AUGUSTUS REGINA

Scorched Earth, Black Snow

Scholastic Inc.
The startling
novel from a
brilliant young
Irish novelist
on the rise,
who "has a
sensational
gift for a
sentence"
(Colum
McCann on

Red Sky in
Morning). In
Donegal in the
spring of
1945, a
farmhand runs
into a burning
barn and does
not come out
alive. The
farm's owner,
Barnabas
Kane, can only
look on as his
friend dies
and all 43 of
his cattle are
destroyed in
the blaze.
Following the

disaster, the
bull-headed
and proudly
self-sufficient
Barnabas is
forced to
reach out to
the
community for
assistance.
But
resentment
simmers over
the
farmhand's
death, and
Barnabas and
his family
begin to
believe their

efforts at recovery are being sabotaged. Barnabas is determined to hold firm. Yet his teenage son struggles under the weight of a terrible secret, and his wife is suffocated by the uncertainty surrounding their future. As Barnabas fights ever harder for what is rightfully his, his loved ones are drawn ever closer to a fate that should never have been theirs. In *The Black Snow*, Paul Lynch

takes the pastoral novel and -- with the calmest of hands -- tears it apart. With beautiful, haunting prose, Lynch illuminates what it means to live through crisis, and puts to the test our deepest certainties about humankind. [Three Holiday Romances](#) *Black Winter* From the internationally acclaimed author of the Harry Hole novels—a fast, tight, darkly lyrical stand-alone novel that has at its

center the perfectly sympathetic antihero: an Oslo contract killer who draws us into an unexpected meditation on death and love. This is the story of Olav: an extremely talented “fixer” for one of Oslo’s most powerful crime bosses. But Olav is also an unusually complicated fixer. He has a capacity for love that is as far-reaching as is his gift for murder. He is our straightforward

d, calm-in-the-face-of-crisis narrator with a storyteller's hypnotic knack for fantasy. He has an "innate talent for subordination" but running through his veins is a "virus" born of the power over life and death. And while his latest job puts him at the pinnacle of his trade, it may be mutating into his greatest mistake. . . .

The Snow Day from the Black Lagoon (Black Lagoon

Adventures #11) BRILL
The destruction of the Czars which brought about the reign of revolutions from 1905–1917 in Russia looms as the crucial political event of the twentieth century. In little more than a decade the Romanov dynasty was toppled, and its time-honored institutions repudiated. How did it happen? How could Nicholas and Alexandra, the nobility,

middle class anarchists—even Lenin himself—not foresee the catastrophic changes that were shaking the empire? Why could nothing be done? And why were the efforts so ineffectual? *Black Night, White Snow* captures the rich drama of this whole period. With the artistry of a Balzac, Harrison Salisbury exposes the strata of Russian society, with its decedents, prophetic poets,

religious fanatics, and newly liberated serfs. From archival sources within the Soviet Union, interviews, and his personal photography collection, he recreates the story as it happened. Hard data on Russia's economy, a first-hand knowledge of the county, and a historian's gift of compression are combined in a fast-paced narrative that reads with the ease of a good

novel and the urgency of a newspaper headline. **Tankbread: Black Snow** Aurum Skippyjon Jones, the Siamese cat that thinks he is a Chihuahua dog, stars in a fairy tale set in the winter wonderland of his imagination. **A Novel** Dark Horse Comics On Midsummer Eve, 1865, more than 30 Finnish and Sami immigrants disembarked from a Great Lakes ship to a place called Hancock,

