Association of Children's Librarians and the Boys' Club of America Junior Book Award.

Every child needs to have a pet. No one could argue with that. But what happens when your pet is an owl, and your owl is terrorizing the neighbourhood? In Farley Mowat's exciting children's story, a young boy's pet menagerie - which includes crows, magpies, gophers and a dog - grows out of control with the addition of two cantankerous pet owls. The story of how Wol and Weeps turn the whole town upside down is warm, funny, and bursting with adventure and suspense.

Book Two of the Billy Saga Simon and Schuster

Combining traditional myth, oral history and re-worked European legend to depict an ancient realm of heroism and wonder, the seven tales collected here are among the most fantastical of all the Norse romances. Powerfully inspired works of Icelandic imagination, they relate intriguing, often comical tales of famous kings, difficult gods and women of great beauty, goodness or cunning. The tales plunder a wide range of earlier literature from Homer to the French romances - as in the tale of the wandering hero Arrow-Odd, which combines several older legends, or Egil and Asmund, where the story of Odysseus and the Cyclops is skilfully adapted into a traditional Norse legend. These are among the most outrageous, delightful and exhilarating tales in all Icelandic literature.
