A New York Times bestseller!

Magic is growing, shadows are rising, and the throne is at stake... Russia is on the brink of great change. Pasha's coronation approaches, and Vika is now the Imperial Enchanter, but the role she once coveted may be more difficult—and dangerous—than she ever expected. Pasha is grappling with his own problems—his legitimacy is in doubt, the girl he loves loathes him, and he

believes his best friend is dead. When a challenger to the throne emerges—and with the magic in Russia growing rapidly—Pasha must do whatever it takes to keep his position and protect his kingdom. For Nikolai, the ending of the Crown's Game stung deeply. Although he just managed to escape death, Nikolai remains alone, a shadow hidden in a not-quite-real world of his own creation.

But when he's given a second chance at life—tied to a dark price—Nikolai must decide just how far he's willing to go to return to the world.

With revolution on the rise, dangerous new magic rearing up, and a tsardom up for the taking, Vika, Nikolai, and Pasha must fight—or face the destruction of not only their world but also themselves.

The first in an epic new fantasy series, introducing an unforgettable new heroine and a stunningly original dystopian steampunk world with a flavor of feudal Japan.

A DYING LAND

The Shima Imperium verges on the brink of environmental collapse; an island nation once rich in tradition and myth, now decimated by clockwork industrialization and the machine-worshippers of the Lotus

Guild. The skies are red as blood, the land is choked with toxic pollution, and the great spirit animals that once roamed its wilds have departed forever. **AN IMPOSSIBLE QUEST** The hunters of Shima's imperial court are charged by their Shogun to capture a thunder tiger – a legendary creature, half-eagle, half-tiger. But any fool knows the beasts have been extinct for more than a century, and

the price of failing the Shogun is death. A HIDDEN GIFT Yukiko is a child of the Fox clan, possessed of a talent that if discovered, would see her executed by the Lotus Guild. Accompanying her father on the Shogun's hunt, she finds herself stranded: a young woman alone in Shima's last wilderness, with only a furious, crippled thunder tiger for company. Even though she can hear

his thoughts, even though she saved his life, all she knows for certain is he'd rather see her dead than help her. But together, the pair will form an indomitable friendship, and rise to challenge the might of an empire.

Everyone hates parts of their job. Maybe it's the paperwork. Maybe it's the day-to-day grind. Maybe it's that client who never knows what they want, or the guy who always cooks fish in the microwave. But not me. I love every corner of the Longbourne Flower Shop, every flower, every petal, every stem. I love the greenhouse, and I love Mrs. Bennet, my boss. I love creating, and I

love being a florist. I don't hate anything at all. Except for Luke Bennet. The Bennet brothers have come home to help their mom save the flower shop, and Luke is at the helm. His smile tells a tale of lust, loose and easy. He moves with the grace of a predator, feral and wild. A thing unbridled, without rules or constraint. When he comes home to save Longbourne, I almost can't be mad at

him. Almost. He doesn't remember that night I'll never forget. That kiss, touched with whiskey and fire. It branded me like a red-hot iron. But it meant nothing to him. Everyone hates part of their job, and I hate Luke Bennet. Because if I don't, I'll fall in love with him. *Morningstar* Macmillan New York Times bestselling author of THE GOOD GIRL Mary Kubica is back with

another exhilarating thriller as a widow's pursuit of the truth leads her to the darkest corners of the psyche. Clara Solberg's world shatters when her husband and their four-year-old daughter are in a car crash, killing Nick while Maisie is remarkably unharmed. The crash is ruled an accident...until the coming days, when Maisie starts having night terrors that make Clara question what really

happened on that fateful afternoon. Tormented by grief and her obsession that Nick's death was far more than just an accident, Clara is plunged into a desperate hunt for the truth. Who would have wanted Nick dead? And, more important, why? Clara will stop at nothing to find out—and the truth is only the beginning of this twisted tale of secrets and deceit. Told in the alternating perspectives

of Clara's investigation and Nick's last months leading up to the crash, master of suspense Mary Kubica weaves her most chilling thriller to date—one that explores the dark recesses of a mind plagued by grief and shows that some secrets might be better left buried.
