The Path Is the Goal Shambhala
Publications

The first volume of this landmark series presents the teachings of the hinayana. The hinayana introduces core Buddhist teachings on the nature of mind, the practice of meditation, the reality of suffering, and the possibility of liberation. It examines the nature of suffering,

impermanence, and egolessness, with an emphasis on personal development through meditative discipline and study. The formal entry into the hinayana and the Buddhist path altogether is the refuge vow, in which a student goes for refuge to the Buddha, or the teacher; the dharma, or the teachings; and the sangha, or the community. The hinayana path is based on training in mindfulness and awareness, cultivating virtue, and cutting grasping. Topics covered in detail in this volume include the four noble truths, karma, the

four foundations of mindfulness, meditation practice, the refuge vows, the three jewels, the five skandhas, the five precepts, twofold egolessness, and more. The Profound Treasury of the Ocean of Dharma represents meditation master Chögyam Trungpa's greatest contribution to Western Buddhism. This three-volume collection presents in lively, relevant language the comprehensive teachings of the Tibetan Buddhist path of the hinayana, mahayana, and vajrayana. This work will resonate with new students of Buddhism

as well as the most senior students.

Remembering Chogyam Trungpa

Shambhala Publications

Many of us, without even realizing it, are dominated by fear. We might be aware of some of our fears—perhaps we are afraid of public speaking, of financial hardship, or of losing a loved one. Chögyam Trungpa shows us that most of us suffer from a far more pervasive fearfulness: fear of ourselves. We feel ashamed and embarrassed to look at our feelings or acknowledge our styles of thinking and acting; we don't want to face the reality of our moment-to-moment experience. It is this fear that keeps us trapped in cycles of suffering, despair, and distress. Chögyam Trungpa offers us a vision of moving beyond fear to discover the innate bravery, trust, and delight in life that lies at the core of our being. Drawing on the Shambhala Buddhist teachings, he explains how we can each become a spiritual warrior: a person who faces each moment of life with openness and

fearlessness. "The ultimate definition of bravery is not being afraid of who you are," writes Chögyam Trungpa. In this book he offers the insights and strategies to claim victory over fear.

Selected Poetry of Chogyam Trungpa
Shambhala Publications

Here is an inspiring collection of short teachings from the writings of the renowned Tibetan meditation master Chögyam Trungpa. Pithy and immediate, these teachings can be contemplated and practiced every day—or any day—of the year. Drawn from a wide variety of sources—including never-before-published writings—*Ocean of Dharma* addresses a range of topics, including fear and fearlessness, accepting our imperfections, developing confidence, helping others, appreciating our basic goodness, and everyday life as a spiritual path.

Entering the Tibetan Buddhist Path Simon
and Schuster

"In *Shambhala: The Sacred Path of the Warrior* Chögyam Trungpa offers an inspiring and practical guide to enlightened living based on the Shambhala journey of warriorship, a secular path taught internationally through

the Shambhala Training program. *Great Eastern Sun: The Wisdom of Shambhala* is a continuation of that path. Shambhala was an exploration of human goodness and its potential to create an enlightened society—a state that the author calls "nowness." And in that spirit of nowness, *Great Eastern Sun*—which is accessible to meditators and nonmeditators alike—centers on the question, "Since we're here, how are we going to live from now on?"

**The Everyday Wisdom of Chogyam
Trungpa** Shambhala Publications

A pocket-sized treasury of short teachings on living life with courage and compassion—from one of the most influential Buddhist teachers of our time Chögyam Trungpa (1940–1987), one of the most influential Tibetan meditation masters to practice and teach in the West, used to say that wisdom can be taught only in the form of a hint—a hint that inclines us to recognize the wisdom in us all along. Here are 108 marvelous hints from the renowned teacher so supremely skilled at dropping them. The *Pocket Chögyam Trungpa* will serve as a compact introduction to his teachings for those not

yet familiar with him—and as a wonderful source of daily inspiration for those who are. The Shambhala Pocket Library is a collection of short, portable teachings from notable figures across religious traditions and classic texts. The covers in this series are rendered by Colorado artist Robert Spellman. The books in this collection distill the wisdom and heart of the work Shambhala Publications has published over 50 years into a compact format that is collectible, reader-friendly, and applicable to everyday life.

