Life-changing Magic Simon and Schuster

For thirty years Nick Coleman immersed himself in music, from rock'n'roll to "pro rock," jazz to classical, until one morning as he sat up in bed, his right ear went stone deaf. His left ear—as though to compensate—started to make horrific noises ". . . like the inside of an old fridge hooked up to a half-blown amplifier." The Train in the Night explores the world in which a music critic must cope with a world that has abruptly lost its most important element, sound. But Coleman opens more than his struggle; he delves back into his past to examine how music defined his identity, how that identity must be reshaped by its loss, and how at time the memory of the music can be just as powerful as the music itself.

"Reading this will lead you to a better life." —Dean Nelson, author of *God Hides in Plain Sight* In *The 100 Thing Challenge* Dave Bruno relates how he remade his life and regained his soul by getting rid of almost everything. But *The 100 Thing Challenge* is more than just the story of how one man started a movement to unhook himself from consumerism by winnowing his life's possessions down to 100 things in one year. It's also an inspiring, invigorating guide to how we all can begin to live simpler, more meaningful lives.

****SHORTLISTED FOR THE WILLIAM HILL SPORTS BOOK OF THE YEAR 2017****Coping with your own death, when you are not yet dead, is a strange thing...A natural on a horse since he was able to walk, and imbued with a pure love of riding, Declan Murphy became one of the most brilliant jockeys of his generation before his world came crashing down at the final hurdle of a race at Haydock Park. His skull shattered in twelve places, he was believed to be dead, the last rites were read and the Racing Post prepared his obituary. Miraculously, and the word is not used lightly, he survived and defied medical thinking in recovering to the extent that eighteen months after his fall, he was able to saddle up for one more race. As usual, he won. For 23 years, Declan has been unable to tell his story, to bring to words existence on the frontier between life and death, to describe the incredible bond between man and horse. But now, in an extraordinary collaboration with Ami Rao, she has helped him find those words, a way to piece together what happened before, during and after, what it all meant and what it means to us all. It

is a story of triumph, fear, love and loss, by turns primal, heartbreaking and inspirational, and ultimately, it is the story of hope, and of life.

DISCOVER THE JAPANESE SECRET TO FINANCIAL WELL-BEING: The Takeibo is a wonderful tool for anyone who wants to make keeping track of their spending more streamlined People in Japan are masters of minimal living, able to make do with less in all aspects of life, whether it's de-cluttering personal belongings or savvy seasonal cooking. At the heart of all this is the takeibo: the budgeting journal used to set savings goals and track spending. The premise is simple: at the beginning of each month, the prompts in this book help you to plan how much you would like to save and what you need to do in order to reach your goal. The takeibo then gives you space to jot down your weekly spending and reflect on the month just gone. The act of completing your journal ensures that saving is a part of your everyday life, while

also giving you the opportunity to reflect and improve every month.

James Rhodes's passion for music has been his lifeline--the thread that has held through a life encompassing abuse and turmoil. But whether listening to Rachmaninov on a loop as a traumatized teenager or discovering a Bach adagio while in a hospital ward, he survived his demons by encounters with musical miracles. These--along with a chance encounter with a stranger--inspired him to become the renowned concert pianist he is today.
Instrumental is a memoir like no other: unapologetically candid, boldly outspoken, and surprisingly funny--shot through with a mordant wit, even in its darkest moments. A feature film adaptation of Rhodes's incredible story is now in development from Monumental Pictures and BBC Films, following a competitive bidding war involving major U.S. and U.K. companies. An impassioned tribute to the therapeutic powers of music, *Instrumental* also weaves in fascinating facts about how classical music actually works and about the extraordinary lives of some of the great composers. It explains why and how music has the potential to transform all of our lives.

Spending

Originally published in the 1940s, Paul Hindemith's remarkable textbooks are still the outstanding works of their kind. In contrast to many musical textbooks written by academic musicians, these were produced by a man who could play every instrument of the orchestra, could compose a satisfying piece for almost every kind of ensemble, and who was one of the most stimulating teachers of his day. It is therefore not surprising that nearly forty years later these books should remain essential reading for the student and the professional musician

Control your spending, save money, regain peace of mind, and make your life happier and healthier with Takebo—the traditional Japanese method of money management that is still widely used today. Having enough money to live is one of the most important factors affecting our health. Trying to balance expenses—utility bills, housing, healthcare, food, and for many, the costs of raising children (not to mention paying for college!)—leaves us worried and stressed. But there is a solution: Takebo, a practical, proven method that helps you keep track of every penny, manage spending, and save up to thirty percent more! With this invaluable guide you'll interact with your spending every day for two years, and learn how to manage your personal budget. Designed like a diary, it allows you to record all your daily expenses week by week so you can see exactly where your money goes. Each day is divided into four categories: 1. primary needs—food, personal hygiene, children; 2. optional needs—shopping, cosmetics, gifts; 3. culture and free time—restaurants, books, entertainment; and 4. extras/foreseeable expenses—such as travel, repairs, tuition, and taxes. Takebo begins with setting a monthly budget. At the beginning of each month, enter your fixed incoming funds and outgoing expenses, and set a savings target. Then, each day, record your various expenses. By keeping close tabs on what you're spending, you'll be able to identify the waste and see the most significant areas where adjustments can be made. Takebo also offers practical and motivating tips that teach you how to save more successfully. Takebo isn't just about money—it helps to develop self-awareness, self-discipline, and self-esteem, and promotes peace of mind. Best of all, you can begin any time of year—individually marking the months and days without wasting any pages. Plus, its simple yet inviting for-color graphics help you break down each expense and easily identify see where adjustments need to be made.

