We need good preaching—preaching that challenges us by God's Word and brings the comfort that comes from God's promises. Yet many of us rely solely on others to preach to us and are not benefitting from the kind of preaching that should be most consistent and personal—preaching to ourselves. *Note to Self* is a practical introduction to this daily discipline. Pastor Joe Thorn delivers fifty brief, devotional chapters that model preaching the gospel to ourselves and its practical implications. Readers will be challenged by the book's direct, personal exhortations to apply the law and the gospel to their own lives. Part of the Re:Lit series.

The greatest gift of all... The sleepy town of Havelock is the last place Dr. Jenny Bostock wants to get stuck over the holidays. Her whole trip has been designed to escape the heartbreak of a family Christmas. But when an adorable boy crashes into her on his skateboard--closely followed by his twin and their stressed-out (and seriously sexy!) single dad, Dr. Cameron Roberts--Jenny's forced to put her traveling plans on hold. And the longer she stays with Cameron and his two little boys, the harder it is to leave... Notes to Self Harlequin In Keep Calm and Carry a Big Drink, Kim Gruenenfelder's delicious follow-up to There's Cake in My Future, Seema, Nic and Mel are back, adjusting to their new lives as a bride-to-be, a mother-to-be, and a recently single girl looking for love It's been almost a year since Mel, Nic and Seema pulled their magical charms out of the cake at Nic's bridal shower and most of their happily-ever-afters seemingly came true. Seema is about to marry Scott in an elaborate three-day affair. Nic is glowingly pregnant. And Mel... well, Mel feels as if

she accidentally veered off the rails of her life at some point and isn't sure how to get back on. She recently became single again, she's been threatened with a layoff from her teaching job, and she has to find her own place now that Scott is moving in with her roommate, Seema. Nic thinks Mel just needs a new cake charm to bring her good luck. . . and decides to rig the cake pull at Seema's bridal shower. Desperate for travel, Mel asks for the passport charm. But, once again, the cake proves to have a mind of its own, and she pulls a charm she doesn't want, and can not use. Rather than be bound by the charm's prophecy, Mel realizes she, and she alone, is responsible for her destiny. A spur of the moment decision takes her to Paris and then Maui, where she finds herself on an adventure that she never could have imagined, experiencing the trials and tribulations of a life suddenly and perfectly unplanned. And, along the way, she begins to learn that, however nonsensical it may seem, the cake is never wrong... *Note to Self Journal* Penguin NATIONAL BESTSELLER "A

Simon and Schuster Reading Notes To Myself is one of those rare experiences that comes only once in a great while. The editor who discovered the book said, "When I first read Prather's manuscript it was late at night and I was tired, but by the time I finished it, I felt rested and alive. Since then I've reread it many times and it says even more to me now." The book serves as a beginning for the reader's exploration of his or her own life and as a treasury of thoughtful and insightful reminders. *A Seven-Step Path to Gratitude and Growth* BalboaPress Awaken the sleeping remembrance of your Higher Self. Essays She Writes Press Based on the national bestseller *Keep Moving*—called “a meditation on kindness and hope” (NPR)—a 52-exercise journal about hope and renewal from the award-winning poet. As Maggie Smith navigated loss and upheaval, she wrote to herself each day—forgiving herself for a past mistake, reflecting on moments of joy, or looking towards the future, ending each note-

to-self with the phrase “keep moving.” In her own words, “I wasn’t offering wisdom from on high; I was talking to myself at the bottom of a dark well, trying to climb up into the light, little by little, day by day.” Smith was surprised not only by how uplifting this process was, but also by the outpouring of support and gratitude from thousands of people who found solace in her words. Through the healing power of writing, *Keep Moving: The Journal* invites us to find beauty in the present moment, embrace change, and create a life we love.

Windows Lockdown!

Disney Electronic Content It started as this: a journal. A private diary of moments in time, a collection of personal life lessons and questions, an assemblage of knowledge from a girl who knows nothing, really, but might know a thing or two. In these personal thoughts-turned-quotes, Mia Brabham explores life's questions and makes bold observations. The punchy yet soulful musings are whimsical and self-effacing; self-deprecating and kind. They're raw, they're tough love, they're tender affection. They were written tired and inspired. Hungry for more and full with what she had. They were written with intense honesty, or at least her version of it, because who was ever going to read them? They're about how dreams are secretly shapeshifters, and how people can be simultaneously amazing

and crummy. They're about how heartbreak molds you and how love is not only a feeling but also a choice. These thoughts are about how decisions are hard but less hard when you realize that existing is about what makes your soul sing. About how this life is playful, and scary, and above all things -- beautiful. These quotes have been lived. These quotes are stories. This little book of ponderings is the perfect gift for anyone with an affinity for words and wisdom who is ready to become more of themselves.

WINNER OF THE AN POST IRISH BOOK OF THE YEAR

• “Emilie Pine’s voice is razor-sharp and raw; her story is utterly original yet as familiar as my own breath.”—Glennon Doyle, #1 New York Times bestselling author of *Love Warrior* In this dazzling debut, Emilie Pine speaks

to the events that have marked her life—those emotional disruptions for which our society has no adequate language, at once bittersweet, clandestine, and ordinary. She writes with radical honesty on the unspeakable grief of infertility, on caring for an alcoholic parent, on taboos around female bodies and female pain, on sexual violence and violence against the self. This is the story of one woman, and of all women. Devastating, poignant, and wise—and joyful against the odds—*Notes to Self* is an unforgettable exploration of what it feels like to be alive, and a daring act of rebellion against a society that is more comfortable with women’s silence. Praise for *Notes to Self* “*Notes to Self* begins as a deceptively simple catalogue of the injustices of modern female life and slyly emerges as a screaming treatise on just what it means to make your own rules, turning the hand you’ve been dealt into the coolest game in town. Emilie Pine is like your best friend—if your best friend was so sharp she drew

blood.”—Lena Dunham, #1 New York Times bestselling author of *Not That Kind of Girl* “To read these essays is to understand the human condition more clearly, to reassess one’s place in the world, and to reclaim one’s own experiences as real and valid.”—Sunday Independent “Harrowing, clear-eyed . . . Everyone should consider [this] priority reading.”—Sunday Business Post “Incredible and insightful—an absolute must-read.”—The Skinny “Agonizing, uncompromising, starkly brilliant. . . . [A] short, gleamingly instructive book, both memoir and psychological exploration—a platform for that insistent internal voice that almost any woman . . . wishes they had ignored.”—Financial Times “Do not read this book in public. It will make you cry.”—Anne Enright
