*Boy Nobody* Anchor Canada

Art restorer and sometime spy Gabriel Allon is asked to visit Zurich, to clean the work of an Old Master for a millionaire banker. But when he gets there he finds the corpse of his client in a pool of blood beneath the masterpiece, and discovers that a secret collection of priceless paintings - stolen by Nazis in the war - is missing. With the Swiss authorities trying to pin the murder on Allon and a powerful cabal determined to make sure this wartime secret remains buried, the art restorer must use all his former spy skills to find out the truth. And with an assassin that he helped to train also on the loose, Allon will need all his wits just to stay alive .....

*The Last Tourist* Open Road Media

It all began with the FBI and WARP (Witness Anonymous Relocation Programme). Hiding witnesses in the past to protect the future - until now . . . Riley is a Victorian orphan, hurtled into the twenty-first century and on the run from his evil master . . . Albert Garrick, the terrifying assassin-for-hire pursuing Riley through time, along with . . . Chevie Savano, the FBI's youngest and most impulsive special agent. As Garrick relentlessly hunts them down, Riley and Chevie face a desperate race to stay alive and stop Garrick from returning to his own time - armed with knowledge and power that could change the world forever.

*The Hangman's Revolution* Reluctant Assassin

As Sergeant Oscar Wylton, a six-foot-two, 196-pound marine lines up to exit the rear door of a CH-53S Sea Dragon

helicopter, he knows that he has less than a 10 percent chance of surviving his assignment. As he parachutes into a pit of darkness over the rough terrain near the AfghanistanPakistan border, Wylton has no idea that what he thinks is his final mission as an assassin will not be his last. Wylton has served his country well, distinguishing himself in high-risk conflicts in Bosnia and Afghanistan; but after he retires from the Marines and begins a business with his wife, she suddenly divorces him and severs their professional partnership. Left jobless and out of options, Wylton reluctantly becomes a hired hit man targeting societys miscreants who, through legal flukes, have avoided prosecution. But when the stakes are raised and he is assigned to kill a well-protected Mafia boss, Wylton must rely on his training and quick-thinking skills to avoid capture by the FBI or worse yet, his intended victim. *A Reluctant Assassin* is a powerful story about one mans battle with morality, ethical choices, and personal loss as he faces the greatest challenge of his life.

**The Reluctant Assassin (WARP Book 1)** Titan Comics

Former CIA Agent George Mueller arrives in Havana in August 1958, just months before the fall of Cuban dictator Fulgencio Batista. He's looking into the activities of Toby Graham, a CIA officer suspected of putting weapons, covertly provided by the CIA to Batista, into the hands of Castro's forces. As the FBI, CIA, and State Department compete to influence the outcome of the revolution in the face of the brutal dictatorship's imminent collapse, Graham is troubled by the hypocrisy of a bankrupt US foreign policy, and has fallen in love with a married American woman.

**The Looking Glass Wars** Penguin UK

In the depths of World War II, fresh Assassin Eddie Gorum uncovers Templar plans to create a devastating new weapon at the dawn of the atomic age. The Unconquered City Minotaur Books Young FBI agent Chevie Savano arrives back in modern-day London after a time-trip to the Victorian age, to find the present very different from the one she left. Europe is being run by a Fascist movement known as the Boxites, who control their territ

**WARP Book 1: The Reluctant Assassin** Penguin

Cassel When I gave up life as a hitman, I thought everything was going to be better. I was going to become a PI, help people, and live normally... and then I met Jeremy, the most perfect man to have ever saved my life (I mean, he might be the only one who has saved my life, but he's still the best at it). From that point on, it was all over for me--I knew we were meant to be. The issue is that he doesn't... quite seem to realize that. But when he's targeted by criminals (literally, someone just shot at his head), he needs to rely on someone, so why not me? He might not know about my past as a hitman or that I don't need to be protected, but I'm prepared to do everything I can to save the day. Jeremy When my past comes back with a vengeance, I've never felt so alone and out of my element. That is, until Cassel offers me information that I desperately need, forcing me to drag him straight into danger. The issue is that he's too sweet and innocent for this world and I'm not sure that I'm strong enough to protect him, but I can't bring myself to push him away. As truths come to light, I realize that maybe Cassel isn't quite who I thought he was, and maybe we're not so different after all. While you can read *The Former Assassin's Guide* on its own,

you'll get maximum enjoyment by reading *The Hitman's Guide* series first. This book contains speedy car chases and not-so-speedy ATV rides, a wager Cassel is determined to win even if it kills him, and way-too-tight sparkly spandex suits.

*The Hundred Halls (Books 1-3)* Spectra 1581. When Ursula Blanchard's 9-year-old son is snatched away while out riding, she must agree to undertake an impossibly difficult and dangerous mission if she is ever to see him again. Can she rely on her half-sister, Queen Elizabeth, for help?