¿Te cuesta ahorrar?¿Tienes a hacer compras cuando te encuentras estresada, aburrida o solo porque quieres sentir un (muy corto) subidón de dopamina? Si respondiste que sí a al menos una de las anteriores preguntas o quieres tener conciencia plena sobre tus gastos, entonces Takebo es para ti. TAKEBO es un cuaderno de seguimiento de presupuesto mensual, toma su nombre de un término japonés que significa "libro de cuentas para el ahorro doméstico". Su meta última es incrementar tus ahorros pero en el proceso puedes reflexionar acerca de tu relación con el dinero y entender qué motiva cada gasto que realizas. Takebo enfatiza la importancia de sentarse a escribir en el papel físico como una manera meditativa de procesar y observar tus hábitos de gastos. Ventajas: ☆Te mantiene conciente sobre el estilo de vida que estás llevando; ☆Ayuda a

identificar el verdadero valor del dinero: saber el valor de las cosas te permitirá limitar gastos innecesarios; ☆Limita el estrés asociado con las finanzas: un registro diario de tus gastos te dará una sensación de control y serenidad; ☆Permite desarrollar autodisciplina: Takebo parece restrictivo al principio, sin embargo, pronto percibirás los beneficios del mismo, y sentirás que estás invirtiendo en tu bienestar personal y financiero; ☆Te posibilita ahorrar dinero: usando takebo podrás establecer metas de ahorro de entre el 10% al 30% cada mes. Características de este TAKEBO: * Tamaño: 8.5"x11" (22cm x 28cm) * 196 Páginas * Incluye instrucciones y descripción de esta filosofía * Planificadores semanales y mensuales. Incluye planillas para 12 meses * Sin Fecha, puede empezar a usarse en cualquier momento del año * Diseño amigable y fácil de usar * Acabado mate Takebo es un excelente regalo para cualquiera que busque manejar de mejor manera sus finanzas hogareñas. Este cuaderno está diseñado para ser usado un año completo, empezando cualquier mes. ¡Empieza hoy y comprueba sus beneficios!

Have you ever wondered what rich people did to get where they are?What would your life be like with around \$5000 a month in passive income? Would you quit your job and go traveling? Can you imagine how happy you'd be if you could spend your time doing the things you love? In this book, we'll show you all the tricks and secrets rich people use to generate money and keep their bank balances growing. All the things we should be taught at school about how to manage our money, but that rich people, banks and the government don't want us to know! The old "study hard and get a good job" is outdated. You can never be free working over eight hours a day, in a job that doesn't motivate you, for peanuts. With The RICH Method, you can achieve financial freedom in 4 simple steps! With this book, you'll learn to:
●Get assets that generate over \$5000 a month in passive income.●Increase your income, even starting with nothing.●Reduce your costs up to 50% without losing quality of life.●Pay off your debts faster, savings thousands of dollars in interest and fees, thanks to the P.A.I.D. Method(R).●Save at least 35% of your income using the most effective methods of saving.●Create your own assets and invest in financial and real estate assets using some of the investment strategies rich people use to make their fortunes.●Invest to reach retirement with \$1,000,000 in your pension plan.●Manage your personal finances more effectively.●Avoid paying thousands of dollars in taxes.●Reach your full potential and become the best version of yourself.●...and much more. We can't promise you'll get rich within the month. Nobody can. And anyone who does is lying! But we will equip you with the tools you need to reach financial freedom in a short space of time. All you have to do is follow the steps of our method!Once you've learned to invest and generate your own assets, getting rich is just a matter of time! We'll show you the way to choosing your own destiny. It will be you and you alone who chooses your life's direction, what you want to do, and what you want your future to look like. How much longer are you going to wait to take the first step? Are you brave enough to fight for what you've always wanted? It's time to achieve your dreams. Your only limit is you. Now is your moment! You decide! You can close the tab and get on with your life... Or you can buy this book and get on the path to financial freedom today! Returns guarantee We're tired of gurus and time-wasters promising to make you rich fast and easy. We've developed a method that we know works, because we've used it ourselves and with our students. We're so convinced the method works that if you feel this book doesn't deliver, we'll refund 100% of your money!
