JOSEPH OSBORN

Penguin Readers Level 5: David Copperfield (ELT Graded Reader)

SeaWolf Press

One of Charles Dickens's most fascinating novels, *Great Expectations* follows the orphan Pip as he leaves behind a childhood of misery and poverty after an anonymous benefactor offers him a chance at the life of a gentleman. From the young Pip's first terrifying encounter with the convict Magwitch in the gloom of a graveyard to the splendidly morbid set pieces in Miss Havisham's mansion to the magnificently realized boat chase down the Thames, *Great Expectations* is filled with the transcendent excitement that Dickens could so abundantly provide. Written in 1860, at the height of his maturity, it also reveals the novelist's bittersweet understanding of the extent to which our deepest moral dilemmas are born of our own obsessions and illusions.

This edition includes Dickens's original, discarded conclusion to the novel, the 1907 *Everyman* preface by G. K. Chesterton, and twenty illustrations by F. W. Pailthorpe.

The perfect gift this Christmas season: a generous selection of some of the greatest festive stories of all time. This is a collection of the most magical, moving, chilling and surprising Christmas stories from around the world, taking us from frozen Nordic woods to glittering Paris, a New York speakeasy to an English country house, bustling Lagos to midnight mass in Rio, and even outer space. Here are classic tales from writers including Truman Capote, Shirley Jackson, Dylan Thomas, Saki and Chekhov, as well as little-known treasures such as Italo Calvino's wry sideways look at Christmas consumerism, Wolfdietrich Schnurre's story of festive ingenuity in Berlin, Selma Lagerlof's enchanted forest in Sweden, and Irène Nemerovsky's dark family portrait. Featuring santas,

ghosts, trolls, unexpected guests, curmudgeons and miracles, here is Christmas as imagined by some of the greatest short story writers of all time. *An Author, Artist, Title, and Subject Catalog of the Comic Art Collection, Special Collections Division, Michigan State University Libraries* Vintage

The story of Ebenezer Scrooge, an elderly miser who is visited by the ghost of his former business partner Jacob Marley and the spirits of Christmas Past, Present and Yet to Come. After their visits, Scrooge is transformed into a kinder, gentler man.

Charles Dickens's A Christmas Carol Anchor
Two of the most beloved novels in all of English literature-together in one extraordinary volume. *A TALE OF TWO CITIES* After eighteen years as a political prisoner in the Bastille, the ageing Doctor Manette is finally released and reunited with his daughter in England. There the lives of the two very different men, Charles Darnay, an exiled French aristocrat, and Sydney Carton, a disreputable but brilliant

English lawyer, become enmeshed through their love for Lucie Manette. From the tranquil roads of London, they are drawn against their will to the vengeful, bloodstained streets of Paris at the height of the Reign of Terror, and they soon fall under the lethal shadow of the guillotine. GREAT EXPECTATIONS A terrifying encounter with an escaped convict in a graveyard on the wild Kent marshes; a summons to meet the bitter, decaying Miss Havisham and her beautiful, cold-hearted ward Estella; the sudden generosity of a mysterious benefactor—these form a series of events that changes the orphaned Pip's life forever, and he eagerly abandons his humble origins to begin a new life as a gentleman. Dickens's haunting late novel depicts Pip's education and development through adversity as he discovers the true nature of his "great expectations."

Peter Ackroyd's *The Life of Thomas More* is a masterful reconstruction of the life and imagination of one of the most remarkable figures of history. Thomas More (1478-1535) was a renowned statesman; the author of a political fantasy that gave a name to a literary genre and a worldview (Utopia); and, most famously, a Catholic martyr and saint. Born into the professional classes, Thomas More applied his formidable intellect and well-placed connections to become the most powerful man in England, second only to the king. As much a work

of history as a biography, *The Life of Thomas More* gives an unmatched portrait of the everyday, religious, and intellectual life of the early sixteenth century. In Ackroyd's hands, this renowned "man for all seasons" emerges in the fullness of his complex humanity; we see the unexpected side of his character--such as his preference for bawdy humor--as well as his indisputable moral courage.

