*Gran Libro de Los Mejores Cuentos: Volumen 1* Hera books Ltd  
“You will not sleep until you are finished with AGENT ZERO. A superb job creating a set of characters who are fully developed and very much enjoyable. The description of the action scenes transport us into a reality that is almost like sitting in a movie theater with surround sound and 3D (it would make an incredible Hollywood movie). I can hardly wait for the sequel.” --Roberto

Mattos, Books and Movie Reviews CHASING ZERO is book #9 in the #1 bestselling AGENT ZERO series, which begins with AGENT ZERO (Book #1), a free download with nearly 300 five-star reviews. The Palestinians decide they want to make peace with Israel—and they want the U.S. President to broker the historic treaty on their territory. Agent Zero advises the President against the dangerous trip, but he insists on going. After a series of dramatic and shocking twists, the most dangerous 48 hours of Zero’s life ensue, forcing him into an impossible mission: save the President at all costs. CHASING ZERO (Book #9) is an unputdownable espionage thriller that will keep you turning pages late into the night. Books #10-#11 are also available! “Thriller

writing at its best.” --Midwest Book Review (re Any Means Necessary) “One of the best thrillers I have read this year.” -- Books and Movie Reviews (re Any Means Necessary) Also available is Jack Mars’ #1 bestselling LUKE STONE THRILLER series (7 books), which begins with Any Means Necessary (Book #1), a free download with over 800 five star reviews!

### **Death Waits in the Dark** Head of Zeus

Scott Sebastian is a liar. Fitting, since I'm a liar too. Yet there's no place for me in his glittering world of half-truths. With all our secrets in the open, I should stop trying. What I've learned should send me running far away. I can't keep pining for a man in love if I'm not the woman he's in love with. But it's not that easy to escape the Sebastians. I already knew they owned this city. Now I'll find out if they also own their son.

### **Teaching Abby** Blackstone Publishing

In New York Times bestseller Allison Brennan’s Cold as Ice, FBI Agent Lucy Kincaid must get into the head of a psychopath to save her family, and herself Two years ago, FBI Agent Lucy Kincaid put psychopath Elise Hansen Hunt in juvenile detention for her role in an organized crime syndicate. Now eighteen, Elise has been released with a clean slate, and plans to take her revenge by making Lucy’s life hell. The plot begins with Lucy’s husband Sean Rogan, who has been arrested for a murder he most certainly did not commit. Lucy is determined to prove Sean’s innocence, but is warned off the case by her boss. As she calls in reinforcements, she learns that Sean’s brother Kane is missing in Mexico, her partner Nate Dunning has been arrested for possession of cocaine, and her friend Brad Donnelly has been kidnapped outside DEA headquarters. Lucy realizes that Elise

doesn’t have the resources or patience to execute such a devious plan. Did Elise’s father orchestrate everything from prison? Or is there someone even more calculating seeking revenge on Lucy by hurting the people she loves? One thing is certain: if Lucy doesn’t find the answers fast, Sean will die.

### The Undoing Lulu.com

Loss is always difficult to bear, but compound loss has a crippling effect that is hard to explain. Following the passing of her maternal grandmother, Cashe experiences a series of events that test her faith, patience and wellbeing. In a posthumous conversation with her grandmother, she discusses the twists and turns that shaped her early adult years. Entangled in the throes of a complicated relationship, she struggles with letting go of that which no longer serves her. When new love seemingly falls into her lap, she becomes caught in the cross hairs of what can only be described as complicated. The woman who outwardly seems to have it all is broken down and forced to turn to the only person on whom she can depend, herself. When both of her love interests end up in federal custody, Cashe realizes that she is also being investigated by the authorities and the people in her town. As much as she wants and needs to pull away she finds herself coddling the affairs of the man she loves only to find that the love that they shared was built on false pretenses. Grandma, Let Me Tell You, is a cautionary tale of love, loss, loyalty and betrayal. Cashe learns the hardest lessons from the very people who claim to love her.

