*The Intimate Henry Miller* New Directions  
 Publishing

"Enjoy this hilarious collection of satires,  
 reviews, news, poems, and short stories  
 from *The Satirist: America's Most Critical*  
*Journal.*"--P. [4] of cover.

*Plexus* Open Road Media

An essential collection of writings, bursting  
 with Henry Miller's exhilarating candor and  
 wisdom In this selection of stories and  
 essays, Henry Miller elucidates, revels,  
 and soars, showing his command over a  
 wide range of moods, styles, and subject  
 matters. Writing "from the heart," always  
 with a refreshing lack of reticence, Miller  
 involves the reader directly in his thoughts  
 and feelings. "His real aim," Karl Shapiro

has written, "is to find the living core of  
 our world whenever it survives and in  
 whatever manifestation, in art, in  
 literature, in human behavior itself. It is  
 then that he sings, praises, and shouts at  
 the top of his lungs with the uncontainable  
 hilarity he is famous for." Here are some  
 of Henry Miller's best-known writings: an  
 essay on the photographer Brassai;  
 "Reflections on Writing," in which Miller  
 examines his own position as a writer;  
 "Seraphita" and "Balzac and His Double,"  
 on the works of other writers; and "The  
 Alcoholic Veteran," "Creative Death," "The  
 Enormous Womb," and "The Philosopher  
 Who Philosophizes."  
*Albertine (1886)* New Directions Publishing  
 Gardner's final novel: a delicate tapestry  
 of literary genres that create a wonderfully  
 mysterious and ambitious narrative As  
 Peter Mickelsson's brilliant career as a  
 professor at Brown University winds down,

he suffers from alcoholism and is on the  
 brink of divorce. Seeking a new start,  
 Mickelsson moves to an old farmhouse in  
 the Pennsylvania countryside to take a  
 position at Bingham University. But when  
 mysterious supernatural events begin to  
 occur, it becomes clear that these new  
 surroundings will not provide a refuge for  
 this troubled man, but rather prompt an  
 introspective look into the ultimate value  
 of his life's work. With distinctive style and  
 linguistic mastery, author John Gardner  
 weaves together a string of extraordinary  
 plots that culminate in an unforgettable  
 conclusion. This ebook features a new  
 illustrated biography of John Gardner,  
 including original letters, rare photos, and  
 never-before-seen documents from the  
 Gardner family and the University of  
 Rochester Archives.

*The Joy of Sexus* Penguin

Reveals tales of sex and love from ancient

Greece, Rome, and other Mediterranean cultures, offering insight into these civilizations' beliefs about contraception, bisexuality, cross-dressing, nymphomania, and erotic practices.

[Stand Still Like the Hummingbird](#) Penguin Classics

Some of the most rewarding pages in Henry Miller's books concern his self-education as a writer. He tells, as few great writers ever have, how he set his goals, how he discovered the excitement of using words, how the books he read influenced him, and how he learned to draw on his own experience.

**Sexus (Harper Perennial Modern Classics)** Penguin Classics

Miller's groundbreaking first novel, banned in Britain for almost thirty years.

olympiapress.com

From the New York Times bestselling author of the Tradd Street novels comes an enthralling southern gothic saga about one woman's quest for the truth... When Vivien Walker left her home in the Mississippi Delta, she swore never to go back. But in the spring, nine years to the day since she'd left, Vivien returns, fleeing from a broken marriage and her lost dreams for children. What she hopes to find is solace with her dear grandmother who raised her, a Walker woman with a knack for making everything all right. Instead Vivien is forced into the unexpected role of caretaker, challenging her personal quest to find the girl she once was. But things will change again in ways Vivien cannot imagine. A violent storm has revealed the remains of a long-dead woman buried near the Walker home, not far from the cypress swamp that is soon to give up its ghosts. Vivien knows there is now only one way to rediscover herself—by uncovering the secrets of her family and breaking the cycle of loss that has haunted them for generations.

READERS GUIDE INCLUDED

**A Wanderer Plays on Muted Strings**

New Directions Publishing

The extraordinarily candid tale of Miller's sexual escapades amongst the low-life of Brooklyn, banned in Great Britain and America for nearly twenty years after its first publication in 1949.