My 52 Weeks of Worship Shambhala Publications

The rewards of mindfulness practice are well proven: reduced stress, improved concentration, and an overall sense of well-being. But those benefits are just the beginning. Mindfulness in action—mindfulness applied throughout life—can help us work more effectively with life's challenges, expanding our appreciation and potential for creative engagement. This guide to mindful awareness through meditation provides all the basics to get you started but also goes deeper to address the questions that naturally arise as your practice matures

and further insight arises. A distillation of teachings on the subject by one of the great meditation masters of our time, this book serves as an introduction to the practice as well as a guide to the ongoing mindful journey.

Meditation in Action Shambhala Publications

The Collected Works of Chögyam Trungpa brings together in eight volumes the writings of one of the first and most influential and inspirational Tibetan teachers to present Buddhism in the West. Organized by theme, the collection includes full-length books as well as articles, seminar transcripts, poems, plays, and interviews, many of which have never before been available in book form. From memoirs of his escape from Chinese-occupied Tibet to insightful discussions of psychology, mind, and meditation; from original verse and calligraphy to the esoteric lore of tantric Buddhism—the impressive range of Trungpa's vision, talents, and teachings is showcased in this landmark series. Volume Eight covers matters of culture, state, and society. The two complete books reprinted here—Shambhala: The Sacred Path of the

Warrior and Great Eastern Sun: The Wisdom of Shambhala—explore the vision of an ancient legendary kingdom in Central Asia that is viewed as a model for enlightened society and as the ground of wakefulness and sanity that exists as a potential within every human being. The selected writings include discussions of political consciousness, the martial arts, and the true meaning of warriorship. Two previously unpublished articles are "The Martial Arts and the Art of War," on the place of warriorship in the Buddhist teachings, and "The Seven Treasures of the Universal Monarch," a little gem describing the world of the Shambhala monarch.

The art of composing spontaneous songs that express spiritual understanding has existed in Tibet for centuries. Over a hundred of these profound songs are found in this collection of the works of the great teachers of the Kagyü lineage, known as the Practice Lineage of Tibetan Buddhism. Many readers are already familiar with the colorful life of the yogin Milarepa, an early figure in the Kagyü

lineage, some of whose songs are included here. Songs by over thirty other Buddhist teachers are also presented, from those of Tilopa, the father of the lineage, to those of the Sixteenth Gyalwa Karmapa, as well as several songs by Chögyam Trungpa, the noted teacher of Buddhism in America who directed the translation of *The Rain of Wisdom*. The diversity of the songs mirrors the richness of Tibetan Buddhism and gives us clear portraits of some of its most eminent teachers. Their longing for truth, their heartfelt devotion, and their sense of humor are all reflected. These poems share a beauty and intensity that have made them famous in Tibetan literature. With its vivid imagery and deep insight, *The Rain of Wisdom* communicates a profound and timeless understanding.

The Experience of the Six Bardos
BalboaPress

The classic guide to enlightened living that first presented the Buddhist path of the warrior to a Western audience. There is a basic human wisdom that can help solve the world's problems. It doesn't belong to any one culture or region or religious tradition—though it can be found in many of them throughout history. It's what

Chögyam Trungpa called the sacred path of the warrior. The sacred warrior conquers the world not through violence or aggression, but through gentleness, courage, and self-knowledge. The warrior discovers the basic goodness of human life and radiates that goodness out into the world for the peace and sanity of others. Interpreting the warrior's journey in contemporary terms, Trungpa shows that, in discovering the basic goodness of human life, the warrior learns to radiate that goodness out into the world for the peace and sanity of others. That's what the Shambhala teachings are all about—and this is the book that has been presenting them to a wide and appreciative audience for more than twenty years.

The Pocket Chögyam Trungpa Shambhala Publications

The classic guide to enlightened living that first presented the Buddhist path of the warrior to Western readers—with a new foreword and cover presentation. This timeless classic presents a vision of basic human wisdom that synchronizes the mind and body—what Chögyam Trungpa called the sacred path of the warrior. This

discipline embodies characteristics that many cultures, regions, and spiritual traditions throughout time have found valuable. The sacred warrior conquers the world not through violence or aggression but through gentleness, courage, and self-knowledge, discovering the basic goodness of human life and radiating that goodness out into the world for the peace and sanity of others. That's what the Shambhala teachings are all about, and this is the book that has been presenting them to a wide and appreciative audience for more than thirty years. This book is part of the Shambhala Pocket Library series. The Shambhala Pocket Library is a collection of short, portable teachings from notable figures across religious traditions and classic texts. The covers in this series are rendered by Colorado artist Robert Spellman. The books in this collection distill the wisdom and heart of the work Shambhala Publications has published over 50 years into a compact format that is collectible, reader-friendly, and applicable to everyday life.

