And How They Were Captured by the Daring Detectives of the New Cut Gang Simon and Schuster  
Lyra Selene weaves a lush and thrilling story of sacrifice, secrets, and star-crossed love set in a Parisian-inspired world where the sun never sets in this remarkable YA fantasy debut.

*The Raven Ring* Alfred A. Knopf Books for Young Readers

A trio of bewitching novels featuring devoted cousins who must juggle their magical powers with their duties as ladies in Regency-era England. Enter Regency-era England—and a world in which magical mayhem and high society go hand in hand—with three novels featuring cousins Cecelia and Kate. In *Sorcery & Cecelia*, the two cousins have been inseparable since girlhood. But in 1817, Kate goes to London to make her debut into English society, leaving Cecelia behind to fight boredom in her small country town. While visiting the Royal College of Wizards, Kate stumbles on a plot to destroy a beloved sorcerer—and only Cecelia can help her save him. In *The Grand Tour*, Cecelia and Kate, along with their husbands, are inaugurating married life with a trip to the Continent. When a mysterious woman in Calais gives Cecelia a package intended for Kate's mother-in-law, however, the two young wives realize they must spend their honeymoons preventing an emperor-in-exile named Napoleon from reclaiming the French crown. In *The Mislaid Magician*, it is 1828 and the cousins are now society matrons. The steam engine is announcing its arrival and the shaking of the locomotives begins to disrupt England's ancient, underground magical ley lines. When the disappearance of a foreign diplomat threatens to become an international incident, Cecelia departs to fight for the future of magic—leaving Kate to care for a gaggle of disobedient, spell-casting tots. Blending history, romance, and magic, these charming novels from the author of the *Enchanted Forest Chronicles* will delight anyone who loves Harry Potter or Susannah Clarke's *Jonathan Strange & Mr Norell*.

**Two Crafty Criminals!** Open Road Media

Lyra and Pantalaimon (now a pine-marten) are back at Oxford, but their peace is shattered by Ragi, the daemon of the witch Yelena, who is searching for a healing elixir to cure his witch.

**Daughter of Witches** Light Technology Publishing

Ten short stories include the tale of Queen Cimorene's Frying Pan of Doom, a yarn about a magical blue chipmunk with a passion for chestnuts, and a story about an enchanted wizard's daughter.

**My Little Pony: Lyra and Bon Bon and the Mares from S.M.I.L.E.** Knopf Books for Young Readers

Four-time Edgar Award winning author Lawrence Sanders' definitive essay collection on the art of writing fiction. For ten years, crime novelist Lawrence Sanders funneled his wealth of writing expertise into a monthly column for "Writer's Digest." Collected here for the first time are those pieces illuminating the tricks of the authorial trade, from creating vibrant characters and generating seamless plots, to conquering writer's block and experimenting with self-publishing. Filled with wit

and insight, "The Liar's Bible" is a must-read for experts, amateurs, and anyone interested in learning to craft great fiction from one of the field's modern masters. This ebook features an illustrated biography of Lawrence Sanders, including rare photos and never-before-seen documents from the author's personal collection. "

His Dark Materials Tom Doherty Assoc Llc

When a mysterious pony named Agent Furlong pays Bon Bon a visit, Lyra discovers that her best friend is actually an operative for a top secret monster-capturing league. To prove their friendship is forever, Lyra and Bon Bon will have to go undercover together and protect Equestria from the ongoing changeling threat. © 2016 Hasbro. All Rights Reserved.

*Daughter of Witches* Armchair Alien

"The Prism of Lyra is an exploration of Human Galactic Heritage. The Prism of Lyra is a book that examines the idea of creation in a different light. In contrast to the notion that humans are the result of creation, it explores the idea that the collective humanoid consciousness (or soul) created our universe for specific purposes. What are those purposes? Who is involved? These questions and many more are addressed, resulting in startling possibilities. The Prism of Lyra then traces various off-planet races (Lyra, Vega, the Pleiades, Orion, Zeta Reticuli, and more) through their own evolution and ties them into the developing Earth. Highlighted is the realization of our galactic interconnectedness . . . and our shared desire to return home. Explore with us the passage through . . .The Prism of Lyra."