**Plexus** New Directions Publishing

A Wanderer Plays on Muted Strings Knut Hamsun Related to and sometimes paired with Hamsun's *Under the Autumn Stars*, this beautifully lyric fiction picks up with the same characters as the other book, but is set in time six years later. The central character of the former novel, Knut Pedersen (Hamsun's real name), is more

an observer in this work. His former friend Grindhusen has grown from stubborn independence to a shifty and vacillating man; and his companion Lars Falkenberg has dwindled into a small land-holder with a perpetually pregnant wife from whom he is deeply estranged. These two comedians play out a tragi-comedy that is painful through the very irony and humaneness with which Hamsun paints his figures. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

[Genius and Lust](#) Open Road Media  
Presents the contemporary writer's vision of American life, gleaned from his travels throughout the country during the early 1940's

[Tropical Animal](#) Open Road Media

Many of them have appeared only in foreign magazines while others were printed in limited editions which have gone out of print.

**Big Sur and the Oranges of Hieronymus Bosch** New Directions Publishing

Continuing the subversive self-revelation begun in *Tropic of Cancer* and *Tropic of Capricorn*, Henry Miller takes readers along a mad, free-associating journey from the damp grime of his Brooklyn youth to the sun-splashed cafes and squalid flats of Paris. With incomparable glee, Miller shifts effortlessly from Virgil to venereal disease, from Rabelais to Roquefort. In this seductive technicolor swirl of Paris and New York, he captures like no one else the blending of people and the cities they inhabit.

[The Henry Miller Reader](#) Grove/Atlantic, Inc.

Norman Mailer, without a doubt the most important literary figure of his generation, here celebrates the genius of "the greatest living American writer" from an earlier

generation in an extended essay of unequalled brilliance as well as in a generous selection from Miller's work to point the way to "the center of the power of his writing." --from front flap.

**Plexus** Grove/Atlantic, Inc.

Contains some of Miller's shorter prose writings, taken from the Paris books *Black Spring* (1936) and *Max and the White Phagocytes* (1938).

[Horoscope](#) The Rosy Crucifixion

Henry Miller's bold, explicit novels scandalized readers and remade the literature of his day. In this uncompromising literary manifesto he argues that sex is at the heart of his writing because it is at the heart of life - a vital force as essential as bread, money, work or play.

[I'm Dying Laughing](#) Carroll & Graf Publishers

Henry Miller's *Rosy Crucifixion*, his second major trilogy, took more than 10 years for the author to complete. Beginning in 1949 with *Sexus*, a work so controversial all of Paris was abuzz with *L'Affaire Miller*, (and publisher Maurice Girodias saw himself threatened with jail), following in 1952 with *Plexus*, and finally concluding with 1959's *Nexus*, the three works are a dazzling array of scenes, sexual encounters and ideas, covering Miller's final days in NY, his relationship with June Miller and her lover, his take on the arts, his favorite writers, his thoughts, his insights, his days and his nights, finally ending with a glorious farewell to the life he'd known and an anticipation of the life he would lead.

[Henry Miller on Writing](#) Penguin UK

*Plexus* is the second volume of the scandalous trilogy *The Rosy Crucifixion*, Henry Miller's major life work Exploring one man's desperate desire for freedom, *Plexus* is the central volume of Henry Miller's scandalous semi-autobiographical trilogy *The Rosy Crucifixion*. It finds him in the midst of his stormy marriage to the volatile, duplicitous Mona, and joyfully quitting his dreary job for a hand-to-mouth existence in Brooklyn, as he takes his first steps towards becoming a writer.

[The Cosmological Eye](#) Createspace

Independent Publishing Platform

'Here, even if I had a thousand dollar in my pocket, I know of no sight which could arouse in me the feeling of ecstasy' Looking back to Henry Miller's bohemian life in 1930s Paris, when he was an obscure, penniless writer, *Quiet Days in Clichy* is a love letter to a city. As he describes nocturnal wanderings through shabby Montmartre streets, cafés and bars, sexual liaisons and volatile love affairs, Miller brilliantly evokes a period

that would shape his entire life and oeuvre. 'His writing is flamboyant, torrential, chaotic, treacherous, and dangerous' Anais Nin

**Black Spring** Open Road + Grove/Atlantic  
Christina Stead's unforgettable final novel—a profound examination of love and radicalism during the McCarthy era In the wake of the Great Depression, Emily

Wilkes, a young American journalist, travels to a Europe still scarred by World War I. During her crossing, she meets Stephen Howard, a charismatic and wealthy Communist who quickly converts Emily to his ideals when the two become lovers. Upon their return to the States, they marry and settle into a comfortable life in Hollywood as darlings of the American left. Emily shines as a

screenwriter and novelist while Stephen dedicates himself to the Party line—but their radicalism soon finds them out of favor and retreating to Paris, where they tragically and bitterly unravel. Published posthumously by Christina Stead's literary executor professor Ron Geering, *I'm Dying Laughing* is an unflinching look at political faith and romantic attachment.
