New York Times Bestseller Rosie may seem quiet during the day,

but at night she's a brilliant inventor of gizmos and gadgets who dreams of becoming a great engineer. When her great-great-aunt Rose (Rosie the Riveter) comes for a visit and mentions her one unfinished goal—to fly—Rosie sets to work building a contraption to make her aunt's dream come true. But when her contraption doesn't fly but rather hovers for a moment and then crashes, Rosie deems the invention a failure. On the contrary, Aunt Rose insists that Rosie's contraption was a raging success: you can only truly fail, she explains, if you quit. From the powerhouse author-illustrator team of Iggy Peck, Architect comes Rosie Revere, Engineer, another charming, witty picture book about believing in yourself and pursuing your passion. Ada Twist, Scientist, the companion picture book featuring the next kid from Iggy Peck's class, is available in September 2016.!--

And cheddar-cheese spray." —Kirkus Reviews "This celebration of creativity and perseverance is told through rhyming text, which gives momentum and steady pacing to a story, consistent with the celebration of its heroine, Rosie. Features an audio read-along! With a simple, witty story and free-spirited illustrations, Peter H. Reynolds entices even the stubbornly uncreative among us to make a mark -- and follow where it takes us. Her teacher smiled. "Just make a mark and see where it takes you." Art class is over, but Vashti is sitting glued to her chair in front of a blank piece of paper. The words of her teacher are a gentle invitation to express herself. But Vashti can't draw - she's no artist. To prove her point, Vashti jabs at a blank sheet of paper to make an unremarkable and angry mark. "There!" she says. That one little dot marks the beginning of Vashti's journey of surprise and self-discovery. That special moment is the core of Peter H. Reynolds's delicate fable about the creative spirit in all of us.

Like many others on the autism spectrum, 20-something stand-up comic Michael McCreary has been told by more than a few well-meaning folks that he doesn't "look" autistic. But, as he's quick to point out in this memoir, autism "looks" different for just about everyone with Autism Spectrum Disorder (ASD). Diagnosed with ASD at age five, McCreary got hit with the performance bug not much later. During a difficult time in junior high, he started journaling, eventually turning his pain e into something empowering—and funny. He scored his first stand-up gig at age 14, and hasn't looked back. This unique and hilarious #OwnVoices memoir breaks down what it's like to live with autism for readers on and off the spectrum. Candid scenes from McCreary's life are broken up with funny visuals and factual asides. Funny, You Don't Look Autistic is an invaluable and compelling read for young readers with ASD looking for voices to relate to, as well as for readers hoping to broaden their understanding of ASD.

Once upon a time a miller's daughter was given an impossible task by a cruel and greedy king. She had to spin straw into gold. And who should show up to help her but an odd little man named Rumpelstiltskin. According to tradition, the gold-bedazzled king and the miller's daughter are wed. But wait just a minute! This king is definitely not husband material, and there's someone else who is -- a hardworking guy who's supportive and nice looking, and who really comes through in a pinch. Why not marry

Rumpelstiltskin? In Diane Stanley's merry rethinking of the traditional tale, Rumpelstiltskin and the miller's daughter are wed...and then sixteen years later their only daughter is stuck in the same dilemma: She's been locked in a room full of straw to spin for a greedy king! She could call for help from her father, but this fairy-tale heroine has some canny plans of her own. How Rumpelstiltskin's daughter sets things to rights in the troubled kingdom, while achieving a unique place for herself, makes for a wise and witty tale of kindness and cleverness rewarded. Diane Stanley's wickedly funny text and zesty illustrations put a delightful new spin on a classic fairy tale. Rumpelstiltskin's daughter may not be able to spin straw into gold, but she is more than a match for a monarch whose greed has blighted an entire kingdom. 2000-2001 Georgia's Picture Storybook Award & Georgia's Children's Book Award Masterlist 01-02 Land of Enchantment Book Award Masterlist (Gr. 3-6) 99-00 Children's Book Award