A Guide to Shambhala Warriorship in Daily Life Shambhala Publications
Each day we deal with the challenges of

ordinary life: a series of mundane experiences that could be summarized by the title of this book, *Work, Sex, Money*. We all hope that these aspects of our life will be a source of fulfillment and pleasure, and they often are. Yet they are also always sources of problems for which we seek practical advice and solutions. The best prescription, according to Chögyam Trungpa, is a dose of reality and also a dose of respect for ourselves and our world. His profound teachings on work, sex, and money celebrate the sacredness of life and our ability to cope with its twists and turns with dignity, humor, and even joy. He begins by breaking down the barrier between the spiritual and the mundane, showing that work, sex, and money are just as much a part of our spiritual life as they are a part of our everyday existence. He then discusses these subjects in relation to ego and self-image, karma, mindfulness, and meditation. "Work" includes general principles of mindfulness and awareness in how we conduct everyday life as well as discussion of ethics in business and the workplace. "Sex" is about relationships and communication as a whole. "Money"

looks at how we view the economics of livelihood and money as "green energy" that affects our lives. The result is an inclusive vision of life, one that encompasses the biggest issues and the smallest details of every day. There are, in fact, few definitive answers in these pages. There is, however, authentic wisdom providing us with tools we need to work with the toughest stuff in our lives.

The Path of Individual Liberation
Shambhala Publications

According to the Buddha, no one can attain basic sanity or enlightenment without practicing meditation. The teachings given here on the outlook and technique of meditation provide the foundation that every practitioner needs to awaken as the Buddha did. Trungpa teaches us to let go of the urge to make meditation serve our ambition; thus we can relax into openness. We are shown how the deliberate practice of mindfulness develops into contrived awareness, and we discover the world of insight that awareness reveals. We learn of a subtle psychological stage set that we carry with us everywhere and unwittingly use to structure all our experience—and we find

that meditation gradually carries us beyond this and beyond ego altogether to the experience of unconditioned freedom.

Shambhala: The Sacred Path of the Warrior
Shambhala: The Sacred Path of the Warrior

Chögyam Trungpa's in-depth exploration of the Four Noble Truths—the foundational Buddhist teaching about the origin of suffering and its cessation—emphasizes their profound relevance not just as an inspiration when we set out on the path, but at every other moment of our lives as well, showing how we can join view (intellectual understanding) of the teaching with practical application in order to interrupt suffering before it arises.

Shambhala: The Sacred Path of the Warrior
Harmony

In this special twenty-fifth anniversary edition of Thomas Moore's bestselling *Care of the Soul*, which includes a new introduction by the author, readers are presented with a revolutionary approach to thinking about daily life—everyday activities, events, problems, and creative opportunities—and a therapeutic lifestyle is proposed that focuses on looking more deeply into emotional problems and

learning how to sense sacredness in ordinary things. Basing his writing on the ancient model of “care of the soul”—which provided a religious context for viewing the everyday events of life—Moore brings “care of the soul” into the twenty-first century. Promising to deepen and broaden the readers’ perspectives on their life experiences, Moore draws on his own life as a therapist practicing “care of the soul,” as well as his studies of the world’s religions and his work in music and art, to create this inspirational guide that examines the connections between spirituality and the problems of individuals and society. “Thoughtful, eloquent, inspiring.” —San Francisco Chronicle “I soulfully recommend it without reservation.” —John Bradshaw, author of *Homecoming*