*The Way of Kings* Simon and Schuster The "brilliant, funny, meaningful novel" (The New Yorker) that established J. D. Salinger as a leading voice in American literature--and that has instilled in millions of readers around the world a lifelong love of books. "If you really want to hear about it, the first thing you'll probably want to know is where I was born, and what my lousy childhood was like, and how my parents were occupied and all before they had me, and all that David Copperfield kind of crap, but I don't feel like going into it, if you want to know the truth." The hero-narrator of *The Catcher in the Rye* is an ancient child of sixteen, a native New Yorker named Holden Caulfield. Through circumstances that tend to preclude adult, secondhand description, he leaves his prep school in Pennsylvania and goes underground in New York City for three days.

A #1 New York Times bestseller, this innovative and wildly funny read-aloud by award-winning humorist/actor B.J. Novak will turn any reader into a comedian—a perfect gift for any special occasion! You might think a book with no pictures seems boring and serious. Except . . . here's how books work. Everything written on the page has to be said by the person reading it aloud. Even if the words say . . . BLORK. Or BLUURF. Even if the words are a preposterous song about eating ants for breakfast, or just a list of astonishingly goofy sounds like BLAGGITY BLAGGITY and GLIBBITY GLOBBITY. Cleverly irreverent and irresistibly silly, *The Book with No Pictures* is one that kids will beg to hear again and again. (And parents will be happy to oblige.)

*The Reluctant Assassin* Soho Press  
Riley, an orphan boy living in Victorian London, has achieved his dream of becoming a renowned magician, the Great Savano. He owes much of his success to Chevie, a seventeen-year-old FBI agent who traveled from the future in a time pod and helped him defeat his murderous master, Albert Garrick. But it is difficult for Riley to enjoy his new life, for he has always believed in his heart of hearts that Garrick will someday, somehow, return to seek vengeance. Chevie has assured Riley on numerous occasions that Garrick was sucked into a temporal wormhole, never to emerge. The full nature of the wormhole has never been understood, however, and just as a human body will reject an unsuitable transplant, the wormhole eventually spat him out. By the time Garrick makes it back to Victorian

London, he has been planning his revenge on Riley for half a century. But even the best-laid plans can go awry, and when the assassin decides to include Chevie in his retaliation, the three are tossed once more into the wormhole with no idea where—or when—they will end up.

 Saying: I just found my new book to talk  
 peoples ears off about! I could not put  
 this book down and have told all of my  
 friends to get a copy to read. I can't wait  
 for the rest of the series!!! It was a fun  
 refreshing take on magic and creatures.  
 The characters are so captivating. I am  
 glad to see a magic related series that is  
 more female based and has more of the  
 "Supernatural" feel to it.- L. Coffing  
 Added to my collection of urban fantasy  
 beautifully written - Tevin I've read other  
 things by this author, but this one stands  
 head and shoulders above the others!  
 Fast paced, fascinating characters,  
 twists and turns, loved it all and am so  
 happy I could dive right into the second.  
 Keep them coming - don't want to go  
 into withdrawals! - Tami Cowles This is a  
 well-structured and exciting tale, with a  
 magical system that any Fantasy lover  
 would die for. This inspiring first novel  
 shows a promising start to a series and  
 kept a firm grasp on my attention  
 throughout. Trials of Magic makes for an  
 addictive read. Many times, I even found  
 myself shouting at the characters,  
 praying either for their safety or for  
 them to succeed in their endeavors. A  
 true work of fiction with great artistic  
 flair. There is a lot of heart embedded

within these pages. Trials of magic is a  
 five-star read and a real credit to Mr.  
 Thomas Carpenter. - Dax Munro TRA I've  
 always enjoyed coming-of-age novels  
 and this one is fantastic. It is Well  
 written, well plotted, and gripping. The  
 characters and plot do not let you go. -  
 PRBC I thoroughly enjoyed reading this  
 book. The characters are all interesting, I  
 couldn't predict what would happen  
 (which I LOVE), and I can hardly wait to  
 find out what happens next. (I also  
 appreciate that I want more, but that the  
 book actually ended very well, and not in  
 a cliffhanger.) Thomas Carpenter is a  
 new favorite author for me! - Skipperdo  
 Loved this new book. It's amazing how  
 real Carpenter makes this world and all  
 the people in it. - Sharon Brigham Spratt  
 Animalians I really love how quickly you  
 fall head over heels for the Animalian  
 Hall. - Yorkiemom The Animalians series  
 is easily one of the most enjoyable reads  
 I have had in the past year. Filled with a  
 relatable heroine, strong character  
 building and equal doses of magic and  
 action, the series starts strong and only  
 gets better. - amazon customer This is  
 an excellent series. Fun and amazing  
 characters with each a great separate  
 plot. - Zippy Inger This is one of the  
 most amazing, spellbound series I have  
 read in a long time. Loads of action,  
 adventure, suspense and supernatural  
 creatures. A must read series!- Liza van  
 der Pluym Gamemakers- Fast paced and  
 spot on descriptions will keep you  
 turning pages well into the night. If you  
 adore Jordan and Martin, Thomas  
 Carpenter and his Hundred Halls series  
 are MUST READS as sci-fantasy of today!  
 - Lynda C. If you want lots of interesting  
 action and characters, this book has it. -  
 J Krug LitRPG has become very formulaic  
 as a genre. The warped Forest steps  
 beyond those norms and explores

