Chapter 7.1 : Introduction to ShaftMechanical Engineering Design Shigley 7thThe seventh edition of "Mechanical Engineering Design" marks a return to the basic approaches that have made this book the standard in machine design for over 40 years. At the same time, the textbook has been significantly updated and modernized for today's engineering students and professional engineers. Working from extensive market research and reviews of the 6/e, the new 7/e features reduced coverage of uncertainty and statistical methods.Mechanical Engineering Design: Amazon.co.uk: Shigley ...Synopsis. The seventh edition of Mechanical Engineering Design marks a return to the basic approaches that have made this book the

standard in machine design for over 40 years. At the same time it has been significantly updated and modernized for today's engineering students and professional engineers. Workin.