Rutgers University Press

Una volta eri l'uomo che odiavo, ma ti ho perdonato per quello che hai fatto. Ora tocca a te perdonarmi. No, non ti ho tradito, nemmeno lontanamente. Ma ho commesso un errore enorme, di quelli che fanno sopravvivere poche relazioni. E adesso? Dove andremo? È stata la cosa più stupida che abbia mai fatto, e ha cambiato tutto. Troverai nel tuo cuore la forza per perdonarmi? O è la nostra fine? \*\* ANCORA NON MI FIDO DI TE è il secondo libro della COPPIA dei nemici - amanti dell'autrice bestseller Charlotte Byrd che ti farà girare la testa. Cosa dicono i lettori di Charlotte Byrd: "Questo libro / serie crea dipendenza! Estremamente scottante e infuocato, intenso con colpi di scena che proprio non ti aspetterai... "★★★★★ "Lo inizi e non lo posi più!" ★★★★★ "Come diavolo ho fatto a sopravvivere? La mia mente è sconvolta, il cuore mi esplose nel petto e sono sul baratro, tremando come una foglia in una tempesta, in attesa di rifare tutto da capo, con la conclusione che sia uno dei migliori motivi per uscire dal lavoro e perdersi per un po'. " ★★★★★ "Questa serie è così intensa e deliziosa. I colpi di scena mozzafiato, le emozioni selvagge e la tensione snervante continuano ad aumentare man mano che si prosegue ogni libro di questa affascinante serie. Sono così coinvolto nella storia di Nicholas e Olivia. Questi personaggi si insinuano davvero nel tuo cuore, consumando totalmente anche la tua mente. La avvincente storia ti cattura rapidamente e ti immerge nel mondo di questa coppia. Cerca di essere preparato per il colpo di scena e per l'attesa per il sesto e ultimo libro di questa fantastica serie. " ★★★★★

**The Perfect Disguise (A Jessie Hunt Psychological Suspense Thriller—Book Ten)** Penguin

This book unites research in philosophy and cognitive science

with cultural history to re-examine memory in early modern religious practices. Offering an ecological approach to memory and culture, it argues that models derived from Extended Mind and Distributed Cognition can bridge the gap between individual and social models of memory.

*The Chateau* Harper Collins

Former Navy SEAL Holden Stanford gave up the only woman he ever loved so she could have the family she wanted. And she'd found it—with one of his teammates. A betrayal that cut so deep that, years later, it still bled. But his sacrifice was all for naught—the one thing he never wanted for her happened—she lost her husband on the battlefield. Now she's back. In his life, in his space, and opening old wounds. The mere sight of her destroyed him, but seeing her daughter—excruciating. The little girl was a living reminder of everything they lost. The one thing he could never get over. Charleigh Towler understood how one decision could change the trajectory of life. One night, too much alcohol and overwhelming hurt led her to make a bad decision. One she couldn't regret because out of that she made her daughter. But it had forever altered her path. For years she'd paid for her perceived mistake until the man she'd never stopped loving was almost killed and she reevaluated her life. She was done allowing Holden Stanford to hide. Never one to dally, she packed up her life and moved to Maryland to do something she should've done years ago—fight for the man she loved. Close to getting everything they should've always had, Charleigh's life is thrown off its path again—only this time it's her daughter's life that hangs in the balance. "Riley Edwards is the queen of suspense! She knows just how to grab a reader and not let go! I

recommend every single one of her books!" ~Susan Stoker, NYT Bestselling Author What are readers saying about Gemini Group: "I absolutely love the guys in the Gemini group." Goodreads Review "I can't wait to read the next book in this series." Goodreads Review "And the guys of Gemini Group..love them. The brotherhood and how they included Kennedy is one of their own. They are amazing and can't wait to read their books. Next is Weston and Silver and by the little taste we got I know it's going to be awesome. " Island Girl Romance Reads. "Love this author. **The Widow Waltz** Byrd Book Llc

'De Bernieres is a singular, cherishable voice' Mail on Sunday From the master of historical fiction, this book follows an unforgettable family after the Second World War. Some bonds are hard to break... Daniel Pitt was an RAF fighter in the First World War and an espionage agent for the SOE in the Second. Now the conflicts he faces are closer to home. Daniel's marriage has fractured beyond repair and Daniel's relationship with his son, Bertie, has been a failure since Bertie was a small boy. But after his brother Archie's death, Daniel is keen for new perspectives. He first travels to Peshawar to bury Archie in the place he loved best, and then finds himself in Canada, avoiding his family and friends back in England. Daniel and Bertie's different experiences of war, although devastating, also bring with them the opportunity for the two to reconnect. If only they can find a way to move on from the past...

