From the #1 New York Times bestselling author of the FALLEN series comes WATERFALL, a novel about love, betrayal, and epic consequences—a world-altering tale told by a girl whose tears have the power to raise the lost continent of Atlantis. This second novel in the Teardrop series is intensely romantic, with strong, hot main characters caught up in a thrilling fantastical love triangle. For readers who love Lauren Kate and the worlds of Alyson Noël, P. C. Cast, Maggie Stiefvater, and Veronica Rossi. Eureka's tears have flooded the earth, and now Atlantis is rising, bringing with it its evil king, Atlas. Eureka is the only one who can stop him, but first she must learn how to fight. She travels across the ocean with Cat, her family, and Ander, the gorgeous and mysterious Seedbearer who promises to help her find Solon, an enigmatic lost Seedbearer who knows how to defeat Atlas. Once on land, Eureka is taunted by gossipwitches, a group of displaced Atlantean sorceresses, and ambushed by locals struggling to survive amid the destruction her tears have wrought. And she feels no closer to facing Atlas or saving the world when Solon lets slip that love is Ander's weakness, and that any affection he feels toward her makes him age faster. Trying to make sense of the dark world her sorrow has created, Eureka receives startling insight from an enchanted pond. Her bewildering reflection reveals a soul-crushing secret: if she's strong enough, Eureka can draw on this knowledge to defeat Atlas—unless her broken heart is just what he needs to fuel his rising kingdom. . . . In Waterfall, Eureka has the chance to save the world. But she'll have to give up everything—even love.

New York, 1909: Fifteen-year-old Cetta arrives on a freighter with nothing but her infant son Natale: strikingly blond, dark-eyed, and precocious. They've fled the furthest reaches of southern Italy with the dream of a better life in America. But even in the "Land of the Free," the merciless laws of gangs rule the miserable, poverty-stricken, and crime-filled Lower East Side. Only those with enough strength and conviction survive. The Girl with Glass Feet Little, Brown Books for Young Readers

The award-winning YA author weaves "an unsettling tapestry of ugly secrets, violence, suspense, twisted motives and love's unfathomable ways" (Kirkus). Anna and Abel couldn't be more different. They are both seventeen and in their last year of school, but while Anna lives in a nice old town house and comes from a well-to-do family, Abel, the school drug dealer, lives in a grim tower block at the edge of town. Anna naturally keeps her distance from Abel. But when she discovers that he is the only one caring for his six-year-old sister, her fear turns to fascination. Anna follows the two, listening as Abel tells little Micha the story of a tiny queen assailed by dark forces. It's a beautiful fairy tale that lets Anna see Abel's reality. Unable to make ends meet, he's in danger of losing Micha to their abusive father. Anna gradually falls in love with Abel, but when his "enemies" begin to turn up dead, she fears she has fallen for a murderer. Antonia Michaelis, the Batchelder Honor Award-winning author of *Tiger Moon*, moves in a bold new direction with her latest novel: a dark, haunting, contemporary story that is part mystery, part melodrama, and part dark romance.