character development and world exploration/design in excellent ways. – Scott Reimers Stone singers I have treasured each and every one of the Hundred Halls stories. Tom Carpenter has a unique style of writing which is always brilliantly researched, detailed for easy visualization and reads like you have a master storyteller in your head. – Lynda C It's a well written, enthralling read that grabs you from the get go. The world building is incredible, the storyline, action packed and fast paced and the characters intriguing. Thrust into a world of soul swapping, magic, music, secrets and so much more, this had me on the edge of my seat and I could not put it down. – Debbie Like all the other hundred hall series this one does not disappoint. Very unique scenarios and most unsuspecting plots. Fall in love with Minerva and follow her on her path of survival. – Liza van der Pluym

From the New York Times–bestselling author of Spider's Bite comes a sequel that's "just as hard-edged and compelling as the first" (Romantic Times). Curiosity is definitely going to get me dead one of these days. Probably real soon. I'm Gin Blanco. You might know me as the Spider, the most feared assassin in the South. I'm retired now, but trouble still has a way of finding me. Like the other day when two punks tried to rob my popular barbecue joint, the Pork Pit. Then there was the barrage of gunfire on the restaurant. Only, for once, those kill shots weren't aimed at me. They were meant for Violet Fox. Ever since I agreed to help Violet and her grandfather protect their property from an evil coal-mining tycoon, I'm beginning to wonder if I'm really retired. So is Detective Donovan Caine. The only honest cop in Ashland is having a real hard time reconciling his attraction to me with his Boy Scout mentality. And I can barely keep my hands off his sexy body. What can I say? I'm a Stone elemental with a little Ice magic thrown in, but my heart isn't made of solid rock. Luckily, Gin Blanco always gets her man

. . . dead or alive. "A fantastic sequel in every respect . . . This second installment is even more steamy, suspenseful, and full of mystery and adventure. Packed with pulse-pounding action and suspense, this urban fantasy truly delivers." —SciFiChick.com

The best assassins learn their magic at the Academy of the Subtle Arts. Everyone joins for their own reasons: to give death her proper due, to acquire outrageous fortunes, or to know that history bends to their blade. Zayn Carter joined the Academy to save his family. In the sleepy town of Varna, an ancient evil lurks, preying on the townsfolk and keeping them enslaved by her poison. This arrangement has lasted for centuries because to kill the Lady is to guarantee the death of every man, woman, and child in the town. Faced with this impossible conundrum, Zayn vows to take down the Lady, and all that support her. He'll save his family from this horrible fate-or die trying.

A novice assassin is on the hunt for someone killing their own in K. A. Doore's *The Perfect Assassin*, a breakout high fantasy beginning the *Chronicles of Ghadid* series. Divine justice is written in blood. Or so Amastan has been taught. As a new assassin in the Basbowen family, he's already having second thoughts about taking a life. A scarcity of contracts ends up being just what he needs. Until, unexpectedly, Amastan finds the body of a very important drum chief. Until, impossibly, Basbowen's finest start showing up dead, with their murderous jaan running wild in the dusty streets of Ghadid. Until, inevitably, Amastan is ordered to solve these

murders, before the family gets blamed. Every life has its price, but when the tables are turned, Amastan must find this perfect assassin or be their next target. "The Perfect Assassin is a thrilling fantastical mystery that had me racing through the pages." —S. A. Chakraborty, author of *The City of Brass* "Full of rooftop fights, frightening magic, and nonstop excitement and mystery, I absolutely loved it from start to finish!"

**THE WORLD HAS CHANGED SCIENTISTS WARNED IT WOULD HAPPEN.** Meteors devastated the Earth. World governments developed plans to help surviving citizens. The United States disbanded and salvageable land was divided into four quadrants--North, South, East, and West--governed by The Remnant Council. Struggling to survive, seventeen-year-old Ava ends up in juvenile detention, until she is selected for a new life--with a catch. She must be injected with an experimental serum. The results will be life changing. The serum will make her better. To receive the serum, Ava agrees to join a program controlled by ISAN: the International Sensory Assassin Network. While on a mission, she is abducted by a rebel group led by Rhett and told that not only does she have a history with him, but her entire past is a lie perpetuated by ISAN to ensure her compliance. Unsure of who to trust, Ava must decide if her strangely familiar and handsome captor is her enemy or her savior--and time is running out.
