Modernity And Self Giddens' Modernity and Self Identity - in 14 bullet points. A brief post covering the relationship between self and society in late-modernity according to Anthony Giddens, covering concepts such as Globalisation, abstract systems, ontological security, manufactured risks, narcissism and fundamentalism. This is very much my own reading of Giddens' text - Modernity and Self-Identity: Self and Society in the Late Modern Age. Giddens' Modernity and Self Identity - in 14 bullet points ...'In this book Anthony Giddens brings back in personality, the psyche, human nature itself. It is a pleasure and a real intellectual advance to have a social theorist of his stature revive the once central but long ignored study of personality and culture, character and society, especially a theorist with his very precise sense of what is truly modern in contemporary life.'