[A Post-Apocalyptic Alien Invasion Adventure](#) Hillcrest Publishing Group

It's a summer internship. Never mind that the owners are hot. Never mind that there are three of them. Never mind that they are twice her age. Never mind that they have a secret "play" room in the basement. Never mind that she's never been more intrigued in her life. She only has three months. No matter how deeply she gets involved, she can't stay...

**A Novel** Legare Street Press

"This heartfelt, witty addition to women's fiction will appeal to fans of Elizabeth Berg and Anna Quindlen." (Booklist) Georgia Waltz has things many people only dream of: a plush Manhattan

apartment overlooking Central Park, a Hamptons beach house, valuable jewels and art, two bright daughters, and a husband she adores, even after decades of marriage. It's only when Ben suddenly drops dead from a massive coronary while training for the New York City Marathon that Georgia discovers her husband—a successful lawyer—has left them nearly penniless. Their wonderland was built on lies. As the family attorney scours emptied bank accounts, Georgia must not only look for a way to support her family, she needs to face the revelation that Ben was not the perfect husband he appeared to be, just as her daughters—now ensconced back at home with secrets of their own—have to accept that they may not be returning to their lives in Paris and at Stanford subsidized by the Bank of Mom and Dad. As she uncovers hidden resilience, Georgia's sudden midlife shift forces her to consider who she is and what she truly values. That Georgia may also find new love in the land of Spanx and stretch marks surprises everyone—most of all, her. Sally Koslow's fourth novel is deftly told through the alternating viewpoints of her remarkable female protagonists as they plumb for the grit required to reinvent their lives. Inspiring, funny, and deeply satisfying, *The Widow Waltz* explores in a profound way the bonds between mothers and daughters, belligerent siblings, skittish lovers, and bitter rivals as they discover the power of forgiveness, and healing, all while asking, "What is family, really?"

Holden's Resurrection Riley Edwards

Get ready for *The Undoing*, soon to be the most talked about TV of 2020. From the creators of *Big Little Lies*, *The Undoing* premieres this autumn starring Nicole Kidman, Hugh Grant and

Donald Sutherland. 'A great psychological thriller ... I couldn't put it down.' Daisy Goodwin 'Gripping . . . had me in its thrall from page one . . . Brilliant.' Metro A New York Times bestseller Grace Sachs, a happily married therapist with a young son, thinks she knows everything about women, men and marriage. She is about to publish a book called *You Should Have Known*, based on her pet theory: women don't value their intuition about men, leading to serious trouble later on. But how well does Grace know her own husband? She is about to find out, and in the place of what she thought she knew, there will be a violent death, a missing husband, and a chain of terrible revelations. Left behind in the wake of a very public disaster, and horrified by the ways in which she has failed to heed her own advice, Grace must dismantle one life and create another for herself and her child. ### Grandma, Let Me Tell You Random House

A magical and emotionally powerful novel from the Sunday Times bestselling author Susan Sallis, perfect for fans of Maeve Binchy, Fiona Valpy and Rosamunde Pilcher. READERS ARE LOVING NO MAN'S ISLAND, THE SUNDAY TIMES BESTSELLER! "This is my first Susan Sallis book and it certainly won't be my last." - 5 STARS "Couldn't put it down." - 5 STARS "I loved the way the story had a twist at the end. Great book." - 5 STARS \*\*\*\*\* ON A WILD AND WINDSWEPT ISLAND, THE SECRETS OF THE PAST UNRAVEL... When she hears the news of the death of her ex-husband, Binnie feels like her tranquil life in the West Country is over. To her surprise, she discovers that he has left her the island in the beautiful archipelago off the coast of Cornwall and the dilapidated house where he spent his childhood, and Binnie has to take her family to the island - revisiting it for the first time in years - and work out what to do. As she becomes involved in the life of the island, and its inhabitants, she has to embark upon a whole new life and discovers many things about her husband - and her own past - that will change everything forever...

