BRODY LOZANO

Vocabulary Workshop William H Sadlier

Nominated as one of America's best-loved novels by PBS's The Great American Read "It is universally read, from the cabinet council to the nursery," remarked Alexander Pope when Gulliver's Travels was published in 1726. One of the unique books of world literature, Swift's masterful satire describes the astonishing voyages of one Lemuel Gulliver, a ship's surgeon, to surreal kingdoms inhabited by miniature people and giants, quack philosophers and scientists, horses endowed with reason and men who behave like beasts. Written with great wit and invention, Gulliver's Travels is a savage parody on man and his institutions that has captivated readers for nearly three centuries. As bestselling author and critic Allan Bloom observed: "Gulliver's Travels is an amazing rhetorical achievement. Swift had not only the judgment with which to arrive at a reasoned view of the world but the fancy by means of which he could re-create that world in a form which teaches where argument fails and which satisfies all while misleading none." This representative collection of Swift's major writings includes the complete Gulliver's Travels as well as A Tale of a Tub, "The Battle of the Books," "A Modest Proposal," "An Argument Against Abolishing Christianity," "The Bickerstaff Papers," and many more of his brilliantly satirical works. Here too are selections from Swift's poetry and portions of his Journal to Stella. Swift's savage ridicule, corrosive wit, and sparkling humor are fully displayed in this comprehensive collection.

Excerpt from The Shame of the Cities This is not a book. It is a collection of articles reprinted from McClure's Magazine. Done as journalism, they are journalism still, and no further pretensions are set up for them in their new dress. This classi

EllRay Jakes Is Not a Chicken Simon and Schuster

New York Times bestselling author and Newbery Honor recipient Steve Sheinkin gives young readers an American history lesson they'll never forget in the fun and funny King George: What Was His Problem?: Everything Your Schoolbooks Didn't Tell You About the American Revolution, featuring illustrations by Tim Robinson. A Bank Street Best Children's Book of the Year A New York Public Library 100 Titles for Reading and Sharing What do the most famous traitor in history, hundreds of naked soldiers, and a salmon lunch have in common? They're all part of the amazing story of the American Revolution. Entire books have been written about the causes of the American Revolution. This isn't one of them. What it is, instead, is utterly interesting, anecdotes (John Hancock fixates on salmon), from the inside out (at the Battle of Eutaw Springs, hundreds of soldiers plunged into battle "naked as they were born") close-up narratives filled with little-known details, lots of quotes that capture the spirit and voices of the principals ("If need be, I will raise one thousand men, subsist them at my own expense, and march myself at their head for the relief of Boston" --George Washington), and action. It's the story of the birth of our nation, complete with soldiers, spies, salmon sandwiches, and real facts you can't help but want to tell to everyone you know. "For middle-graders who find Joy Hakim's 11-volume A History of US just too daunting, historian Sheinkin offers a more digestible version of our country's story...The author expertly combines individual stories with sweeping looks at the larger picture—tucking in

extracts from letters, memorable anecdotes, pithy characterizations and famous lines with a liberal hand.”—Kirkus Reviews Also by Steve Sheinkin: Bomb: The Race to Build—and Steal—the World’s Most Dangerous Weapon The Notorious Benedict Arnold: A True Story of Adventure, Heroism & Treachery The Port Chicago 50: Disaster, Mutiny, and the Fight for Civil Rights Undeclared: Jim Thorpe and the Carlisle Indian School Football Team Most Dangerous: Daniel Ellsberg and the Secret History of the Vietnam War Which Way to the Wild West?: Everything Your Schoolbooks Didn’t Tell You About Westward Expansion Two Miserable Presidents: Everything Your Schoolbooks Didn’t Tell You About the Civil War Born to Fly: The First Women’s Air Race Across America

Franny K. Stein is not your average girl—she’s a mad scientist. She prefers poison ivy to daisies, and when Franny jumps rope, she uses her pet snake. The kids in Franny’s class think she’s weird, wacky, and just plain creepy. Tired of being stared at, Franny decides to attempt her most dangerous experiment yet—she’s going to fit in. But when a giant Monstrous Fiend attacks the class, everyone knows only a true mad scientist can save the day. But has Franny lost her creepy, crawly ways?

EllRay Jakes is tired of being bullied by fellow classmate Jared Matthews. But when EllRay tries to defend himself, he winds up in trouble. Then his dad offers him a deal: If he stays out of trouble for one week, they’ll go to Disneyland! EllRay says he can do it. But saying it and doing it are two very different things.

A murder in a garden turns the four new owners of Yon Bonnie Books into amateur detectives, in a captivating new cozy mystery novel from Molly MacRae. Set in the weeks before the annual Inversgail Literature Festival in Scotland, Plaid and Plagiarism begins on a morning shortly after the four women take possession of their bookshop in the Highlands. Unfortunately, the move to Inversgail hasn’t gone as smoothly as they’d planned. First, Janet Marsh is told she’ll have to wait before moving into her new home. Then she finds out the house has been vandalized. Again. The chief suspect? Una Graham, an advice columnist for the local paper—who’s trying to make a name for herself as an investigative reporter. When Janet and her business partners go looking for clues at the house, they find a body—it’s Una, in the garden shed, with a sickle in her neck. Janet never did like that garden shed. Who wanted Una dead? After discovering a cache of nasty letters, Janet and her friends are beginning to wonder who didn’t, including Janet’s ex-husband. Surrounded by a cast of characters with whom readers will fall in love, the new owners of Yon Bonnie Books set out to solve Una’s murder so they can get back to business. A delightful and deadly new novel about recognizing one’s strengths and weakness—while also trying to open a new book shop—Plaid and Plagiarism is the start of an entertaining new Scottish mystery series.