Michigan. At the time, Hancock consisted of nothing more than a small cluster of humble buildings, but it was here, on the outskirts of mid-19th-century civilization, that Finnish settlement in Michigan's Upper Peninsula (UP) took root. Much to the surprise of these new Americans, Midsummer was not a religious holiday marked by feasts in celebration of the season's

prolonged sunlight. Rather, the newcomers were immediately hastened into the bowels of the earth to extract copper in pursuit of the American Dream. In short order, hardworking Finnish immigrants became reputable miners, lumberjacks, farmers, maids, and commercial fishermen. A century and a half later, the UP boasts the largest Finnish population outside of the motherland

and sustains the determined spirit the Finns call *sisu*--an influence that remains palpable in all 15 UP counties. Chicago
patrolman
Jack Kelly
comes on duty
one cold
December
evening and
begins
muddling
through the
same old
boring routine
of shaking
doorknobs and
peering into
the dim
interiors of
businesses.
But monotony
suddenly
transforms to
much more
unpleasant

when he
stumbles upon
the body of
small-time
hustler Myron
Howard. The
young cop
finds himself
neck-deep in
an
investigation
that leads him
on a wild
chase through
dirty Chicago
politics
straight to the
trail of a killer.
What should
have been a
simple case of
murder
deepens into a
mire of graft
and blackmail
as Kelly
becomes
immersed in a
political
mystery that
escalates all
the way to

Washington,
DC. As the
body count
rises, Kelly
soon realizes
that those
who know too
much are the
ones being
assassinated
at close range.
It is up to
Kelly to figure
out what the
victims could
have known
that was so
deadly—so
threatening—t
hat a killer will
stop at
nothing to
ensure the
truth is never
revealed. In
this hard-
boiled 1930s
mystery, Jack
Kelly knows
that crime is
solved the
hard way—if it

is ever solved at all—but even so he will stop at nothing to find a murderer bent on revenge.

Black as Snow

Random House
Seventeen-year-old Snow lives within the walls of the Whittaker Institute, a high security mental hospital in upstate New York. Deep down, she knows she doesn't belong there, but she has no memory of life outside, except for the strangest

dreams. And then a mysterious, handsome man, an orderly in the hospital, opens a door – and Snow knows that she has to leave ... She finds herself in icy Algid, her true home, with witches, thieves, and a strangely alluring boy named Kai. As secret after secret is revealed, Snow discovers that she is on the run from a royal lineage she's destined to inherit, a father more powerful and

ruthless than she could have imagined, and choices of the heart that could change everything. Heroine or villain, queen or broken girl, frozen heart or true love, Snow must choose her fate ... A wonderfully icy fantastical romance, with a strong heroine choosing her own destiny, Danielle Paige's irresistibly page-turning Snow Queen is like Maleficent and Frozen all grown up. *A Novel* Grove

 redefines the
 way we look
 at the world.
 Neal
 Stephenson is
 such a writer
 and Snow
 Crash is such
 a novel,
 weaving
 virtual reality,

Sumerian myth, and just about everything in between with a cool, hip cybersensibility to bring us the gigathriller of the information age. In reality, Hiro Protagonist delivers pizza for Uncle Enzo's CosoNostra Pizza Inc., but in the Metaverse he's a warrior prince. Plunging headlong into the enigma of a new computer virus that's striking down hackers everywhere,

he races along the neon-lit streets on a search-and-destroy mission for the shadowy virtual villain threatening to bring about infocalypse. Praise for Snow Crash "[Snow Crash is] a cross between Neuromancer and Thomas Pynchon's Vineland. This is no mere hyperbole."—The San Francisco Bay Guardian "Fast-forward free-style mall mythology for the twenty-first century."—William Gibson

"Brilliantly realized . . . Stephenson turns out to be an engaging guide to an onrushing tomorrow."—The New York Times Book Review [Black Snow](#) Harlequin Thirteen original essays explore the qualities and challenges of urban life (in Europe, Asia, and the Americas) from a variety of disciplinary perspectives that illustrate the aesthetic, cultural, and political roles of bodies in the city streets.