**The Lyra Novels** Open Road Media

Peopled by humans, Shee, forest-dwelling, Wyrdsd, and watery Neira, Lyra is a place of beauty and peace--or would be, if it were not for the immensely powerful and evil Shadow-born, straining against the bonds that have held them for millenia.

**Annals of the Astronomical Observatory of Harvard College** Houghton Mifflin Harcourt

Includes separate vol.: Contents of Annals of Harvard College Observatory, v. 1-73.

*Science Fiction Romance Anthology* Knopf Books for Young Readers

In an alternate frontier America, Eff must travel beyond the Great Barrier and come to terms with her magic abilities--and those of her twin brother--to stop the newest threat encroaching on the settlers.

Lyra and Misty Harvard University Press

A dramatic account of the Americans who tried to stop their nation from fighting in the First World War—and came close to succeeding. In this “fascinating” (Los Angeles Times) narrative, Michael Kazin brings us into the ranks of one of the largest, most diverse, and most sophisticated peace coalitions in US history. The activists came from a variety of backgrounds: wealthy, middle, and working class; urban and rural; white and black; Christian and Jewish and atheist. They mounted street demonstrations and popular exhibitions, attracted prominent leaders from the labor and suffrage movements, ran peace candidates for local and federal office, met with President Woodrow Wilson to make their case, and founded new organizations that endured beyond the cause. For

almost three years, they helped prevent Congress from authorizing a massive increase in the size of the US army—a step advocated by ex-president Theodore Roosevelt. When the Great War's bitter legacy led to the next world war, the warnings of these peace activists turned into a tragic prophecy—and the beginning of a surveillance state that still endures today. Peopled with unforgettable characters and written with riveting moral urgency, *War Against War* is a “fine, sorrowful history” (The New York Times) and “a timely reminder of how easily the will of the majority can be thwarted in even the mightiest of democracies” (The New York Times Book Review).

**The Graphic Novel** Penguin

SOON TO BE A MAJOR MOTION PICTURE—The #1 New York Times bestselling worldwide sensation with more than 12 million copies sold, “a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature” (The New York Times Book Review), now in paperback for the first time. For years, rumors of the “Marsh Girl” have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. *Where the Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

*Memoirs of the Royal Astronomical Society Vol. V* Open Road Media

Hypatia—brilliant mathematician, eloquent Neoplatonist, and a woman renowned for her beauty—was brutally murdered by a mob of Christians in Alexandria in 415. She has been a legend ever since. In this engrossing book, Maria Dzielska searches behind the legend to bring us the real story of Hypatia's life and death, and new insight into her colorful world. Historians and poets, Victorian novelists and contemporary feminists have seen Hypatia as a symbol—of the waning of classical culture and freedom of inquiry, of the rise of fanatical Christianity, or of sexual freedom. Dzielska shows us why versions of Hypatia's legend have served her champions' purposes, and how they have distorted the true story. She takes us back to the Alexandria of Hypatia's day, with its Library and Museion, pagan cults and the pontificate of Saint Cyril, thriving Jewish community and vibrant Greek culture, and circles of philosophers, mathematicians, astronomers, and militant Christians. Drawing on the letters of Hypatia's most prominent pupil, Synesius of Cyrene, Dzielska constructs a compelling picture of the young philosopher's disciples and her teaching. Finally she plumbs her sources for the facts surrounding Hypatia's cruel death, clarifying what the murder tells us about the tensions of this tumultuous era.

*Annals* Knopf Books for Young Readers

When your best friend is a unicorn, magical adventures are guaranteed! Imagine a school where you meet your own unicorn and have amazing adventures together! That's what happens for the girls at Unicorn Academy on beautiful Unicorn Island. When Lyra discovers a piece of an ancient map hidden in Unicorn Academy, she's certain it will lead to treasure. **Publications of the United States Naval Observatory** Society of Biblical Lit

Lyra and Will find themselves at the center of a battle between the forces of the Authority and those gathered by Lyra's father, Lord Asriel.