*Code Name: Rook* Blake Pierce

The war is over and blackouts are a thing of the past, except in the village of Melchester, where the local council has refused to sully its streets with unsightly lamps. The night is pitch black, but hardly quiet. Young lovers are rendezvousing, a police constable is helping himself to a few of his neighbor's partridges, and a poet is going to visit his beloved, a new verse on his lips. She will never hear it, sadly, for the young man is stopped along his way - stopped forever, by the tight grip of the garrote. The local constabulary wastes no time reaching out to Scotland Yard, which

sends its best man: the easygoing detective-inspector Littlejohn. In Melchester he will find unspeakable secrets – and one citizen whose soul is as dark as the village night.

*Protecting His Witch Critique; 17, (1910)*

A technological-religious thriller, *THE CYBER REVELATION*, is a powerful prescient work of fiction and should be read by the rest of the world today as it may have just enough time to prepare for its fate tomorrow. The next world war begins over the Internet. By early summer 2011, Ali Omar, a former U.S. intelligence officer, resurfaces as the leader of a rogue cabal of computer experts operating inside Chechnya. Their creation, The Third Millennium, a computer virus designed to manipulate the Internet and shape a new world destiny, is usurped by a malevolent presence initiating the assault on the Holy Land foretold in biblical prophecies. Unsealing the ancient prophecies, the presence molds the behavior of all who view a computer screen into evil incarnate through the commission of acts of violence. John Granger, computer forensics expert and special assistant to the Department of Homeland Security, races against time to locate and eliminate the source of the new cyber-evil tracing its footprints by deciphering a series of messages deposited on compromised government computers. As he investigates the scenes of the victims, Granger is unaware he has made himself a target for assassination. EXCERPT: "Site R continuity of operations are complete Mr. President," reported the Chairman of the Joint Chiefs of Staff from the subterranean room in Raven Rock. The President's image from the White house filled the screen on the near wall. "Video conferencing with Greenbrier and Mt. Weather have confirmed standby procedures of the relocation

system. The emergency preparedness centers are fully operational. I expect to hear from infectious diseases in Detrick within the hour." "I want a full report in 8 hours," snapped the President. "What's causing the violence? Is the source biological? Is it psychological? Has an unknown pathogen been released into the population? The best experts in the world are working around the clock and still we have no answers. All we know is people are dying en masse." "Anything definitive come back from Homeland Security on the Third Millennium virus?" asked the Chairman. "No. The Cyber Security Division is coordinating with Computer Emergency Response teams" the President replied. "Since the virus began to swamp the Internet, they've developed a strategy to secure it from the cyber rage. To lighten public concern, a series of alerts have been posted categorizing the virus as a low threat. The strategy appears to be working. While the technology community sifts and analyzes data on the Third Millennium, the media's ignoring the spread of a low-threat cyber event. We're reaching a critical point. I've read preliminary reports from CERTs theorizing a relationship between the Third Millennium and the violence. The dots haven't been completely connected but, if true, the destruction of our culture may be delivered by the one solution we designed to promote global unity."

Beyond the Yellow Star to America Big Dog Books, LLC  
During Ukraine's Revolution of Dignity in the winter of 2013-14, Dr. Nataalka Slovyanka, a beautiful, young psychiatrist from Donbas, tries to cure her mysterious patient of his "philosophical intoxication." Telesyk is a storyteller who hears voices in the wind. His mind drifts between the immuring reality of the psikhushka and an imaginary world inhabited by witches,

nymphs, and dragons. He engages the other patients in a fairy tale of the quest for a horse that eats burning embers and drinks fire, a myth that parallels Ukraine's search for its identity. Both patient and therapist embark on their own quests--Telesyk, to free himself from the prison of his mind and Nataalka, to escape the dark secrets of her past. As different as East and West, they realize that they must unite to slay the family of dragons that are threatening their existence. Myth and Madness blends magical realism with historical events on the Maidan to tell the story of a nation's quest for its identity.

#### **Myth and Madness** Tacet Books

It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to

stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.

#### Blood Memory J.S. Cooper

Learning that Hazel Marie is pregnant with twins and that the father, private investigator J. D. Pickens, has left town, Miss Julia summons the wayward man to solve a local theft in the hopes of reuniting the couple.