Charles Dickens and Nelly Ternan met in 1857; she was 18, a hard-working actress performing in his production of *The Frozen Deep*, and he was 45, the most lionized writer in England. Out of their meeting came a love affair that lasted thirteen years and destroyed Dickens's marriage while effacing Nelly Ternan from the public record. In this remarkable work of biography and scholarly reconstruction, the acclaimed biographer of Mary Wollstonecraft, Thomas Hardy, Samuel Pepys and Jane Austen rescues Nelly from the shadows of history, not only returning the neglected actress to her rightful place, but also providing a compelling portrait of the great Victorian novelist himself. The result is a thrilling literary detective story and a deeply passionate work that encompasses all those women who were exiled from the warm, well-lit parlors of Victorian

England.

The Invisible Woman by Claire Tomalin is the acclaimed story of Nelly Ternan and Charles Dickens Winner of the NCR Book Award, the Hawthornden Prize and the James Tait Black Memorial Prize 'This is the story of someone who - almost - wasn't there; who vanished into thin air. Her names, dates, family and experiences very nearly disappeared from the record for good ...' Claire Tomalin's multi-award-winning story of the life of Nelly Ternan and Charles Dickens is a remarkable work of biography and historical revisionism that returns the neglected actress to her rightful place in history as well as providing a compelling and truthful portrait of the great Victorian novelist. For those who enjoyed *Samuel Pepys: The Unequalled Self* and *Charles Dickens: A Life*; *The Invisible Woman* is invaluable reading for lovers of Charles Dickens, and for readers of biography everywhere. 'Will come to be seen as one of the crucial women's biographies because of its vivid

dramatization of the process by which women have been written out of history and have been forced to deny their own experiences' Sean French, *New Statesman* 'The most original biography I read this year. Starting out with scarcely the bare bones of a story, Tomalin convinces by the end that she has got as near to the truth as anyone will' Anthony Howard, *Sunday Times* 'A biography of high scholarship and compelling detective work' Melvyn Bragg, *Independent* Claire Tomalin is the award-winning author of eight highly acclaimed biographies, including: *The Life and Death of Mary Wollstonecraft*; *Shelley and His World*; *Katherine Mansfield: A Secret Life*; *The Invisible Woman: The Story of Nelly Ternan and Charles Dickens*; *Mrs Jordan's Profession*; *Jane Austen: A Life*; *Samuel Pepys: The Unequalled Self*; *Thomas Hardy: The Time-Torn Man* and, most recently, *Charles Dickens: A Life*. A former literary editor of the *New Statesman* and the *Sunday Times*, she is married to the playwright and novelist Michael Frayn.

Is anti-Americanism one of the last respectable prejudices, or are accusations of anti-Americanism a way to silence reasonable criticism of the United States? Is the recent rise in anti-Americanism principally a reaction to President George W. Bush and his administration, or does it reflect a general turn against America and Americans? Have we moved from the American century to the anti-American century, with the United States as the

'whipping boy' for a growing range of anxieties? Can the United States recapture the international good will generally extended towards it in the days following 11 September 2001? These key questions are tackled by this new book, which offers the first comprehensive overview of anti-Americanism in the twenty-first century. Examining what is sensibly called anti-Americanism and its principal sources, this study details how the Bush administration has provoked a recent upsurge in anti-Americanism with its stances on a range of issues from the Kyoto Protocol to the war in Iraq. However, the spread of anti-Americanism reflects deeper cultural and political anxieties about Americanization and American global power that will persist beyond the Bush administration. At the heart of much of the recent anti-Americanism is opposition in the Middle East, and elsewhere, to US support of Israel. This crucial issue is explored in depth as is the associated claim of a 'clash of civilizations' between Islam and the West and the rise of anti-

American terrorism. This book will be of great interest to all students and scholars of American Studies, International Relations and Politics. *Mother Goose to the Rescue!* Penguin Penguin Readers is an ELT graded reader series.