**Lyra's Oxford** Knopf Books for Young Readers

Rule number 1: Whatever you do, don't open the box. Well, that's rule number two actually. Rule number one is don't take salvage jobs from people who've tried to sell you to an Antillian bug salesman. Neara “Tink” Bell is used to a life of odd jobs and even odder crewmates, working as the engineer and all-around fixer on the cargo ship Lyra. But when the ship picks up two new crew members and a salvage job on a third-rate space station, things go sideways in a cosmic way. Alek Wa is on the run. And he's pretty sure he can hide amongst the motley crew of Lyra. But that's not the only reason he's on-board. He has a mission. If only his minders had told him what it was. Captain Rebeka Mino just wants to retire with a whiskey and a steamy novel. She'd even let the ship's cat sit on her lap, provided he keeps his claws to himself. Too bad the ship keeps getting shot at. And when they arrive at the coordinates for the salvage job, they're confronted by a dead ship in the deep black. Can Tink keep the Lyra running despite unexplained accidents? Can Alek outrun the people hunting him? Can Rebeka prevent their pursuers from blowing them up? Most importantly, can they keep their curiosity in check and not look in the box? Find out now in this rollercoaster ride of a sci-fi adventure!

**A Dead Ship in the Deep Black** Independently Published

A debut sci-fi novel by Lyra Thorsson that has the grittiness of Jessica Jones, but the humor of Firefly. All Rebecca wants in life is to sail through space in her ship—is that too much to ask? The moment she lays eyes on her old military buddy Jonathan, Rebecca knew there was no running away from her duties. With her best friend, sometimes with benefits, Nik, she desired to return home to the Nreff Nation, one of the four government powers of the systems, to serve on one last mission. However, the problem with returning is that they all are wanted for treason. It wasn't their fault, however, as they had been framed by their old admiral, Sebastien Wilde. Fortunately, succeeding in this mission might give them a clean slate, as they are to find evidence of Wilde's involvement in the illegal human experimentation ring that goes against the Treaty Of World Equality and Rights (T.O.W.E.R.). Rebecca and Nik agree to the mission, hoping to earn a more peaceful life, however Rebecca hides a dark secret: she was once closer to Sebastien than any of them ever realized, and the evidence incriminating him might also implicate her. Now Rebecca has a choice: turn her back on her comrades and run for her life, or face her sins in order to prevent an all-out war. \*This novel contains sexual content, violence, drug abuse, and mental, sexual, and physical abuse.\*

*Book of Enchantments* Open Road Media

The Harp of Imach Thyssel Open Road Media

*The golden compass. Book one* Open Road Media

NEW YORK TIMES BESTSELLER Philip Pullman returns to the parallel world of His Dark Materials--now an HBO original series starring Dafne Keen, Ruth Wilson, James McAvoy, and Lin-Manuel Miranda--to expand on the story of Lyra, "one of fantasy's most indelible heroines" (The New York Times Magazine). Don't miss Volume II of The Book of Dust: The Secret Commonwealth Malcolm Polstead and his daemon, Asta, are used to overhearing news and the occasional scandal at the inn run by his family. But during a winter of unceasing rain, Malcolm finds a mysterious object--and finds himself in grave danger. Inside the object is a cryptic message about something called Dust; and it's not long before Malcolm is approached by the spy for whom this message was actually intended. When she asks Malcolm to keep his eyes open, he begins to notice suspicious characters everywhere: the explorer Lord Asriel, clearly on the run; enforcement agents from the Magisterium; a gyptian named

Coram with warnings just for Malcolm; and a beautiful woman with an evil monkey for a daemon. All are asking about the same thing: a girl--just a baby--named Lyra. Lyra is at the center of a storm, and Malcolm will brave any peril, and make shocking sacrifices, to bring her safely through it. "Too few things in our world are worth a seventeen-year wait: The Book of Dust is one of them." --The Washington Post "The book is full of wonder. . . . Truly thrilling." --The New York Times "People will love the first volume of Philip Pullman's new trilogy with the same helpless vehemence that stole over them when The Golden Compass came out." --Slate  
*Subtle Knife* Scholastic Inc.

Bored with traditional palace life, Princess Cimorene travels to the Mountains of Morning where she is befriended by a group of powerful dragons and joins in their struggle to protect their kingdom from being taken over by disreputable wizards.
