With the advent of sound, Hindi songs acquired a grammar of their own, thanks to the introduction of songs as a part of the narrative - a tradition that is unique to Hindi cinema. This gave rise to a class of professionals who acquired a star status that was in the league of the actors themselves - the lyricists. Rajiv Vijayakar's book chronicles the journeys of leading film lyricists - from D.N. Madhok and Pandit Pradeep to Amitabh Bhattacharya and Irshad Kamil, including stalwarts like Shakeel Badayuni and Sahir Ludhianvi, Majrooh Sultanpuri and Anand Bakshi, Gulzar and Javed Akhtar - who have woven magic with the written word. Filled with trivia and never-before-heard-of anecdotes, Main Shaayar Toh Nahin is an introduction to the contribution made by some of the finest wordsmiths to the Hindi film industry.

\* Tiger populations the world over are endangered\* A unique look at individual tigers and family groups\* Written and photographed by a former government official, actress and photographer well-versed in Ranthambhore's more remote locationsRanthambhore National Park is a vast wildlife reserve in Rajasthan, northern India. It is a former royal hunting ground and home to tigers, leopards and marsh crocodiles. Its landmarks - both natural and manmade - include the imposing 10th-century Ranthambhore Fort, the Ganesh Mandir temple, and Padam Talao Lake, known for its abundance of water lilies. It is one of the world's finest places to view wildlife. The Park is also a crucial tiger habitat. As Rhajasthan's former Minister for Tourism, as well as for Forests and the Environment, Bina Kak had unprecedented access to the Park. There she focused on individual tigers, tigresses, and tiger families. Unlike other photography books on the Park, this book focuses on the unique traits - or personalities - of single animals or groups, for example how a male tiger

mothered his cubs when they were separated from the tigress. Her stunning photographs include views not easily accessible or are completely unavailable to other photographers, and will certainly appeal to conservationists, environmentalists, travelers, those interested in nature photography, or anyone engaged with the future of these magnificent animals.

He was called for his service to the motherland. He reciprocated immediately. Giving up all familial relationships, he partook in a rigorous training programme that was a true test of his heart, body, mind and soul. Fighting off his cowardly hopes of quitting the organization so as to avoid the ordeal, he was finally made battle ready. Slipped into enemy territory, his espionage attempts met with complete success. However luck soon turned against him, as during his third mission he was seized by the enemy camp and imprisoned. He was subjected to absolute third degree torture and only miraculously, and albeit divinely, escaped the contours of death on more than one occasion. But he continued to strive towards seeing his own country once again. He looked forward to coming back home. And one day, God gave him that chance. He returned to the border once again, so that he could be united with his fellow countrymen. Was the welcome given to him befitting that of a hero? Or even if not a hero's welcome, certainly he needn't have been treated like a blackguard, a traitor! Who was he after all a Spy, or a Soldier?

Spiritual Intelligence refers to the intuitive knowledge of the self, others, situations and techniques to achieve the desired objectives. Hence it can be called the soul of all intelligences. Spiritual Intelligence enhances our power to inspire others by transforming their souls in such a way that their desires and aspirations are aligned in a single direction. Soul is beyond all reason and intellect. It is, in fact, the source of mind and intellect. One who knows his soul knows the universe, since soul is nothing but the microcosm of the universe. This book explains this body-soul continuum and suggests practical steps to evolve through the body-senses-mind-intellect to reach our soul. Welcome to this new path of spiritual evolution.
