Essential Energy Balancing Crossing Press

Reiki master and best-selling author Diane Stein has been a dedicated hands-on healer since 1988. Stein believes strongly that this powerful healing art, once a closely guarded secret tradition, should be accessible and available to all. Since she began teaching in 1990, Stein has initiated thousands of students in all three levels of Reiki healing. Through these efforts she developed a comprehensive teaching method that encompasses the fundamentals of this ancient system. The ESSENTIAL REIKI TEACHING MANUAL equips the Reiki initiate with the practical tools needed for launching a Reiki healing practice, leading a Reiki workshop, and becoming a more effective Reiki practitioner. This hands-on instructional guide together with the digitally re-mastered DIANE STEIN'S ESSENTIAL REIKI WORKSHOP DVD is the next best thing to a personal teaching session with Diane Stein herself.

The All-In-One Reiki Manual for Deep Healing and Spiritual Growth Celestial Arts

Reiki has already swept through the world and become globally known. It seems that everyone is, or at least knows, a Reiki practitioner. What people did not expect is that Reiki is quite real. It is a distinct and powerful frequency of energy that heals the person proving Reiki just as much as the one who receives Reiki. The reality is that these changes are inevitable, expansive, positive, transformational . . . and sometimes extremely scary. This book is designed for all Reiki practitioners at all levels. *Reiki and Your Intuition: A Union of Healing and Wisdom* prepares, explains, and assures the practitioner that, because of Reiki, positive changes are happening and will continue to happen in their personal lives. This book will guide the practitioner through their own personal healing challenges, while at the same time,

providing guidance through their startling, unforeseen intuitive skills exploding into other realms of consciousness. Zion brings her history of teaching Reiki with her current specialty of teaching medical intuition to provide a step-by-step guide and personal workbook for the Reiki practitioner to excel as a natural healer. Included in the book are very personal stories from Reiki practitioners and at the same time asks each reader to be much more aware of their own story as an intuitive Reiki provider. Each reader will learn: •To be a clear vessel for intuitive Reiki; •Precise steps for accurate intuitive assessments;(br>•Each person's personal intuitive relationship with the symbols; •Step-by-step distant healing; •Intuitive attunements; •The depth of each person's own personal story.

We live in an age of unprecedented flourishing of technology in medicine. So why are we experiencing such epidemic levels of pain, disease, emotional and mental stress, and just plain old poor health--and often at such uncommonly young ages? Searching to answer these questions, we turn to every possible medical specialty and lifestyle cause, looking for clues. After guiding thousands of patients on their journeys back to health, Dr. Linda Lancaster has discovered that it is the interplay of invisible forces such as chemicals, heavy metals, radiation, and opportunistic parasites--the "Five Culprits"--worms, fungus, bacteria, micro-parasites, and viruses, that are the cause of many of the health struggles we experience today. This fundamental dynamic is the origin of most of the symptoms she has seen, including chronic exhaustion, digestive distress, painful joints, infertility, eczema, and mysterious conditions like Lyme Syndrome. If you have experienced any of these symptoms, you know how the physical experience affects your emotional wellbeing. But it doesn't have to be that way. You can begin to take your life back with *Harmonic Healing*. In this six-week foundational program, you will learn how to cleanse your liver, neutralize environmental pollution, revitalize your energy and return to a balanced state of health, using solely nontoxic, inexpensive, and natural protocols. With nourishing recipes, therapeutic baths, and gentle homeopathic and household remedies, *Harmonic Healing* helps

clear the path for your journey back to health and well-being.

A comprehensive guide to the first and second degrees of Usui Reiki Ryoho as well as Reiki's history and Western evolution • Details hand positions, self-healing exercises, spiritual development meditations, and the Japanese Reiki techniques introduced in the first degree, shoden, and the second degree, okuden • Provides a thorough introduction to the five levels of byosen, the energetic mechanism used to scan an individual's

energy field and locate areas of disharmony • Examines the core teachings of Reiki founder Usui Mikao and offers a new comprehensive exploration of Reiki's history and evolution • Explores tools and techniques adapted by Western lineages, such as working with crystals and the chakras Bridging Eastern and Western lineages to reclaim Reiki's roots as both a healing art and a spiritual practice, Nicholas Pearson offers a new comprehensive exploration of Reiki's history and evolution, the foundations of Usui Reiki Ryoho theory and practice, and the original techniques and modern tools of both the first degree, shoden, and second degree, okuden. He explores the etymology of key Reiki terminology and presents a complete discussion of the origins of the symbols used in the second degree, providing new historical, cultural, and spiritual context. He examines the core teachings of Reiki founder Usui Mikao, who taught that Reiki Ryoho enacted healing at the soul level, as well as insights from other important Reiki masters such as Hawayo Takata. Explaining what Reiki is and how it heals, the author outlines the six core characteristics that all varieties of Reiki share, including initiations and the Five Precepts. He details effective hand positions, self-healing exercises, spiritual development meditations, and the Japanese Reiki techniques introduced in first degree and second degree practice. He also explores a number of other techniques that have been adapted by Western lineages, such as aura sweeping, chakra tune-ups, and charging and programming crystals with Reiki. He provides a thorough introduction to the five levels of byosen, the energetic mechanism used to scan an individual's energy field and locate areas of disharmony, allowing you to increase your ability to sense centers of toxic imbalance as well as begin dislodging them, thereby increasing the effectiveness of Reiki treatment. Offering Reiki tools to transform your life from the inside out, Pearson shows how Reiki Ryoho is a healing system that focuses on the inner and spiritual aspects of your being first, allowing you to polish the heart so it reflects the shining light of the soul.

Reiki is an ancient and profoundly simple system of “laying on of hands” healing derived from Tibetan Buddhism. In the West, Reiki has been kept highly secret for many years. ESSENTIAL REIKI presents full information on all three degrees of this healing system, most of it in print for the first time. Teaching from the perspective that Reiki healing belongs to all people, Diane Stein breaks new ground in her classic guide to this ancient practice. While no book can replace the directly received Reiki “attunements,” ESSENTIAL REIKI provides everything else that the healer, practitioner, and teacher of this system needs.

An Encyclopedia of Your Energetic Anatomy BQB Publishing From master Reiki teacher Lisa Champion comes The Art of Psychic Reiki, a one-of-a-kind, step-by-step guide for learning the sacred art of Reiki while cultivating the psychic and intuitive skills crucial to this healing energy work. Reiki is a gentle yet powerful, hands-on energy healing method from Japan that's been gaining in popularity over the last century—not only with bodyworkers and massage therapists in the West but also with medical professionals who can attest to its healing power. Born from the author's decades of experience with Reiki healing and her own

methods, The Art of Psychic Reiki provides everything you need to know about this healing art, including the critical psychic development and empathy training that prepares healers to go out and do the work they were meant to do. If you're drawn to the healing art of Reiki, you might be a highly sensitive person, with high levels of empathy, intuition, and latent psychic abilities (a combination of intuition and inner knowing, plus the ability to connect with higher wisdom). And since Reiki is a form of energy healing, many new practitioners may experience what's called a psychic opening as they learn or practice. For this reason, it's important that every Reiki practitioner master the ability to navigate their empathic and psychic sensitivities while engaged in this work—and this book can help. Whether you're new to Reiki or you're a practitioner seeking to deepen your knowledge and enhance your skills, with this guide you'll learn how to use Reiki to heal yourself and others, cultivate and trust your natural intuition, develop your empathic and psychic abilities, work with your spirit guides, and ground and protect yourself as a practitioner of this sacred healing art.