The Black Snow Da Capo Press Black Snow Rosetta Books **Black Snow** Dramatic Publishing As seen on the cover of the New York Times Book Review, where it was described as “gloriously unsettling... evoking Toni Morrison, Haruki Murakami, Angela Carter, Edgar Allan Poe, Gabriel García Márquez, Chris Abani and even Emily Dickinson,” and already one of the year’s most widely acclaimed novels: “Helen Oyeyemi has fully transformed from a literary prodigy into a powerful, distinctive storyteller... Transfixing and surprising.”—Entertainment Weekly (Grade: A) “I don’t care what the magic mirror says; Oyeyemi is the cleverest in the land...daring and unnerving... Under Oyeyemi’s spell, the fairy-tale conceit makes a brilliant setting in which to explore the alchemy of racism, the weird ways in which identity can be transmuted in an instant — from beauty to beast or vice versa.” – Ron Charles, The Washington Post From the prizewinning author of *What Is Not Yours Is Not Yours*, *Gingerbread*, and *Peaces* comes a brilliant recasting of the Snow White fairy tale as a story

of family secrets, race, beauty, and vanity. In the winter of 1953, Boy Novak arrives by chance in a small town in Massachusetts looking, she believes, for beauty—the opposite of the life she’s left behind in New York. She marries Arturo Whitman, a local widower, and becomes stepmother to his winsome daughter, Snow. A wicked stepmother is a creature Boy never imagined she’d become, but elements

of the familiar tale of aesthetic obsession begin to play themselves out when the birth of Boy’s daughter, Bird, who is dark-skinned, exposes the Whitmans as light-skinned African-Americans passing for white. And even as Boy, Snow, and Bird are divided, their estrangement is complicated by an insistent curiosity about one another. In seeking an understanding that is separate from

the image each presents to the world, Boy, Snow, and Bird confront the tyranny of the mirror to ask how much power surfaces really hold. Dazzlingly inventive and powerfully moving, Boy, Snow, Bird is an astonishing and enchanting novel. With breathtaking feats of imagination, Helen Oyeyemi confirms her place as one of the most original and dynamic literary voices

of our time.
Stealing Snow Harvard University Press
 After his mother, prophetess Kitty Black, declares him "New Man," telepathic Sebastian Black goes on the run to escape Christian militants who have declared him a false messiah.
The Snow was Black
 Hachette UK
 This is a story about hope overcoming evil, written with satisfying moral complexity. Ruth's

devastation breaks apart time. She sees that her hopes and dreams are a visceral halo of rainbow colours spinning to white... and that evil dream thieves are severing these halos from sleeping victims, many of whom she knows. Those disturbing dreams of black snow lead Ruth to a perilous discovery: one dream thief is connected to her grandfather and the candle-maker's bou

Jude from long ago.
Black Snow Candlewick Press (MA)
 This book takes up where Max Weber left off in his study of charisma, and extends and rounds off the theory with insights from other disciplines and new empirical data. Tying Weber's argument about the consequences of societal breakdown to contemporary psychological theorizing on self-efficacy, Douglas Madsen and Peter Snow

demonstrate that magnetic personalities must have willing followers.

A Novel

Lulu.com
Black Snow is the stunning portrait of a dissatisfied and emotionally illiterate young man's search for meaning and companionship in the gray world of totalitarianism. After serving a three-year sentence in a prison labor camp for his involvement in a juvenile street fight, Li Huiquan returns to

Beijing and begins work as a street peddler. At night, he frequents a karaoke bar, where he enters into the shadowy world of the black market and meets a beautiful, naive young singer who becomes the object of his dangerous and overwhelming obsession. Riveting and relentless, Black Snow offers an extraordinary glimpse into the psyche and lifestyle of the young generation in

contemporary Beijing.

SEALs Sub Strike: Operation Black Snow

Crime/Black Lizard
Prince Brier Snow's sabbatical to train under Roland, a huntsman and outcast, leads to the conception of an unexpected heir—and a scandal Brier's enemies will use to their advantage.

A Novel

Harper Collins
When a vicious snowstorm drives Clare's car off a rural

road, she's left stranded in a world of blinding white. She can't escape the feeling of being watched, but before she can face her growing terror, she's rescued by a stranger who offers her his home until the storm subsides. At least the	stranger seems kind...but Clare doesn't know if she can trust him. He promised they were alone here, yet she sees and hears things that convince her something else is creeping about the dark forest surrounding	his old house, watching. Waiting. Before long she realizes the truth: she isn't just waiting out the storm. Something is waiting for her to step outside the home... something monstrous, something unfeeling. Something hungry.