A Basic Handbook of Buddhist

Meditation Shambhala Publications

You’re stuck in the airport security line, late for a flight. The line isn’t moving. You’re angry at the security personnel for taking so long, you’re irritated at the other passengers for having so much stuff, you’re mad at your boss for sending you on this trip in the first place. By the time

you get to your gate you’re angry, deflated, and exhausted. Then someone cuts in front of you in the line to board and you snap. “There’s a line, you know!” Is that really you, standing in an airport, yelling at a stranger, emotions raging? It happens to most of us more than we’d like to admit. In an instant, our lives seem out of control and overwhelming. It’s always something, isn’t it? But what if you could approach every part of your life—from the smallest decisions to life’s biggest setbacks—with total confidence, clarity, and control? According to Sakyong Mipham, we all have that power. The secret is simple: If you just stop thinking about yourself all the time, happiness and confidence will come naturally. It sounds absurd and, what’s more, impossible. But in *Ruling Your World*, Sakyong Mipham shares ancient secrets on how to take control of our lives and be successful while cultivating compassion for others and confidence in our own intelligence and goodness. The key to this well-being lies in the ancient strategies of the warrior kings and queens of Shambhala. The kingdom of Shambhala was an enlightened kingdom of benevolent kings and queens and

fiercely trained warriors. No one knows for sure whether this kingdom was real or mythical, but there are ancient guidebooks to this land and practical instructions for creating a Shambhala in your own world, bringing peace, purpose, and perspective into your life and environment. Sakyong Mipham, the descendant of a warrior king, has inherited these teachings and gives us the lessons and myths of the great rulers and warriors of Shambhala. He makes these teachings relevant to our twenty-first-century lives in a fresh and witty voice and helps us all to realize our potential for power and control in a seemingly uncontrollable world. For the first time ever, revered spiritual leader Sakyong Mipham brings the lessons of the ancient Shambhala warriors and rulers to the Western world and shows us how to live our lives with confidence. Most of us are living in a haze—sometimes helping others, sometimes helping ourselves, sometimes happy, sometimes sad. We don’t feel in control of our own lives. The ancient teachings of Shambhala rulership show us that we all have the ability to rule our own world and live with confidence. To do this, we need to use our daily lives to

be strong, as opposed to aggressive, and to act with wisdom and compassion. This may sound difficult, but when we begin to mix this ancient wisdom of rulership into our everyday life, we have both spiritual and worldly success. We don't need to abandon our life and become an ascetic or a monk in order to gain confidence and achieve this success. We can live in the world as a ruler no matter what we are doing. —from *Ruling Your World*

The Sacred Path Of The Warrior

Shambhala Publications

The basic teachings of Buddhism as they relate to everyday life—presented by the esteemed Tibetan meditation master In The Heart of the Buddha, Chögyam Trungpa examines the basic teachings of Buddhism and places them within the context of daily life. Divided into three parts, the book begins with a discussion about the open, inquisitive, and good-humored qualities of the “heart of the Buddha”—an “enlightened gene” that everyone possesses. Next, Chögyam Trungpa moves to the stages of the Buddhist path, presenting the three

vehicles—Hinayana, Mahayana, and Vajrayana—that carry the Buddhist practitioner toward enlightenment. Finally, he describes the direct application of Buddhist teachings to topics as varied as relationships, drinking, children, and money. The Heart of the Buddha reflects Trungpa's great appreciation for Western culture and deep understanding of the Tibetan Buddhist tradition, which enabled him to teach Westerners in an effective, contemporary way.

Great Eastern Sun Shambhala Publications

This modern spiritual classic highlights a trick we play on ourselves and offers a brighter reality: liberation by letting go of the self rather than working to improve it. The Tibetan meditation master Chögyam Trungpa calls attention to the commonest pitfall to which every aspirant on the spiritual path falls prey: what he calls spiritual materialism. "The problem is that ego can convert anything to its own use," he says, "even spirituality." The universal tendency is to see spirituality as a process of self-improvement—the impulse to develop and refine the ego when the ego is, by nature, essentially empty. Trungpa's

incisive, compassionate teachings serve to wake us up from these false comforts.

Featuring a new foreward by his son and lineage holder, *Cutting Through Spiritual Materialism* has resonated with students for nearly thirty years—and remains as fresh as ever today.

True Perception Shambhala Publications

"In language totally fresh and jargon-free, Sakyong Mipham Rinpoche distills the wisdom of many centuries. Simple as it is profound, his book bears reading many times."—Peter Conradi, author of *Iris Murdoch: A Life and Going Buddhist* Strengthening, calming, and stabilizing the mind is the essential first step in accomplishing nearly any goal. Growing up American with a Tibetan twist, Sakyong Mipham talks to Westerners as no one can: in idiomatic English with stories and wisdom from American culture and the great Buddhist teachers. *Turning the Mind Into an Ally* makes it possible for anyone to achieve peace and clarity in their lives.
